## Independent Auditor's Report

To the Plan Administrator  
Lake Ridge Bancorp, Inc. Employee Stock Ownership Plan  
Cross Plains, Wisconsin

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Lake Ridge Bancorp, Inc. Employee Stock Ownership Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lake Ridge Bancorp, Inc. Employee Stock Ownership Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"Wipfli" is the brand name under which Wipfli LLP and Wipfli Advisory LLC and its respective subsidiary entities provide professional services. Wipfli LLP and Wipfli Advisory LLC (and its respective subsidiary entities) practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lake Ridge Bancorp, Inc. Employee Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lake Ridge Bancorp, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

"Wipfli" is the brand name under which Wipfli LLP and Wipfli Advisory LLC and its respective subsidiary entities provide professional services. Wipfli LLP and Wipfli Advisory LLC (and its respective subsidiary entities) practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lake Ridge Bancorp, Inc. Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lake Ridge Bancorp, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Note 1: Description of Plan

The following description of the Lake Ridge Bancorp, Inc. Employee Stock Ownership Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### General

Lake Ridge Bancorp, Inc. established the Plan effective January 1, 2012 for employees of Lake Ridge Bancorp, Inc. and its wholly owned subsidiary, Lake Ridge Bank (collectively the 'Employer'). The Plan is a defined contribution employee stock ownership plan (ESOP) covering substantially all employees who are age 19 or older and have completed one year of service, defined as a 12 consecutive month period beginning on the date an employee first completes an hour of service during which the employee completes at least 1,000 hours of service. No service requirement applies to Employer 401(k) Plan safe harbor contributions made to the ESOP. All Lake Ridge Bancorp, Inc. shares held by the Plan are fully allocated to participants. All investments are non-participant directed. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

On March 14, 2022, the Board of Directors of the State Bank of Cross Plains, Inc. approved a merger with Monona Bank. On October 3, 2022, S.B.C.P. Bancorp, Inc. and Monona Bankshares, Inc. (the holding companies) merged and the holding company name changed to Lake Ridge Bancorp, Inc. Monona Bank has a retirement plan, Monona Bank 401(k) Savings Plan. As part of the merger, the following actions occurred:

1. Employees previously employed by Monona Bank, now employed by Lake Ridge Bank, began participating in the Plan effective January 1, 2023.
2. Investments other than Bank holding company stock from Monona Bank's existing plan, Monona Bank 401(k) Savings Plan, were transferred into the Lake Ridge Bancorp, Inc 401(k) Plan during March 2023.
3. Effective April 2023, the Plan changed its name to the Lake Ridge Bancorp, Inc. Employee Stock Ownership Plan.
4. In December 2024, the Bank holding company common stock held by the Monona Bank 401(k) Savings Plan totaling \$2,664,216 and money market investments of \$40,129 were transferred to the Lake Ridge Bancorp, Inc. ESOP, and the Monona Bank 401(k) Savings Plan was terminated.

#### Contributions

The Plan is funded by Employer discretionary contributions made in the form of cash or Employer stock as determined by the Employer's Board of Directors. There were no Employer discretionary contributions for the year ended December 31, 2024. Contributions required to satisfy the Lake Ridge Bank 401(k) Plan safe harbor testing may be made to the ESOP plan. During the year ended December 31, 2024, a safe harbor matching contribution of \$1,205,730 was made to the Plan. The contribution was based on participants' contribution to the 401(k) plan and allowed for a match on participants' contributions of up to 4%.

### Note 1: Description of Plan (Continued)

#### Participant Accounts

Each participant's account is credited with the Employer's safe harbor contributions and an allocation of (a) Employer discretionary contributions, (b) plan earnings (losses), and (c) dividends. Employer discretionary contributions are allocated based on a participant's eligible compensation, relative to total eligible compensation. Plan earnings are allocated to each participant's account based on the ratio of the participant's account balance to total plan assets. Dividends are allocated to participants based on their beginning of period share balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

A participant is immediately 100% vested in all safe harbor contributions. A participant is vested in Employer discretionary contributions and earnings thereon according to the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2 years	0 %
2 years	20 %
3 years	40 %
4 years	60 %
5 years	80 %
6 years	100 %

Participants who become deceased or disabled or attain retirement age become fully vested in Employer contribution accounts regardless of years of service.

