Report on the Audit of the Combining Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying combining financial statements of Lyngblomsten Care Center, Inc. Employees' Pension Plan and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan (Plans), employee benefit plans subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The combining financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related combining statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lyngblomsten Care Center, Inc. Employees' Pension Plan and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan's combining financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the combining financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Combining Financial Statements section:

- the amounts and disclosures in the combining financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the combining financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Combining Financial Statements section of our report. We are required to be independent of Lyngblomsten Care Center, Inc. Employees' Pension Plan and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Combining Financial Statements

Management is responsible for the preparation and fair presentation of the combining financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the combining financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lyngblomsten Care Center, Inc. Employees' Pension Plan and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan's ability to continue as a going concern for one year after the date that the combining financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the combining financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Combining Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the combining financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Retirement Committee
Lyngblomsten Care Center, Inc. Employees' Pension Plan and
Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combining financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lyngblomsten Care Center, Inc. Employees' Pension Plan and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combining financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lyngblomsten Care Center, Inc. Employees' Pension Plan and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the combining financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters — Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2024 and the supplement schedule of delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the combining financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Retirement Committee
Lyngblomsten Care Center, Inc. Employees' Pension Plan and
Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combining financial statements or to the combining financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of the Lyngblomsten Care Center, Inc. Employees' Pension Plan (Pension Plan) and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan (TDA Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plans' provisions.

Pension Plan

The Pension Plan is a defined contribution money purchase plan established on July 1, 1981, and has been amended and restated throughout the years. The Pension Plan was last restated effective May 15, 2024. Effective the end of business on December 31, 2023, the Plan was amended to freeze the Pension Plan. No further employees will be eligible for the Pension Plan, no future contributions will be made to the Pension Plan, and each participant shall become 100% vested in their employer contribution balances in the Pension Plan. Prior to January 1, 2024, the Pension Plan covered all employees of Lyngblomsten Care Center, Inc. (Employer) who had completed 12 months of service and 1,000 hours and were age 18 or older. Participation began on January 1 or July 1 following completion of the eligibility requirements. It is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Prior to January 1, 2024, the Employer contributed to the Pension Plan 4% of the current eligible compensation for each participant. Participants were required to contribute 2% of compensation under the TDA Plan to be eligible for the Employer contribution to the Pension Plan. In order to share in the Employer contributions, a participant was required to complete 12 months of service. Prior to January 1, 2024, participants could contribute amounts representing distributions from other qualified defined benefit or contribution plans. Contributions were subject to certain limitations. The contributions for 2023 met the minimum funding requirements of ERISA. The minimum funding requirement relates only to the Employer contributions.

Tax Deferred Annuity Plan

The TDA Plan is a defined contribution plan established on January 1, 1987, and has been amended throughout the years. The TDA Plan was last amended and restated January 1, 2024. The TDA Plan is intended to qualify under Section 403(b) of the Internal Revenue Code (IRC). The TDA Plan covers all employees of the Employer immediately upon employment. Effective January 1, 2024, in order to share in the Employer fixed contribution, a participant is required to complete 12 months of service and must be 18 years of age or older.

To the extent participants elect to defer salary reduction or Roth contributions of 2% or more into the TDA, their contributions are matched by an allocation equal to 4% of the current eligible compensation for each participant.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Tax Deferred Annuity Plan (Continued)

Pursuant to Revenue Ruling 80-47, participation in the Pension Plan prior to January 1, 2024 was limited to those employees who elect to defer contributions into the TDA Plan. Participants with 15 years of service are allowed to make qualified employee catch-up deferrals. Participants aged 50 and older are allowed to make catch-up contributions. It is also subject to the ERISA, as amended.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Effective December 31, 2023 with the freeze of the Pension Plan, Employer contributions into the Pension Plan prior to January 1, 2024 became 100% vested. Employer contributions on or after January 1, 2024 into the TDA Plan, plus actual earnings thereon, vest at a rate of 20% per year. A participant is fully vested following the completion of five years of credited service. Notwithstanding the above, participants shall become 100% vested in their account upon attaining normal retirement (age 62), death, or disability.

