Independent Auditor's Report

To The Trustees
Oliff PLC Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Oliff PLC Profit Sharing Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Oliff PLC Profit Sharing Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Oliff PLC Profit Sharing Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To The Trustees
Oliff PLC Profit Sharing Plan

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Oliff PLC Profit Sharing Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Oliff PLC Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Oliff PLC Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

To The Trustees
Oliff PLC Profit Sharing Plan

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter -- Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Oliff PLC Profit Sharing Plan

Notes to Financial Statements December 31, 2024 and 2023

1. Description of plan

The following description of the Oliff PLC Profit Sharing Plan (the Plan) provides only general information. The Plan agreement and summary plan description should be referred to for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Oliff PLC (the Company) who have attained age twenty-one and have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and funding

Each year, participants may contribute up to the lesser of one hundred percent (100%) of pretax annual compensation or the maximum applicable amount defined by law, as defined in the Plan. Effective August 1, 2023, participants may make after tax (Roth) contributions. Participants age 50 or older may make additional catch up contributions as defined by law. Participants may also contribute amounts representing distributions from other qualified retirement plans. The Company contributes to the Plan the total salary reduction elections of all participants within the time period required by Department of Labor regulations.

A discretionary amount funded according to Internal Revenue Service regulation to be deductible for purposes of federal income tax, may be contributed by the Company on behalf of the participants. Each participant constitutes a separate group. For the years ended December 31, 2024 and 2023, the employer contribution consisted of the 3% top heavy minimum contribution, respectively.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) investment earnings, net of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant accounts are one hundred percent (100%) vested at all times.

Investment options

Upon enrollment in the Plan, a participant may direct the Trustee to invest all of his or her accounts in specific assets, specific funds or other investments permitted under the Plan and the Participant Direction Procedures.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive his/her vested account balance in a lump-sum or annuity payments or roll the account balance to an individual retirement account or to another employer's tax qualified plan. Vested account balances less than \$5,000, excluding rollovers, will be automatically rolled over to an IRA. Benefits are recorded when paid.

Notes receivable from participants

Participant may borrow from their fund accounts up to a maximum equal to the lesser of 50% of the participant's vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime interest rate. Principal and interest is paid ratably through payroll deductions.

Oliff PLC Profit Sharing Plan

Notes to Financial Statements December 31, 2024 and 2023

2. Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

The Plan's investments are stated at fair value. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gain and losses on investments bought and sold as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Trustees to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions receivable and allowance for credit loss

Contributions receivable from participants are recognized in the period the participant's contribution is withheld, generally on the respective pay date. Contributions receivable related to employer contributions are based on the year to which the contribution is attributed. At Plan year end, management performs an assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant. If necessary, an allowance is established for expected credit losses to be recognized over the life of the receivable. Any allowance for credit losses is charged to change in net assets available for plan benefits in the period the receivable is recorded and revised in subsequent periods to reflect changes in management's estimate of expected credit losses. As of December 31, 2024 and 2023, no allowance for credit loss was considered necessary.

Notes receivable from participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

Benefits payable to participants

Benefits payable to participants as of December 31, 2024 consists of returned uncashed checks.

Administrative expenses

Costs and expenses of administering the Plan include ongoing administrative services, such as plan recordkeeping and custodial services, as well as customer service. A portion of these services are paid from the Plan's investments. Additional amounts required to cover the plan administrative expenses are assessed equally per participant on a quarterly basis. Administrative costs for the year ended December 31, 2024 consisted with \$123,793 of administrative fees, \$11,193 of quarterly administrative fees, and \$1,875 of withdrawal fees. Administrative costs for the year ended December 31, 2023 consisted with \$111,216 of administrative fees, \$11,320 of quarterly administrative fees, and \$2,850 of withdrawal fees. Additional costs of administering the Plan are paid by the Plan sponsor.

3. Information prepared and certified by the custodian

The plan administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Accordingly, as permitted under such election, the investment information certified by Capital Bank and Trust Company was not audited by the independent auditors except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

See Independent Auditor's Report.

- d) Interest income on notes receivable from participants as shown in the accompanying statements of changes in net assets available for benefits of \$9,236 and \$178 for the years ended December 31, 2024 and 2023, respectively.
- e) All investments-related information in the accompanying supplemental Schedule H, Line 4i-Schedule of Assets (Held At End of Year) as of December 31, 2024.

4. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon the full termination of the Plan, the distribution of assets shall be made in accordance with the Plan's provision regarding payment of benefits and may be made in either cash or property.

5. Tax status

The Plan is based on a volume submitter profit sharing plan which obtained its latest determination letter on November 30, 2020, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. The Trustees believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Trustees believe it is no longer subject to income tax examinations for years prior to 2021.

6. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Fair value measurements

The Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Notes to Financial Statements December 31, 2024 and 2023

Registered investment companies (mutual funds) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at fair value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 87,138,244	\$ -	\$ -	\$ 87,138,244
Total	\$ 87,138,244	\$ -	\$ -	\$ 87,138,244

	Assets at fair value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 82,431,402	\$ -	\$ -	\$ 82,431,402
Total	\$ 82,431,402	\$ -	\$ -	\$ 82,431,402

8. Related party transactions

The Plan's assets were invested in funds managed by American Funds, part of Capital Group. Capital Bank and Trust, also part of Capital Group, was the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan investments have internal expenses that compensate American Funds.

9. Reconciliation of financial statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024:

Net assets available for benefits per the financial statements	\$ 87,941,871
Liability for returned uncashed benefit payments to participants	<u>1,335</u>
Net assets available for benefits per the Form 5500	<u>\$ 87,943,206</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024:

Change in net assets available for benefits per the financial statements	\$ 5,097,318
Returned uncashed benefit payments to participants	<u>1,335</u>
Change in net assets available for benefits per the Form 5500	<u>\$ 5,098,653</u>

10. Subsequent events

The Trustees assessed events occurring subsequent to December 31, 2024 through October 10, 2025, the date the financial statements were available to be issued, for potential recognition and disclosure in the financial statements. No events have occurred that would require adjustment to or disclosure in the financial statements.
