## Independent Auditor's Report

Plan Administrator and Trustee  
Vibrant Technologies, Inc. 401(k) Profit Sharing Plan & Trust

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Vibrant Technologies, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Vibrant Technologies, Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vibrant Technologies, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vibrant Technologies, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vibrant Technologies, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vibrant Technologies, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

**NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

1. Basis of Presentation

The accompanying financial statements of Vibrant Technologies, Inc. 401(k) Profit Sharing Plan & Trust (the Plan) have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

2. Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

As described in the Accounting Standards Codification ("ASC"), 946, *Financial Services – Investment Companies*, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales are recorded on the trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net change in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan presents, in the statement of changes in net assets available for benefits, the net change in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

3. Contributions

Contributions from Plan participants and Employer contributions, if any, are recorded in the year in which the participant contributions are withheld from compensation

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

**NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as incurred. If a participant ceases to make scheduled repayments and the Plan administrator deems the participant note receivable to be in default, the participant note receivable balance is reduced and a benefit payment recorded.

5. Excess Contributions and Earnings Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are reported as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to May 1, 2024.

6. Participant Direction of Investments

Subject to the provisions of the Plan, a participant has the right to direct the investments of the balance in their accounts in the specific investment funds made available by the Plan administrator. At December 31, 2024 and 2023 all investments are participant directed.

7. Payment of Benefits

Benefits are recorded when paid.

8. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**NOTE B – DESCRIPTION OF THE PLAN**

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

**NOTE B – DESCRIPTION OF THE PLAN – CONTINUED**

1. General and Eligibility

The Plan is a defined contribution plan. Substantially all employees of Vibrant Technologies, Inc. and Holland Center, Inc. (collectively, the Employer) are eligible to participate in the Plan after meeting certain requirements. An employee is eligible for participation upon attaining 21 years of age and completion of six months of service.

An eligible employee may become a participant on the next entrance date, which is the on the first day of the Plan year or the first day of the 7th month of the Plan year coinciding with or following the date eligibility requirements are met.

The Employer is responsible for appointing an administrator and trustee for the Plan. The trustee has discretionary powers in executing investment transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The costs of the Plan administration are the responsibility of the Plan.

2. Contributions

The Plan allows participants to contribute up to 100% of annual eligible compensation, as defined by the Plan, subject to limits imposed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans.

The Employer makes a safe harbor matching contribution equal to 100% of the first 3% plus 50% of the next 2% of the employee deferral. The safe harbor matching contribution is applied based on eligible employee earnings for the entire Plan year. Employer safe harbor contributions totaled approximately \$204,000 during the year ended December 31, 2024. The Employer may also make a non-elective contribution to the Plan. The non-elective contribution is at the discretion of the Employer. Non-elective contributions are allocated to all participants based on the participant's compensation as compared to the total compensation of all participants. During the year ended December 31, 2024, there were no non-elective contributions.

3. Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Employer's safe harbor matching contribution, (b) the Employer's non-elective contribution, and (c) investment income or loss on investments less administrative expenses. Allocations are based on participant compensation or account balances, as defined.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

**NOTE B – DESCRIPTION OF THE PLAN - CONTINUED**

3. Participant Accounts - Continued

Changes in a participant's deferral percentage for future contributions may be made at any time during the Plan year. Reallocation of participant investment accounts among the investment options may be made at any time during the Plan year.

4. Vesting

Participants immediately vest in their employee and the Employer's qualified non-elective contributions. Participants vest in all Employer discretionary profit-sharing contributions at the rate of 20% per year until the employee is 100% vested after five years of service, as defined by the Plan. A participant is also 100% vested due to reaching normal retirement age, death, or disability. Only whole years of service are calculated for vesting.

5. Payment of Benefits

Upon termination of service due to death, disability, retirement, or termination of the participant's employment, a participant may receive a lump sum distribution equal to the participant's vested account balance. Participants with balances of \$1,000 or less are subject to involuntary lump sum distributions.

6. Notes Receivable from Participants

Loans to participants from a participant's vested balance are permitted up to the lesser of 50 percent of the vested balance or a maximum of \$50,000 for each participant. The minimum note amount is \$500. The loans shall bear a reasonable rate of interest, be adequately secured, and have a definite repayment schedule, generally over a period not to exceed five years unless the loan is for the purchase of the employee's primary residence. Loans used for the purchase of the employee's personal residence may be repaid within a period of no more than 15 years. Principal and interest are paid ratably through payroll deductions.

