Plan Administrator  
Triten Corporation 401(k) Profit Sharing Plan  
Houston, Texas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Triten Corporation 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions and maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

October 13, 2025  
Triten Corporation 401(k) Profit Sharing Plan

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Triten Corporation 401(k) Profit Sharing Plan

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, and the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**TRITEN CORPORATION 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**Note 1 - Plan Description**

The following brief description of the Triten Corporation 401(k) Profit Sharing Plan (the Plan) is provided for general information only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering eligible employees of Triten Corporation and participating employers (collectively, the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was adopted by the Company on December 1, 1978 and has since been amended and restated.

An employee of Triten Corporation serves as the plan administrator. Fidelity Management Trust Company (Fidelity) serves as the Plan's trustee.

**Eligibility**

Participation in the Plan is available for all eligible employees, as defined, who are at least 18 years of age. The Plan includes a savings feature designed to permit employees and the Company to contribute to the Plan, at amounts allowable under Section 401(k) of the Internal Revenue Code (IRC).

**Contributions**

Employee pre-tax and Roth contributions are made to the Plan by electing to contribute up to 90% of an employee's compensation, as defined, subject to the maximum limits allowed by law. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans and certain other qualified sources as defined in the plan document.

Eligible employees automatically begin deferring 5% of their compensation for each payroll period, unless an affirmative election not to contribute or to contribute at a different percentage is made by the employee. The contributions are made on a pre-tax basis unless the employee affirmatively designates that any portion or all of the contributions be treated as Roth contributions. Eligible employees will have their automatic deferral percentage increased by 1% up to a maximum contribution of 10% of eligible compensation, unless an affirmative election is made to opt out of the annual increase.

The Company may elect to make matching contributions equal to a discretionary percentage, to be determined by the Company, of an employee's elective deferral. For the year ended December 31, 2024, the Company elected to make a discretionary matching contribution of 50% of each employee's contribution, limited to 6% of each employee's eligible compensation.

See independent auditor's report.

**TRITEN CORPORATION 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2024 and 2023**

**Participant Accounts**

Participants direct the investment of their accounts into various investment options offered by the Plan. Under the Plan, earnings and losses are allocated to the participants' accounts daily according to an allocation formula provided in the plan document.

**Vesting and Forfeitures**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company contributions is based on years of service. A participant is 50% vested after one year of service and 100% vested after two years of service. A participant that terminated employment with the Company prior to October 1, 2020, vested at 20% after the completion of two years of service increasing 20% for each subsequent year of service until the participant is 100% vested upon the completion of six years of service. Regardless of the vesting schedule, participants become fully vested upon reaching normal retirement age, as defined, death, or total and permanent disability.

Forfeitures are used to pay plan expenses or to reduce Company contributions. There were \$23,508 and \$9,899 of forfeitures available at December 31, 2024 and 2023, respectively. For the year ended December 31, 2024, \$26,225 of forfeitures were utilized to offset Company matching contributions and \$1,561 of forfeitures were utilized to pay plan expenses.

**Benefit Payments**

Distributions may be made to participants upon termination of employment, death, disability or retirement. Under certain circumstances, participants may withdraw a portion of their account while still employed for reasons of financial hardship, upon the attainment of age 59 ½ and for other permitted reasons, as defined. Distributions from the Plan may be paid in the form of a lump sum distribution or installment payments at the discretion of the participant. Upon termination of employment, participants with an account balance of \$1,000 or less shall receive an automatic lump sum distribution from the Plan. For participants with an account balance greater than \$1,000 but less than \$7,000, the plan administrator makes a direct rollover into an individual retirement account. Withdrawals from the Plan may be subject to income tax on contributions and income earned.

**Notes Receivable from Participants**

Notes receivable from participants are loans to participants secured by the vested portion of their respective accounts as prescribed in the plan document. Interest rates are based on the prime rate plus 2% at the time of issuance. The loans are generally repaid through payroll deductions. A participant may not have more than one loan outstanding at a time. Loans issued are not less than \$1,000, with a maximum value limited to the lesser of \$50,000 or one-half of the participant's vested balance. Loan terms are limited to five years unless for the purchase of a principal residence, which could then be extended to 10 years.

