## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
**Family Trust Federal Credit Union 401(k) Plan**

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Family Trust Federal Credit Union 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation for the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

### Other Matters Supplemental Schedules Required by ERISA

The supplemental schedules (1) of delinquent participant contributions for the year ended December 31, 2024 and (2) assets (held at end of year) as of December 31, 2024, are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### Note 1 – Description of the Plan

#### General

The Family Trust Federal Credit Union 401(k) Plan (the Plan) is a defined contribution plan established January 1, 1993 to cover all eligible employees of the Family Trust Federal Credit Union (the Credit Union). The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

#### Administration

The Plan Sponsor and named Plan Administrator is the Family Trust Federal Credit Union. The Plan's Administrator is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance and fees. The Plan's Investment Custodian is Empower Trust Company, LLC. The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions. The Plan has also retained Empower Retirement, LLC to provide participant recordkeeping and administrative services.

#### Eligibility

The Plan covers substantially all employees of the Credit Union. All eligible employees must have completed the 90-day probationary period and obtained 18 years of age, with the entry date being on the first pay period after eligibility requirements are satisfied. Participants must be employed on the last day of the year to be eligible for non-elective discretionary contributions.

#### Contributions to the Plan

Each year, participants may contribute pre-tax and after-tax Roth deferred contributions, as defined in the Plan document, through payroll withholdings. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled at a deferral rate of 3%, unless they affirmatively elect otherwise. Auto-enrollment contributions are invested in a designated fund until changed by the participant.

The Plan provides for safe harbor matching contributions equal to 100% of the participants' deferral up to 3% of compensation and 50% up to 2% of compensation. The Credit Union made safe harbor matching contributions of \$260,639 for the year ended December 31, 2024.

The Credit Union may also make additional non-elective discretionary contributions of up to 6% of each employee's compensation. The Credit Union plans to make non-elective discretionary contributions of \$429,648 for the year ended December 31, 2024 during the year ended December 31, 2025, using unallocated funds to fund the non-elective discretionary contributions.

Participants direct the investment of both their individual contributions plus their share of Credit Union's contributions into the various investment options offered by the Plan. The Credit Union's contributions are allocated in the same manner as that of the participant's elective contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participants' earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to certain Department of Labor (DOL) and IRS requirements. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set based on prime for the rate of interest. Loan terms may range from 1 - 5 years, except for a loan used to acquire a dwelling as the principal residence of the participant. Principal and interest payments are paid through payroll deductions.

### Distribution of Benefits

On termination of service, participants with vested account balances of \$1,000 or less are subject to involuntary cash-outs, in which automatic distribution of their account balance will occur without direct consent unless they elect a rollover. Participants whose vested account balances exceed \$1,000 may elect a lump sum distribution, periodic, annual installments over a period of time not to exceed the participant's or designated beneficiary's assumed life expectancy, partial withdrawals, or purchase of an annuity. Additionally, they may also elect to defer the distribution of their Plan balance. Participants who elect to have their benefit payments deferred continue to share in allocations of investment income and losses, but do not share in subsequent allocations of employer contributions. Special rules apply to distributions due to death, disability, or retirement. Participants should refer to the full Plan document for details.

The Plan allows for in-service distributions upon the attainment of age 59½ for all deferral contributions, safe harbor matching contributions and non-elective discretionary contributions and rollover contributions for any reason. The Plan allows for in-service distributions prior to attainment of the Plan's normal retirement age due to financial hardship, as defined in the Plan document, from vested account balances.

### Vesting

Participants are immediately vested in their contributions and the Credit Union's safe harbor matching contributions plus actual earnings thereon. Vesting in the Credit Union's non-elective discretionary contributions portion of their account, plus actual earnings thereon are based on years of continuous service. A participant vests in the non-elective discretionary contributions in increments of 20% for each year of credited service beginning at the end of the first year, such that a participant is 100% vested after six years of credited service. Participants also become 100% vested upon death, permanent disability, and normal retirement.

### Forfeitures and Unallocated funds

Forfeited balances of terminated participants' non-vested accounts can be used for the payment of Plan expenses or to reduce future Credit Union contributions. During the year ended December 31, 2024, forfeitures used to reduce Plan expenses were approximately \$4,000. During the year ended December 31, 2023, forfeitures used to reduce the Credit Union's contributions were approximately \$471,000. As of December 31, 2024 and 2023, unallocated forfeited balances were approximately \$53,000 and \$22,000, respectively.

