### Independent Auditors' Report

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Rowerdink, Inc. 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rowerdink, Inc. 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) John Hancock Trust Company LLC, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

-3-

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rowerdink, Inc. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rowerdink, Inc. 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud

may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rowerdink, Inc. 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rowerdink, Inc. 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets Held at Year End December 31, 2024 are presented for purposes of additional analysis and are not a

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the Rowerdink, Inc. 401(K) Profit Sharing Plan (the Plan) are presented on the accrual basis of accounting. The financial statements have been prepared using the fair value method for marketable investments. The quoted market price, as reported by the trustee, was used to determine fair value. The investment in the Common Collective Trust is reported at fair value, which approximates contract value. Transactions by plan participants are based on contract value. Participant loans are valued at their unpaid principal balances, plus any accrued but unpaid interest. Interest income on loans is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Units in pooled separate accounts, registered mutual funds, and the common collective trust are recorded at fair value determined by the trustee. Benefit expense is recorded when benefits are paid.

All investment assets and related investment income included in the financial statements and schedules were certified by the trustee, John Hancock Trust Company LLC, as permitted by 29 CFR 2520.103-8, and were excluded from any auditing procedures.

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTE 2 - DESCRIPTION OF PLAN**

The following description of Rowerdink, Inc. 401(K) Profit Sharing Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

The Plan is intended to meet the requirements of section 401(a), 401(K) and 501(a) of the Internal Revenue Code, as amended.

**ROWERDINK, INC. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 2 - DESCRIPTION OF PLAN (CONTINUED)**

General: The Plan is a defined contribution plan covering all eligible employees of Rowerdink, Inc. (the Company) who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligible Employees: All employees of the Company who meet the minimum service and age requirements are eligible to participate in the plan.

Contributions: Participants are not required to make contributions under this Plan. A participant may contribute up to the amount of their wages, not to exceed the dollar limits under Code Section 402(g), as adjusted under Code Section 415(d) for the applicable calendar year. The Company currently contributes a match of 50% of the amount deferred up to 5% of participant wages. The Company may make a discretionary contribution which is allocated to the participants based on their ratio of annual wages to the total of all participant wages for the period. Participants direct the investment of all contributions into various investment options offered by the Plan.

Participant Accounts: A separate account is established for each participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans: Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balances. The loans are secured by the balance in the participant's account and bear interest at 4.25%-9.50%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Forfeiture Accounts: An employee may forfeit the non-vested portion of their account if employment ceases and the employee is less than 100% vested in The Company contributions made to their account. Forfeitures are retained in the Plan and may be used to reduce future Company contributions, to the extent any such contributions are made, or to pay Plan expenses. Forfeitures of \$12,508 and \$0 were used to reduce matching contributions for the years then ended 2024 and 2023, respectively. Forfeitures available to offset future Company contributions are \$650 and \$9,778 for 2024 and 2023, respectively.

**ROWERDINK, INC. 401(K) PROFIT SHARING PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024

**NOTE 2 - DESCRIPTION OF PLAN (CONTINUED)**

Payment of Benefits: Upon retirement, disability, death or termination of service, a participant may receive a lump sum distribution equal to the value of the vested portion of his or her account. Distributions are subject to the applicable provisions of the Plan document. The Plan allows in-service withdrawals upon attaining age 59½ and hardship withdrawals, under certain conditions based on participant eligibility and approval by the Plan administrator.

Investments: Rowerdink, Inc. 401(K) Profit Sharing Plan is a participant directed plan, with all allocated funds being assigned by the individual between available investment options.

Vesting of Company Contributions: Participants are immediately vested in their rollovers and participant contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions plus actual earnings thereon is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participants are 100% vested if employed by the Company upon death, disability or upon attainment of age 65.