Participant Accounts

Each participant's account is credited with the participant's contributions, an allocation of the Employer's contribution, and Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. Participants direct the investment of contributions into the various investment options offered under the Plans. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Notes Receivable from Participants

Participants may only borrow from their TDA Plan fund accounts a maximum of \$50,000 or 50% of their TDA account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Benefit Payments

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Unless an optional form of benefit is selected, a married participant's vested account balance will be paid in the form of a qualified joint and survivor annuity, or an unmarried participant's vested account balance will be paid in the form of a life annuity payable on the participant's retirement or termination date, or early retirement if certain conditions are met as stated in the Plans. Optional forms of benefit payments include installments, a lump-sum payment, or partial withdrawals. If a participant terminates employment and the participant's account balance is not greater than \$7,000 (\$5,000 prior to January 1, 2024), the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$7,000 (\$5,000 prior to January 1, 2024), the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name. The TDA Plan allows in-service distributions at age 59½ and for financial hardship subject to Plan provisions.

Forfeitures

Forfeitures are used to reduce Employer contributions. During 2024, forfeitures of \$2,166 were used to reduce Employer contributions in the TDA Plan. During 2023, forfeitures of \$12,019 were used to reduce Employer contributions in the Pension Plan. The forfeited nonvested accounts as of December 31, 2024 and 2023 was \$-0- for both the TDA Plan and the Pension Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The combining financial statements of the Plan are prepared under the accrual basis of accounting.

Because of the close symmetry of the Pension Plan and TDA Plan, the financial statements are presented with combining and combined columnar information. These statements are presented in this format to conform to the certified statements from the insurance company. The supplemental schedules of assets (held at end of year) are presented separately to conform with each Form 5500 filing.

Use of Estimates

The preparation of combining financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the combining financial statements. Estimates also affect the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plans' investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plans' Pension Plan Committee determines the Plans' valuation policies utilizing information provided by the insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plans' gains and losses on investments bought and sold as well as held during the year.

NOTES TO COMBINING FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Delinquent notes receivable are recorded as distributions on the basis of the terms of the TDA Plan document.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plans are paid directly by the Employer and are excluded from these combining financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plans have evaluated subsequent events through October 13, 2025, the date the combining financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

American United Life Insurance Company, the qualified institution of the Plans, has supplied the Plan administrator with certifications as to the completeness and accuracy of the notes receivable from participants and all the investment information reflected on the accompanying combining statements of net assets available for benefits as of December 31, 2024 and 2023, the combining statements of changes in net assets available for benefits for the years then ended, and the supplemental schedules of assets (held at end of year) as of December 31, 2024.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**LYNGBLOMSTEN CARE CENTER, INC. EMPLOYEES' PENSION PLAN AND
LYNGBLOMSTEN CARE CENTER, INC. TAX DEFERRED ANNUITY PLAN
NOTES TO COMBINING FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

Pooled Separate Account – Valued daily at the net asset value (NAV) of units as determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

Insurance Company General Accounts – Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The following tables set forth by level, within the fair value hierarchy, the Plans' assets at fair value as of December 31:

	2024

Total Investments at Fair Value	<u>\$ -</u>	<u>\$ 25,938,607</u>	<u>\$ -</u>	<u>\$ 25,938,607</u>

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plans have deposit contracts with AUL. AUL maintains the contributions in a fixed interest account, a stable value account and pooled separate accounts. The fixed interest account and the stable value account are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Due to the transfer restrictions within the contract, they are not deemed to be fully benefit-responsive and is valued at fair value which is deemed to approximate contract value by AUL.

NOTE 6 RISKS AND UNCERTAINTIES

The Plans provide for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the combining statements of net assets available for benefits.

NOTE 7 PLAN TERMINATION

Although the Employer has not expressed an intent to do so, the Employer has the right under the Plans to discontinue contributions at any time and to terminate the Plans subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 PLAN TAX STATUS

The Pension Plan has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although, the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

The TDA Plan has adopted a volume submitter plan document that has received an opinion letter from the IRS stating that the form of the volume submitter plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the volume submitter plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plans and recognize a tax liability (or asset) if the Plans have taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plans are subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

The investments are held and managed by American United Life Insurance Company, the insurance company. Therefore, these transactions qualify as party-in-interest.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain Plan assets are invested in the Variable Account. This fund is a Pooled Separate Account (PSA) for which AUL serves as the insurance company. The Variable Account, as a PSA, invests in mutual funds of large mutual fund companies. As the sponsor of this PSA, AUL has chosen not to complete and submit an Annual Report (Form 5500) with the Department of Labor as its Sponsor, reporting the investment activity of the PSA as a "direct filing entity" (DFE) for the Plan year. Therefore, the Plans' interest in the Variable Account will not be reported as an interest in a PSA in the Plans' Annual Return/Reports (Form 5500) prepared and submitted for the subject audit years. Accordingly, the combining financial statements for the Plans reflect its representative value in the PSA.
