**FINANCIAL STATEMENTS,
SUPPLEMENTAL SCHEDULE AND
INDEPENDENT AUDITORS' REPORT**

DECEMBER 31, 2024

INDEPENDENT AUDITORS' REPORT

To the Trustee Committee of the
R.T.G. Furniture Corp. & Affiliates 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of R.T.G. Furniture Corp. & Affiliates 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of R.T.G. Furniture Corp. & Affiliates 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of R.T.G. Furniture Corp. & Affiliates 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about R.T.G. Furniture Corp. & Affiliates 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of R.T.G. Furniture Corp. & Affiliates 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about R.T.G. Furniture Corp. & Affiliates 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment

information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

Organization

The R.T.G. Furniture Corp. and Affiliates 401(K) Plan (the "Plan") is a defined contribution plan covering all eligible employees of R.T.G. Furniture Corp., Rooms To Go Alabama Corp., Rooms to Go Mississippi Corp., Rooms to Go Louisiana Corp., Rooms To Go Tennessee Corp., R.T.G. Furniture Corp. of Georgia, Rooms To Go North Carolina Corp., Retail Management Services Corp., R.T.G. Furniture of Texas, L.P., Roomstogo.com, Inc., and H.M. Richards, Inc., (collectively referred to as the "Company", the "Employer", or the "Plan Sponsor"). The Plan was established on January 1, 1991, and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was restated on July 1, 2022 and most recently amended on January 1, 2023.

The following brief description of the Plan provides only general information. Participants should refer to the Summary Plan Description or Plan Document for a more complete description of the Plan's provisions.

General

The Plan covers all eligible employees, as defined by the Plan Document. Eligible employees will become eligible to participate in the plan upon attaining age 18 and completing 1/12 of a year of service.

Contributions

Participants in the Plan may contribute up to 50% of their annual pretax compensation, not to exceed the maximum allowed by the Internal Revenue Code (the "Code"). The Plan also allows for post-tax contributions to a Roth 401(k). In addition, the Plan permits participants age 50 or over during the Plan year to make additional "catch-up contributions" to the Plan not to exceed the maximum allowed by the Code. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Company may make a discretionary employer matching contribution, which may vary from year to year. The Company's Board of Directors determines the Company's matching contributions to the Plan, which shall not be in excess of 8% of each eligible participant's compensation in any Plan year. As of the last day of each Plan year, the total Company matching contribution and profit sharing contribution to the Plan for that year will be allocated to the account of each eligible participant who is still employed on the last day of the year or who terminated employment due to death, disability, or retirement during the Plan year. The employer matching contribution for the current year was 25% for every dollar contributed, up to the first 8% of each eligible participant's compensation for the plan year. For the year ended December 31, 2024, the employer matching contribution was approximately \$4,404,000, net of forfeitures of approximately \$189,000.

Investment Options

Upon enrollment, a participant may direct participant and Employer contributions to any of the Plan's fund options. Participants may also redirect their contributions or exchange their existing fund account balances on any business day.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of Employer contributions and Plan investment results. Allocations are based on compensation or a ratio of the participant's specific account balance to the total of all participants' account balances, as specified in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

Notes Receivable from Participants

Participants may borrow from their account balances a minimum of \$1,000 to a maximum of the lesser of one half of the vested account value or \$50,000. The loan must be repaid in at least quarterly installments, amortized over a term of no more than four years, unless the loan is for the purchase of a primary residence, in which case it must be repaid in no more than ten years. A participant may not have more than one loan outstanding at any point in time. The loans are secured by the balance in the participant's account and bear interest commensurate with bank interest rates at the inception of the loans, as required by the Plan Document. Loans outstanding as of December 31, 2023 had interest rates ranging between 4.25% - 9.50%. Principal and interest are paid ratably through payroll deductions. The Plan provides for a single, lump-sum repayment at any time.

Vesting

Participant's contributions, including rollover contributions, and actual earnings thereon, are 100% vested. Employer contributions and actual earnings thereon are incrementally vested over six years of credited service.

Payment of Benefits

Upon death, disability, retirement, or termination of service, participants or their designated beneficiaries may receive a lump-sum payment amount equal to the vested amount of their account.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to amend or discontinue the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, the account of each participant will be 100% vested.