Termination: The Company has established the Plan with the bona fide intention and expectation that the Plan will continue indefinitely, and that it will be able to make its contributions indefinitely, but the Company shall be under no obligation to continue its contributions or to maintain the Plan for any given length of time and may, in its sole discretion, completely discontinue its contributions or terminate the Plan without any liability whatsoever. In the event of the earlier of (a) the termination of this Plan; or (b) the complete discontinuance of contributions hereunder, the full value of the accounts of all participants of the Plan shall become fully vested and non-forfeitable.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 3 - TRUST FUND**

A Trust Fund has been created and is maintained for all purposes of the Plan, and the monies and other assets thereof continue to be held, administered, invested and distributed in accordance with the Plan terms, as it may be amended from time to time, for the exclusive benefit of the participants and their beneficiaries. All contributions made under the Plan are paid into the Trust Fund and all benefits payable under the Plan are paid from the Trust Fund.

**NOTE 4 – TRANSACTIONS WITH PARTIES-IN-INTEREST**

The Plan paid fees of \$2,018 in 2024 and \$2,085 in 2023 for investment advisory and service fees to John Hancock Trust Company LLC.

**NOTE 5 – INVESTMENTS**

The Rowerdink, Inc. 401(K) Profit Sharing Plan is participant directed, with all allocated funds being assigned by the participant between available investment options. These investment options consist of various mutual funds or pooled separate accounts with differing investment objectives, including U.S. and international stocks, bond accounts, and cash accounts. The reported fair values have been measured at quoted market prices in an active market.

**NOTE 6 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected to have the audit performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan administrator determined that the certification received from John Hancock Trust Company LLC, (the Trustee) meets the requirements of ERISA Section 103(a)(3)(C). The Trustee certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2024;

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 6 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE  
(CONTINUED)**

- Investment income, interest income on notes receivable from participants, and other income, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024; and
- Schedule H, Line 4i - Schedule of Assets Held at Year End as of December 31, 2024.

**NOTE 7 – SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through September 29, 2025, the date the financial statements were available to be issued.

**NOTE 8 - TAX STATUS**

The Plan has not requested a recent determination letter from the Internal Revenue Service stating that the Plan and related trust qualifies under the applicable sections of the Internal Revenue Code (IRC) as amended by the Employee Retirement Income Security Act of 1974. The Plan is a proto-type plan which has received an IRS determination letter as of March 31, 2014, indicating acceptance of the restated plan through the Heart and WRERA Acts, and final 415 regulations. The Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**Hardship conditions.** If a participant has a qualifying hardship expense, the Plan requires that certain conditions be satisfied to demonstrate the necessity of the distribution. The Sponsor has made the following changes in these conditions:

- The requirement to certify in writing or electronically, that insufficient cash or other liquid assets are reasonably available to meet a financial hardship.
- A participant will no longer be suspended from making contributions for six months after a hardship withdrawal.
- A participant may also take earnings along with deferral contributions.

**ROWERDINK, INC. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 8 - TAX STATUS (CONTINUED)**

**Hardship Events.** The plan has been amended to expand the list of expenses which qualify for a hardship distribution. The definition of residential casualty loss has been broadened to include residential casualties even if they are not part of a federally declared disaster.

**Available Accounts.** The Plan imposes restrictions on the ability to withdraw certain amounts on account of a hardship. Due to recent changes in the law, the Plan has been amended to expand the amounts that can be withdrawn on account of a hardship.

Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

**NOTE 9 – SPONSOR PAID EXPENSES**

The plan sponsor, Rowerdink, Inc., pays for certain administration and professional fee expenses, at Management's discretion. These expenses are not reflected in the Plan's financial statements.

**NOTE 10 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 11 – FAIR VALUE MEASUREMENTS**

Accounting Standards Codification for Fair Value Measurements and Disclosures, ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1	Unadjusted quoted prices in active markets for identical investments.
Level 2	Inputs other than quoted prices within Level 1 that are observable for the investment, either directly or indirectly.
Level 3	At least one significant unobservable input for the investments.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used, need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments measured at net asset value as a practical expedient, (pooled separate accounts and the common collective trust) are excluded from the requirement of being reported in the fair value hierarchy, as set forth in ASC 820.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds - Valued at the NAV of units held by the Plan at year end, as determined by the fair value of the underlying assets. Underlying assets may include commingled pools of exchange traded equity, fixed income and/or short-term investments and index funds of exchange traded equity, bond and debt securities.
