## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Red Dot Employee Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Red Dot Employee Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Red Dot Employee Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Red Dot Employee Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Red Dot Employee Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Red Dot Employee Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DECEMBER 31, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Red Dot Employee Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**GENERAL**

The Plan is a defined contribution plan covering employees of Red Dot LLC, formerly Red Dot Corporation, (the Company), who have attained age twenty-one. Employees of the Company are eligible to make deferrals in the Plan on the 1<sup>st</sup> of each month on or after meeting age and service requirements. Participants are eligible for Company contributions after 1 year of service in which they worked 1,000 hours. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (ERISA).

**CONTRIBUTIONS**

Participants may elect to contribute up to 100% of compensation, as defined by the Plan, not to exceed maximum limitations imposed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified plans (rollovers). Participants are also permitted to make Roth 401(k) deferrals.

Participants direct the investment of their contributions into various investment options offered by the Plan. Effective January 1, 2020, the Plan was amended to be a Safe Harbor plan. Under the amended plan, the Company will make safe harbor matching contributions of 100% of elective deferrals that do not exceed 4% of compensation. The Company may also make a discretionary matching contribution. The discretionary additional matching contribution will not apply as to elective deferrals exceeding 6% of compensation. The total amount of this discretionary additional matching contribution will not exceed 4% of compensation. In addition, the Company may make a discretionary nonelective contribution. In order to receive the safe harbor match, discretionary additional match, and discretionary nonelective contribution, participants must have worked 1,000 hours and be employed on the last day of the Plan year. During the year ended December 31, 2024, no discretionary additional matching or discretionary nonelective contributions were made.

**PARTICIPANT ACCOUNTS**

Each participant's account is credited with the participant's contributions and the Company's matching and discretionary nonelective contributions. Allocations of Plan earnings and administrative expenses are based on participant account balances as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**VESTING**

Participants are immediately vested in their contributions and the safe harbor matching contributions. Vesting in the Company's additional matching contributions and nonelective contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>% Vested</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants become 100% vested upon death, disability, or retirement.

**NOTES RECEIVABLE FROM PARTICIPANTS**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's vested account and bear a reasonable rate of interest as determined by the Plan Administrator based on prevailing interest rates. The number of outstanding loans per participant is limited to three. Principal and interest is paid ratably through payroll deductions.

**PAYMENT OF BENEFITS**

On termination of service due to death, disability, normal retirement age, and other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or installments. Hardship distributions are allowed. In-service distributions are permitted from vested accounts based on certain Plan provisions. Participants can elect to receive their distributions either in cash or as a direct rollover to another tax-qualified plan.

**FORFEITED ACCOUNTS**

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$539 and \$528, respectively. Forfeitures may be used to pay administrative fees or reduce discretionary employer contributions. During the plan year ending December 31, 2024, there were no forfeitures used.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**USE OF ESTIMATES**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**BASIS OF ACCOUNTING**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**INVESTMENT VALUATION AND INCOME RECOGNITION**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance plus unpaid interest. Delinquent participant notes receivable are reclassified as distributions based upon terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

**PAYMENT OF BENEFITS**

Benefits are recorded when paid.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

**ADMINISTRATIVE EXPENSES**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Fees related to the administration of distributions from participants are charged directly to the participant's account and are included in benefits paid to participants. Investment-related expenses are included in net investment appreciation of fair value of investments.

**SUBSEQUENT EVENTS**

Plan Management has evaluated subsequent events through October 8, 2025, which is the date the financial statements were available to be issued.

**NOTE 3 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lower priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	<p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none"> <li>• Quoted prices for similar assets or liabilities in active markets;</li> <li>• Quoted prices for identical or similar assets or liabilities in inactive markets;</li> <li>• Inputs other than quoted prices that are observable for the asset or liability;</li> <li>• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li> </ul> <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p>
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

*Money market funds:* Valued at the per unit price as quoted by the financial institution and classified as interest bearing cash.

*Common stock:* Valued at exchange quoted market prices on the last business day of the Plan year.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds are held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN AND TRUSTEE**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2024, was obtained from data that has been prepared and certified as complete and accurate by Charles Schwab Trust Bank, the custodian, and the Wealth Management Division of Texas Bank and Trust Company, as trustee of the Plan.

	2024	2023
Noninterest bearing cash	\$ 34,353	\$ 44,344
Investments at fair value:		
Interest bearing cash	\$ 40,322	\$ 36,779

Mutual funds	10,893,085	10,280,067
	\$ 12,268,261	\$ 10,521,441
Notes receivable from participants	\$ 209,169	\$ 181,618
Investment income (including interest on participant loans)	\$ 2,077,020	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

**NOTE 5 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

**RED DOT EMPLOYEE RETIREMENT PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023  
CONTINUED**

**NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS**

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are invested in cash accounts managed by the trustee. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE 7 - TAX STATUS**

The Plan Sponsor has adopted a prototype non-standardized profit-sharing plan which received a favorable opinion letter from the Internal Revenue Service (IRS) that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code (IRC). The Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits in progress for any tax periods.

**NOTE 8 - RISKS AND UNCERTAINTIES**

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 9 - RECONCILIATION OF THE FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500**

The following schedule reconciles total additions and total deductions per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2024.

Total additions to net assets per the financial statements	\$ 3,533,363
Prior year overmatch allocated in the current year	19,420
Total additions to net assets per Schedule H of Form 5500	\$ 3,552,783
Total deductions from net assets per the financial statements	\$ 1,731,898
Prior year overmatch allocated in the current year	19,420
Total deductions from net assets per Schedule H of Form 5500	\$ 1,751,318

**NOTE 10 - DELINQUENT PARTICIPANT CONTRIBUTIONS**

During the Plan year ending December 31, 2024 and 2023, participant contributions totaling \$10,812 and \$2,641, respectively, were not remitted to the Plan on a timely basis. Delinquent participant contributions from 2024 and 2023 were corrected in the current Plan year.
