## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the  
Alliance Material Handling, Inc. 401(k) Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the Alliance Material Handling, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Alliance Material Handling, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance Material Handling, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Alliance Material Handling, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance Material Handling, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

# ALLIANCE MATERIAL HANDLING, INC. 401(k) PLAN

## Notes to the Financial Statements As of December 31, 2024 and 2023 and For the Year Ended December 31, 2024

---

### 1. DESCRIPTION OF THE PLAN

The following description of the Alliance Material Handling, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan established by Alliance Material Handling, Inc. (the Company) effective January 1, 1988. The Plan covers all employees of the Company. Employees are eligible to participate in the Plan on the first day of the month following their date of hire. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Effective November 1, 2022, Valley Industrial Trucks, Inc. (VIT) was acquired by the Company and became a wholly owned subsidiary of the Company. As part of the acquisition, the Company also acquired and maintained the Valley Industrial Trucks, Inc. 401(k) Profit Sharing Plan (the VIT Plan). Effective December 19, 2023, the Plan was amended to add VIT as a participating employer of the Plan. On December 28, 2023, the majority of the VIT Plan's assets were transferred to the Plan, totaling \$3,856,921. In January 2024, the remaining VIT Plan assets totaling \$41,483 were transferred to the Plan, and the VIT Plan ceased to exist.

#### Participant Contributions

Participants may contribute up to 100% of their pre-tax annual compensation, as defined by the Plan. Participant pre-tax contributions are subject to Internal Revenue Code (the Code) limits, which totaled \$23,000 for the year ended December 31, 2024. Newly eligible employees are automatically enrolled in the Plan. Unless a participant elects not to participate in the Plan or contribute a different percentage, the participant will automatically be enrolled at 6% of pre-tax compensation, with automatic escalation of 1% annually on January 1 of each year up to a maximum of 10%. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to the limitations imposed by the Code, which totaled \$7,500 for the year ended December 31, 2024. Participants may also contribute Roth elective contributions. A participant's Roth elective contributions are allocated to a separate account maintained for such contributions. Roth elective contributions are treated as elective contributions for all purposes under the Plan. Participants are permitted to make rollover contributions to the Plan.

**1. DESCRIPTION OF THE PLAN – cont’d.**

**Company Contributions**

The Plan provides for discretionary Company matching contributions equal to a percentage of the participant’s applicable compensation for each payroll period, as defined by the Plan. The Company’s contributions are calculated and submitted each payroll period and are invested in the same manner as those directed by the participant. Subject to statutory limitations, the Company will match 50% of the elective contributions made by the participants, not to exceed 4% of such participant’s compensation. Company matching contributions totaled \$302,072, net of forfeitures of \$22,310, during the year ended December 31, 2024.

The Plan also allows for discretionary Company profit sharing contributions. Participants must be credited with at least 1,000 hours of service in the Plan year and be employed on the last day of the Plan year to receive discretionary Company profit sharing contributions. No discretionary profit sharing contributions were made to the Plan for the year ended December 31, 2024.

**Participant Accounts**

Each participant's account is participant-directed and credited with the participant, Company, and rollover contributions, withdrawals, and allocations of (a) Plan earnings and (b) administrative expenses. Any earnings, losses, and administrative expenses are allocated to participant accounts based upon the investments selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

**Vesting**

Participants are immediately vested in their contributions, qualified nonelective contributions and rollover contributions plus earnings thereon. Participants are vested in Company contributions and earnings thereon based on years of service, as defined by the Plan, according to the following schedule:

| Years of Service | Percentage Vested |
|------------------|-------------------|
| Less than 3      | 0%                |
| 3 or more        | 100%              |

Participants become 100% vested in Company contributions and earnings thereon on or after the date the participant reaches normal retirement age or early retirement age. The vesting percentage for a participant who is an employee on the date he or she dies or the date he or she becomes disabled shall be 100%. The vesting percentage shall also be 100% for a participant who dies or becomes disabled while performing qualified military service. For purposes of this paragraph, disabled means the disability is subsequently determined to meet the definition of totally disabled.