Coronavirus Aid, Relief, and Economic Security (CARES) Act

On March 27, 2020, the CARES Act was signed into law and, amongst other things, included several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions:

The Plan permitted an increase of the maximum loan amount to the lessor of \$100,000 or 100% of the participant's vested balance for Coronavirus related loans.

R.T.G. FURNITURE CORP. & AFFILIATES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

The Plan permitted the loan repayment delay for up to 1 year for outstanding loans that have a repayment date due from March 27, 2020 to December 31, 2020, including repayments due to separation from service.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting and in conformity with generally accepted accounting principles in the United States ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Plan are generally stated at fair value.

Cash equivalents and short-term investments are valued at cost, which approximates fair value.

Equity investments traded on national securities exchanges are valued at their closing market prices. When no trades are reported, they are valued at the most recent bid quotation; securities traded in the over-the-counter market are valued at their last sale or bid price.

Mutual funds are valued at the net asset value (NAV) reported in the active market where the fund is traded on a daily basis.

The common/collective trust funds are valued at the Net Asset Value (the "NAV") of units managed by State Street Global Advisors, the investment management division of State Street Bank and Trust Company. These investments are determined to have readily determinable fair values.

Purchases and sales of securities are recorded on a trade-date basis. Gain or loss on sales of securities is based on average cost. Dividend income is recorded on the ex-dividend date. Interest income is recognized as earned on the accrual basis.

Benefit Payments

Benefits are recorded when paid.

R.T.G. FURNITURE CORP. & AFFILIATES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

Forfeitures

At December 31, 2024 and 2023, forfeited nonvested accounts totaled approximately \$377,000 and \$321,000, respectively. These accounts will be used to reduce employer contributions. Also, in 2024, employer contributions were reduced by approximately \$189,000 from forfeited nonvested accounts.

Plan Expenses

Audit fees are paid directly by the Plan Sponsor and are excluded from these financial statements. Record-keeping fees, fees related to the administration of notes receivable from participants and benefit payments to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in the fair value of investments.

Excess Contributions Payable

Amounts payable to participants totaling approximately \$398,000 and \$579,000 as of December 31, 2024 and 2023, respectively, for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions. The Plan distributed the excess contributions prior to March 15, 2025 and 2024, respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan payments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Subsequent Events

In accordance with Financial Accounting Standards Board Accounting Standards Codification "FASB ASC" Topic 855, *Subsequent Events*, the Plan evaluated subsequent events through October 7, 2025, the date the financial statements were available for issue.

NOTE 3 INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation/(depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information provided to the Plan Administrator and certified as complete and accurate by the Trustee.

NOTE 4 FAIR VALUE MEASUREMENTS

In accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*, the Plan assessed the guidelines for measuring fair value. These guidelines provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. FASB ASC 820 establishes three levels of fair value hierarchy that are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in inactive markets. Inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data are also included. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The following methods and assumptions were used to estimate fair value of each class of assets that are recognized at fair value.

Mutual funds and common stocks

The investments are public investment vehicles valued using the NAV provided by the administrator of the Fund. The NAV is based on the value of the underlying assets owned by the Fund, minus the liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Common/collective trust funds

These investments are public investment vehicles valued using the NAV provided by the administrator of the Fund. The NAV is based on the value of the underlying assets owned by the Fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is classified within the Level 2 of the valuation hierarchy because the NAV's unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market.

Cash and equivalents

The cash and equivalents balance is carried at cost which approximates fair value due to the short term nature. As such, this balance is classified within Level 1 of the valuation hierarchy.

	<u>\$ 143,744,233</u>	<u>\$ 121,522,979</u>	<u>\$ -</u>	<u>\$ 265,267,212</u>

There were no significant transfers between levels for December 31, 2024 or 2023.

NOTE 5 INCOME TAX STATUS

The Plan received a determination letter from the Internal Revenue Service ("IRS") dated July 22, 2014, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance as permitted by Section 29 CFR 2520.109(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, N.A., the Trustee of certain Plan assets, has certified to the completeness and accuracy of the funds held by them in the reflected statement of changes in assets available for benefits for the year ended December 31, 2024 and the schedule of assets held for investment purposes as of December 31, 2024 and 2023.

NOTE 8 PARTIES IN INTEREST

Certain Plan investments are funds managed by the Trustee. Transactions involving these investments are considered to be party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to approximately \$279,000 for the year ended December 31, 2024. This party-in-interest transaction is exempt from the prohibited transaction rules of ERISA.