#### Payment of Benefits

Upon termination of service due to death, disability, or retirement, or upon separation from service with the Employer, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or for account balances in excess of a specific threshold, periodic installments over 5 years. The amount to be distributed is based upon the account valuation date immediately preceding the distribution. Distributions may be made in the form of cash or Employer stock as determined by the Plan Administrator unless the participant affirmatively elects such distribution to be in the form of Employer stock.

#### Forfeited Accounts

Forfeitures of nonvested participant balances are first used to make any required minimum contributions (in the event the Plan is determined to be top heavy) and then to pay Plan expenses. Any remaining forfeitures are allocated among participants in the same manner as discretionary Employer contributions. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$0. For the year ended December 31, 2024, 0.1512 shares were forfeited and allocated to participants in accordance with the Plan document. No expenses were paid with forfeited nonvested accounts.

### **Note 1: Description of Plan** (Continued)

#### **Put Option**

Under federal income tax regulations, Employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Employer buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the current value of the stock. The Employer can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

#### **Voting Rights**

The Employer stock held in the Plan will be voted by the trustee as directed by the ESOP Committee. However, participants are entitled to direct the trustee on how to vote the shares of Employer stock allocated to their account with respect to approval or disapproval of any corporate merger or consolidation, recapitalization, reclassification, liquidation, dissolution, or sale of substantially all of the assets or any similar transactions. If a participant does not notify the trustee of how they would like their shares of Employer stock to be voted with respect to any of the transactions described above, those shares will not be voted.

#### **Diversification**

Diversification is offered to participants as they approach retirement by liquidating amounts pursuant to the participant's election and transferring such amounts to the Employer's 401(k) Plan which maintains diversified investment funds. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify up to 25 percent of the balance in their Employer stock account each year during the first five years of the diversification period. In the sixth and final year of the diversification period, a participant can elect to diversify up to 50 percent of the balance in their Employer stock.

### **Note 2: Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### **Use of Estimates in Preparation of Financial Statements**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

## Notes to Financial Statements

### **Note 2: Summary of Significant Accounting Policies** (Continued)

#### **Use of Estimates in Preparation of Financial Statements** (Continued)

The financial statements include Lake Ridge Bancorp, Inc. common stock whose value has been estimated by an independent valuation specialist in the absence of a readily ascertainable market value. Because of the inherent subjectivity in any valuation, the estimated value may differ significantly from the value that would have been used had a ready market for the securities existed, and the difference could be material.

#### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Expenses**

All expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements.

#### **Subsequent Events**

The Plan has evaluated subsequent events through October 13, 2025, which is the date the financial statements were available to be issued.

### **Note 3: Fair Value Measurements**

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

## Notes to Financial Statements

### Note 3: Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2024 and 2023.

*Lake Ridge Bancorp, Inc. Common Stock:* Shares of Lake Ridge Bancorp, Inc. common stock are valued at fair value based upon an independent appraisal. This appraisal was based upon a combination of acceptable valuation methods including market and income approaches. The appraisal took into account historical and projected financial information in estimating the fair value.

*Money market mutual funds:* Valued at the closing price reported on the active market on which the fund is traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2024

Certain information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2024 and 2023, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by GreatBanc Trust Company, the Trustee of the Plan.

### **Note 7: Risks and Uncertainties**

The Plan investments include Employer's common stock, which is exposed to various risks such as interest rate, market, and credit risks, as well as valuation assumptions based on earnings, cash flows and/or other such techniques. Due to the level of risk associated with the investment in the common stock and to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in the value of the common stock will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

### **Note 8: Related-Party Transactions and Party-in-Interest Transactions**

The Plan invests in Employer common stock which is considered a related party and party-in-interest transaction. During 2024, the plan received \$128,064 of common stock dividends. The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. The Plan's assets, which consist of sponsor Employer common shares, are held by the Trustee of the Plan. Administrative expenses for the Trustee's fees are paid directly by the Employer.