## Notes to the Financial Statements As of December 31, 2024 and 2023 and For the Year Ended December 31, 2024

---

### 1. DESCRIPTION OF THE PLAN – cont'd.

#### **Forfeitures**

Forfeitures of Company contributions may be used to reduce future Company contributions or pay administrative expenses, in accordance with the Plan agreement. There were \$13 and \$0 of forfeitures available to be used as of December 31, 2024 and 2023, respectively. Forfeitures used to offset Company contributions totaled \$22,310 during the year ended December 31, 2024.

#### **Payment of Benefits**

Upon termination of service, retirement, death, or disability or attainment of age 59 ½, a participant or their beneficiary, in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If a participant's vested account balance upon termination is less than \$5,000 and no distribution election is made by the participant, the balance may be distributed at any time without participant consent. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½.

As of December 31, 2024 and 2023, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not received such distributions prior to year-end.

#### **Notes Receivable from Participants**

Prior to the merger of the VIT Plan into the Plan, the VIT Plan permitted participants to borrow from their vested account balances, resulting in outstanding notes receivable from participants. In connection with the merger, in January 2024 the VIT Plan's outstanding notes receivable from participants were transferred to the Plan at their carrying value as of the merger date. The Plan does not permit participants to borrow from their account balances and was not amended as a result of the merger to allow new notes receivable from participants. The transferred notes receivable from participants, which totaled \$22,471 as of December 31, 2024, will continue to be repaid in accordance with their original terms, with note repayments occurring each pay period with interest based on rates comparable to those offered by financial institutions at the time of loan origination. Notes, except for those used for the purchase of a primary residence, must be paid back within five years. Notes used for the purchase of a primary residence must be paid back within ten years.

#### **Administrative Expenses**

Administrative expenses are paid with assets of the Plan, unless paid by the Company, at its discretion. Fees related to the administration of benefit payments are charged directly to participant accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the Custodians.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Risks and Uncertainties**

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur that materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**Fair Value Measurement**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

*Interests in registered investment companies:* Valued at the closing price reported in the active market in which the funds are traded.

*Interests in pooled separate accounts:* Valued using the net asset value (NAV) practical expedient of the pooled separate accounts as provided by the issuer. The NAV practical expedient is based on the value of the underlying assets owned by the fund, less its liabilities, and divided by the number of units outstanding.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

#### Fair Value Measurement – cont’d.

*Interest in common/collective trust (CCT):* Valued using the NAV practical expedient of the CCT as provided by the CCT managers. The NAV practical expedient is based on the value of the underlying assets owned by the fund, less its liabilities, and divided by the number of units outstanding.

*Interest in stable value collective trust:* Valued at net asset value (NAV) as determined by the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024:

**3. INVESTMENTS**

All investment data contained in the accompanying financial statements and supplemental schedules, including assets held as of December 31, 2024 and 2023, interest and dividend income and net realized and unrealized appreciation in fair value of investments for the year ended December 31, 2024 was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by Principal Global Investors Trust Company, Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the Custodians of the Plan.

**4. PARTY-IN-INTEREST TRANSACTIONS**

Plan assets include investments managed by the Custodians of the Plan. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

**5. INCOME TAX STATUS**

The Plan adopted a pre-approved plan with a deferral arrangement, which received a favorable opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS).

The Plan has been amended since receiving the opinion letter, however the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements.

The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2024 and 2023.

**5. INCOME TAX STATUS – cont’d.**

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, Economic and Security (CARES) Act in order to help the United States economy and workers affected by COVID-19. The CARES Act includes numerous provisions related to retirement plans. Subsequent to the passage of the CARES Act, the Plan adopted numerous CARES Act provisions to allow for COVID-19 penalty-free distributions for qualified individuals up to \$100,000 through December 31, 2020, and to provide a temporary waiver of required minimum distributions required to be paid in 2020. As of the report date, the Plan has not been formerly amended for these provisions but plans to amend the Plan prior to the deadline of December 31, 2025.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any tax periods in progress.

**6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, affected participants will become 100% vested in their accounts.

**7. RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500**