See independent auditor's report.

**TRITEN CORPORATION 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2024 and 2023**

**Note 2 - Accounting Policies**

**Basis of Accounting**

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Investment Valuation and Income Recognition**

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of the investments includes realized gains and losses on investments sold during the year, as well as unrealized gains or losses on the investments held at the end of the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 or 2023, as the notes are collateralized by the participants' account balances. Interest income is recorded on the accrual basis. In general, notes receivable from participants are considered in default in the calendar quarter following the quarter in which no payment is made. Defaulted loans are treated as distributions based upon the terms of the plan document.

**Benefit Payments**

Benefit payments are recorded when paid.

**Administrative Expenses**

Certain transactional charges are paid by the respective participants. All other administrative costs are paid by the Plan unless paid by the Company, at its discretion. Investment related expenses are included in the net appreciation or depreciation in the fair value of investments.

See independent auditor's report.

**TRITEN CORPORATION 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2024 and 2023**

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and may impact participants' account balances, and the amounts reported in the financial statements.

**Subsequent Events**

Management of the Plan evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 13, 2025, which is the date the financial statements were available to be issued.

**Note 3 - Information Certified by the Trustee**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Fidelity Management Trust Company as of December 31, 2024 and 2023, and for the year ended December 31, 2024, that all of the information provided is complete and accurate. Information included in the financial statements and accompanying notes to the financial statements as to investments, notes receivable from participants, investment income, interest income on notes receivable from participants, and all the related information in the supplemental schedule of assets (held at end of year), is presented in reliance solely upon those certifications.

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements, the accompanying notes to the financial statements and the supplemental schedule of assets (held at end of year).

**Note 4 - Fair Value Measurements**

GAAP provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual Funds:* These funds are valued daily at their quoted market prices.

*Common/Collective Trust Fund:* This fund is valued at its net asset value (NAV) as determined by the issuer, based on the value of each of the underlying investments, less applicable fees charged by the issuer. The NAV is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the investment will be sold for an amount different than the reported NAV.

See independent auditor's report.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	<b>\$ 15,504,268</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 15,504,268</b>
Investment measured at NAV (practical expedient)				<b>1,731,223</b>
Total investments at fair value				<b>\$ 17,235,491</b>

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	<b>\$ 12,675,423</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 12,675,423</b>
Investment measured at NAV (practical expedient)				<b>2,397,137</b>
Total investments at fair value				<b>\$ 15,072,560</b>

The following table provides additional information for the common/collective trust fund which is measured using NAV as a practical expedient as of December 31, 2024 and 2023. The redemption notice period is applicable only to the Plan.

Investment Class	Fair Value December 31,		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2024	2023			
Stable Value Fund	<b>\$ 1,731,223</b>	<b>\$ 2,397,137</b>	None	Daily	Up to 12 months

**Note 5 - Federal Income Tax**

The pre-approved plan document adopted by the Plan received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that it was in compliance with the applicable requirements of the IRC. The pre-approved plan document has been amended since receiving its IRS letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

**Note 6 - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in their Company contributions.

**Note 7 - Party-in-Interest Transactions**

Certain plan investments are shares of mutual funds and a common/collective trust fund managed by Fidelity or one of its affiliates. The Plan's investment transactions in these funds qualify as party-in-interest transactions. These transactions are covered by an exemption from the "prohibited transaction" provision of ERISA and the IRC.

**Note 8 - Nonexempt Prohibited Transactions**

As disclosed on the supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, there were unintentional delays in remitting \$608,284 of participant contributions and \$ 7,693 of loan repayments to the Plan within the timeframe specified by the DOL's Regulation 29 CFR 2510.3-102. The untimely remittances relate to the 2020 through 2024 plan years. During 2024, the plan administrator corrected \$473,307 of participant contributions and \$3,243 of loan repayments. The plan administrator corrected the majority of the remaining untimely remittances during 2025 and is in the process of calculating lost earnings on any remaining items.