# FAMILY TRUST FEDERAL CREDIT UNION 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

The Credit Union's defined benefit Plan was liquidated during the year ended December 31, 2022; the excess funds were rolled over to the Plan. As of December 31, 2024 and 2023, the Plan maintained approximately \$2,634,000 and \$2,947,000, respectively, in unallocated funds due to the rollover of excess funds of the Credit Union's liquidated defined benefit Plan. These unallocated funds are used to fund the Plan's future nonelective discretionary contributions.

### **Note 2 – Summary of Significant Accounting Policies**

#### Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

#### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make use of estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers, Investment Custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make repayments on a notes receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance of the note receivable from the participant is reclassified to benefits paid to participants.

#### Payment of Benefits

Benefits are recorded when paid.

# FAMILY TRUST FEDERAL CREDIT UNION 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### Fees and Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Credit Union. Expenses that are paid by the Credit Union are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

### Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 8, 2025, which is the date the financial statements were available to be issued. Effective January 1, 2025, the Plan was amended to include automatic increases of 1% per year up to a maximum of 10% of Compensation for participants subject to the Automatic Deferral provision. The first year of increase occurs on the second Change Date (Change Date is defined as February 1<sup>st</sup> beginning with the February 1<sup>st</sup> of the Plan Year in which Automatic Deferral first applies). This amendment also changed the determination period for safe harbor matching contributions to each payroll period.

### **Note 3 – Unaudited Information Certified by the Investment Custodian**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such elections, the following information has been certified by Empower Trust Company, LLC as to the completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023,
2. All investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024,
3. All investment-related information included in the Supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2024, and
4. Notes receivable from participants as of December 31, 2024 and 2023 and the related income for the year ended December 31, 2024.

### **Note 4 – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

**FAMILY TRUST FEDERAL CREDIT UNION  
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by an independent pricing service. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

The following tables sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

	<b>As of December 31, 2024</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual funds	\$ 12,687,909	\$ -	\$ -	\$ 12,687,909
	<b>As of December 31, 2023</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual funds	\$ 11,433,386	\$ -	\$ -	\$ 11,433,386

**Note 5 – Fully Benefit-Responsive Investment Contract**

The Plan invests in a fully benefit-responsive investment contract with Empower, where the underlying investments is a separate account guaranteed investment contract (SAGIC). The SAGIC’s underlying asset is a general investment account that provides a stated rate of return and insulates participants’ accounts from daily fluctuations in the market. Under the terms of the SAGIC group annuity contract, participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their balance in the SAGIC investment option at contract value.

As described in Note 2, because the SAGIC group annuity contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for benefits attributable to this contract. Contract value as reported to the Plan by Empower represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The terms of the contract require all permitted participant-initiated transactions with the Plan to occur at contract value.

# FAMILY TRUST FEDERAL CREDIT UNION 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

### **Note 6 – Party-in-Interest Transactions**

Certain Plan investments are managed by Empower Trust Company, LLC who is the Plan's Investment Custodian. During the year ended December 31, 2024, the Plan paid direct compensation to the Investment Custodian for services rendered. Indirect compensation (that is netted against investment income in the Statement of Changes in Net Assets Available for Benefits) is paid to the Investment Custodian for total annual operating expenses, which is charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

### **Note 7 – Plan Termination**

Although management has not expressed any intent to do so, management has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, all participants become 100% vested.

### **Note 8 – Plan Amendment and Tax Status**

The Plan is utilizing a non-standardized pre-approved Plan document, which has been filed with the IRS and has received a favorable advisory letter dated November 14, 2022. The Credit Union has elected not to apply for an individual IRS determination letter upon adoption of the Plan nor any subsequent amendments. However, the Plan Administrator believes that the Plan is currently designed and operating in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of December 31, 2024. No provision for income taxes has been included in the Plan's financial statements.

The Plan permitted provisions of SECURE Act 2.0 during the years ended December 31, 2024 and 2023. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance.

**FAMILY TRUST FEDERAL CREDIT UNION  
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

---

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 9 – Risks and Uncertainties**

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**Note 10 – Prohibited Transactions**

During 2024, the Credit Union failed to transmit participant contributions totaling \$17,006 to the Plan within the time frame required by the DOL's Rules and Regulations. During 2025, the Credit Union plans to make corrective contributions to the affected participants account to compensate the participants for potential lost income due to the delays. The untimely remittance of participant contributions constitutes a nonexempt prohibited transaction.
