Independent Auditor's Report

To Management and Participants
Crete Solutions, LLC 401(K) Plan
Wilmington, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Crete Solutions, LLC 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Crete Solutions, LLC 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Crete Solutions, LLC 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Crete Solutions, LLC 401(K) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Crete Solutions, LLC 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Crete Solutions, LLC 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2023 Financial Statement

Plan management is responsible for the accompanying financial statement of Crete Solutions, LLC 401(K) Plan, which comprises the statement of net assets available for benefits as of December 31, 2023, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2023 financial statement.

CRETE SOLUTIONS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the Crete Solutions, LLC ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan covering all full-time employees of the Company who have 90 days of service and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Contributions - A participant may, but is not required to, make "pre-tax" or Roth contributions of their compensation to the Plan up to the maximum amount under IRS regulations. The Company makes a discretionary matching contribution of 50% of the first 5% of deferrals, with a maximum match of 2.5%. Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.
3. Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's matching, discretionary profit-sharing, and safe harbor contributions, and an allocation of the Plan earnings. Participants are also charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in employer discretionary contributions is based on years of continuous service. A participant is 100 percent vested after six years of credited service.
5. Payment of Benefits - Payment of benefits for retirees shall begin no later than April 1 of the calendar year following the calendar year in which the participant attains the age of 73. Participants become 100% vested and their designated beneficiaries are entitled to a total distribution of the interest in their accounts upon termination due to death or disability. On termination of employment, a participant may receive a distribution equal to the vested value of the account. The distribution is mandatory if the vested account balance is \$5,000 or less.
6. Participants' Notes Receivable - Participants are allowed to borrow from their accounts one loan at a time with a minimum of \$1,000 up to a maximum equal to the lesser \$50,000 or 50% of their vested balance. Loans are not allowed to be taken from roth deferrals and earnings. Loan terms require repayment of principal and interest through payroll deduction. The loans are secured by the balance in the participant's account and bear interest at a rate of prime rate plus 1%.

NOTE A - DESCRIPTION OF PLAN (continued)

7. Forfeited Accounts - At December 31, 2024, forfeited nonvested accounts totaled \$18,329. Forfeited nonvested accounts may be used first to reduce expenses of the Plan and also to reduce any employer contribution. During 2024, \$17,461 of the forfeited nonvested accounts were used to reduce employer match contributions.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

The financial statements of the Plan are prepared under the accrual method of accounting.

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

For comparability, the December 31, 2023 amounts have been reclassified, where appropriate, to conform to the financial statement presentation used for 2024.

The Plan's investments are stated at fair value at December 31, 2024. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits are recorded when paid.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit loss has been recorded as of December 31, 2024.

NOTE C - FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") Topic 820 *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical investments and have the highest priority, Level 2 inputs are readily available and observable but the investments are not

CRETE SOLUTIONS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE C - FAIR VALUE MEASUREMENTS (continued)

traded on an active market, and Level 3 inputs have no significant observable market inputs and have the lowest priority.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: These investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at the at price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective trust funds: These investments are stated at fair value based on the net asset value ("NAV") of units held by the Plan at year-end, as calculated by the issuer. The NAV is calculated based on the fair value of the underlying assets owned by the funds, minus its liabilities, divided by the number of outstanding units. The NAV is used as a practical expedient to estimate fair value.

The Plan did not have any significant transfers between Level 1 and Level 2 during the year ended December 31, 2024. The Plan's investments at December 31, 2024 and 2023 are classified as follows:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,479,309	\$ -	\$ -	\$ 1,479,309

Investments at fair value	<u>\$ 1,080,754</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$2,290,111</u>

* Certain investments that are measured at NAV per share (or its equivalent) have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

Investments for which fair value is based on the NAV practical expedient were \$1,300,681 and \$1,209,357 as of December 31, 2024 and 2023, respectively. None of these investments have unfunded commitments. Additionally, units are redeemed on a daily basis, but a five day notice is required for withdraws exceeding \$1,000,000.

NOTE D - INVESTMENTS

All investments of the Plan are participant directed. All investment information disclosed in the accompanying financial statements and schedule including investments held at December 31, 2024, and net appreciation in fair value of investments, interest, dividends and investment expenses for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus Trust Company, trustee of the Plan.

CRETE SOLUTIONS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE E - TAX STATUS

Effective July 15, 2018 the Company adopted the “Ascensus 401(k) Profit Sharing Plan,” which has been approved by the Internal Revenue Service. The IRS has determined and informed the plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable section of the Internal Revenue Code (IRC). The plan was formally amended March 1, 2021. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE G - ADMINISTRATIVE EXPENSES

Administrative expenses associated with plan administration, investment-related expenses and specific plan transactions were paid by the Plan in 2024. As necessary, certain expenses of maintaining the Plan are also paid by the Company.

NOTE H - ERISA BONDING REQUIREMENT

Under ERISA, each fiduciary of the Plan and every person who handles funds or other property of the Plan must be bonded. For 2024, the fidelity bond covering the Plan was \$300,000.

CRETE SOLUTIONS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE I - RELATED PARTY TRANSACTIONS

Fees paid by the Plan to related parties amounted to \$23,884 for the year ended December 31, 2024.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE J – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE K - SUBSEQUENT EVENTS

Management has evaluated the effects subsequent events would have on the financial statements through October 13, 2025, which is the date the financial statements were available to be issued.