7. Forfeited Accounts

Forfeited non-vested accounts may be used to defray the cost of administrative expense of the Plan or reduce future Employer discretionary profit-sharing contributions. As of December 31, 2024 and 2023, the balance of unapplied forfeitures of non-vested accounts is approximately \$42 and \$40, respectively. There were no forfeitures used during the year ending December 31, 2024

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

**NOTE B - DESCRIPTION OF THE PLAN - CONTINUED**

8. Risks and Uncertainties

The Plan is comprised of investments in a combination of investment securities. Investment securities are exposed to various risks, such as interest, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE C - INFORMATION PREPARED AND CERTIFIED BY VOYA RETIREMENT AND INSURANCE ANNUITY COMPANY**

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Voya Retirement and Insurance Annuity Company (Voya) as of December 31:

	2024	2023
Investments, at fair value		
Pooled separate accounts	\$ 5,900,073	\$ 5,092,706
Investments, at contract value		
Insurance general account	87,603	365,878
Investment income	835,391	780,571

**NOTE D - FAIR VALUE MEASUREMENTS**

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1     Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

**NOTE D – FAIR VALUE MEASUREMENTS – CONTINUED**

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation method used for assets measured at fair value. There have been no changes in the method used at December 31, 2024 and 2023.

*Pooled separate accounts:* Valued at the net asset value (NAV) as a practical expedient to fair value of the units held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Vibrant Technologies, Inc. 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

**NOTE D – FAIR VALUE MEASUREMENTS - CONTINUED**

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV per share as a practical expedient (or its equivalent) as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Pooled separate accounts		
Fair value	\$ 5,900,073	\$ 5,092,706
Unfunded commitment	\$ -	\$ -
Redemption frequency	Immediate	Immediate
Redemption notice period	None	None

**NOTE E – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The following is the total contract value of each type of fully benefit responsive investment contract (FBRIC) not listed within the fair value hierarchy, as of December 31:

	<u>2024</u>	<u>2023</u>
Guaranteed investment contract	\$ 87,603	\$ 365,878

The Plan provides an investment option issued by Voya Retirement Insurance and Annuity Company (Voya) that simulates the performance of a guaranteed investment contract. Voya maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.00%. The crediting rate is reviewed on an annual basis for resetting. The net crediting interest rate is 1.50% at December 31, 2024.

The contract meets the FBRIC criteria and, therefore, is reported at contract value. Contract value is the relevant measure for a FBRICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations, which may be affected by future economic and regulatory developments.

Vibrant Technologies, Inc. 401(k) Profit Sharing Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

**NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY - CONTINUED**

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

**NOTE F - FEDERAL INCOME TAXES**

The Plan has adopted the Volume Submitter 401k Profit Sharing Plan of Tax Sheltered Compensation (TSC), Inc. The volume submitter sponsor obtained its latest opinion letter dated June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the advisory letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. See Note K for reconcilable differences between the financial statements and the Form 5500 as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue and Regulations, Revenue Rulings, court decisions, and other evidence. The federal income tax returns of the Plan are subject to examination by the IRS generally for three years after they were filed.

**NOTE G - PROHIBITED TRANSACTIONS**

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate employee contributions and loan repayments to the Plan from its general assets as soon as practicable. The Plan has contributions totaling \$251, all of which represented employee salary deferrals, that were not remitted timely. These contributions are considered prohibited transactions. The Employer will calculate lost investment earnings and file Form 5330, as applicable, and expects to compensate the plan for the lost earnings in 2025.

Tax Sheltered Compensation, Inc. is an agent of the Plan and is the third-party administrator.

**NOTE I – ADMINISTRATIVE EXPENSES**

The Plan pays administrative expenses that consist primarily of administrative fees to the trustee. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Employer on behalf of the Plan.

**NOTE J – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to reduce, suspend, or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**NOTE L – SECURE ACT 2.0**

On December 29, 2022, President Biden signed into law the Consolidated Appropriations Act of 2023, which includes the package of retirement provisions referred to as "SECURE Act 2.0". SECURE Act 2.0 contains over 90 new retirement provisions continuing the reforms that began with the 2019 SECURE Act. These provisions have varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. There is no material impact to the Plan's 2024 financial statements.

**NOTE M – SUBSEQUENT EVENTS**

The Employer has evaluated subsequent events through October 4, 2025, the date which the financial statements were available to be issued.
