In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boys and Girls Club of Truckee Meadows Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys and Girls Club of Truckee Meadows Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boys and Girls Club of Truckee Meadows Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys and Girls Club of Truckee Meadows Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters - Supplemental Schedules Required by ERISA**

The supplemental schedules of assets held for investment at year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following brief description of the Boys and Girls Club of Truckee Meadows Pension Plan Sharing Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan’s Summary Plan Description, Adoption Agreement and Master Plan Document for more complete information.

**General**

The Plan is a defined contribution plan covering all employees of the Boys and Girls Club of Truckee Meadows (“the Employer”) who meet Plan eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(k) of the Internal Revenue Code.

**Eligibility**

Employees are eligible to participant in the plan a on the Entry Date following the attainment of age 21 and the completion of one year of service. Dates of entry for the plan are January 1<sup>st</sup> and July 1<sup>st</sup> of the plan year.

**Contributions**

The plan is a Money Purchase Pension Plan and the Employer will contribute an amount equal to 7% of the eligible Participants Plan Compensation as of the Anniversary Date for the plan year. There are no employee contributions allowed in this plan, other than rollover contributions allowed from qualified plans or IRA’s.

**Participant accounts**

Each participant’s account is credited with the employer’s contribution and allocation of Plan earnings and rollover contributions, if applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account and adjusted for the year of vesting the participant has achieved. The plan allows for rollover contributions.

**Vesting**

The participants are vested in Employer contributions based on the number of years of service. Participants become 20% vested each year for participation years two through six. Participants who have rollover funds are always 100% vested in those accounts.

**NOTE 1: DESCRIPTION OF PLAN - contined**

**Benefit Payments**

On termination of service, retirement, permanent disability or death, a participant or their beneficiary will receive a lump-sum distribution equal to the value of his or her account, pending they have elected the annuity waiver made under Article VII, Section 7.05, of the Master Trust Document regarding distributions and annuities.

**Forfeited Accounts**

At December 31, 2024, the forfeiture account balance was \$758. Forfeitures are used to reduce employer contributions in accordance with provisions of the Plan. The forfeitures used to reduce employer contributions for the year then ended December 31, 2024 and 2023 are \$50,306 and \$66,808 respectively.

**Loans to Participants**

Loans are not allowed in this plan.

**Administrative Expenses**

Administrative expenses related to the Plan as a whole are paid by the employer. Fees charged to administer individual accounts are paid out of those account balances. Administrative fees charged to individual accounts amounted to \$12,035 and \$11,544 for the years ended December 31, 2024 and 2023, respectively.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Method of Accounting**

The financial statements are prepared using the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value.

**Valuation of Investments**

Investments in mutual funds and collective investment trusts are reported at the values reported to the Plan by Charles Schwab Bank, which represents approximate fair value. The market volatility of equity-based investments is expected to substantially impact the value of such

investments at any given time. It is likely the value of the Plan's investments, both in total and in individual participant accounts, has changed since December 31, 2024.

**Cash Equivalents**

Cash equivalents are considered to be short-term, highly liquid investments with original maturities of three months or less

**Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements and supplemental schedule. The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's concentration of credit risk and market risk is dictated by the Plan's provisions as well as those of ERISA and the participant's investment preferences.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for disclosures about fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of benefits**

Benefits are recorded when paid.

**NOTE 3: INFORMATION CERTIFIED BY CHARLES SCHWAB BANK**

Investment information disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2024 and 2023, net appreciation in fair value of investments, and interest income for the year ended December 31, 2024 and 2023, was obtained and derived from information supplied to the Plan Administrator and certified complete and accurate by Charles Schwab Bank. Accordingly, as permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the certified information, except for comparing such information certified by Charles Schwab Bank with information included in the Plan's financial statements and supplemental schedule.

During 2024, the plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in the value of \$297,865.

**NOTE 4: FAIR VALUE OF FINANCIAL INSTRUMENTS**

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**BOYS AND GIRLS CLUB OF TRUCKEE MEADOWS  
PENSION PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS THEN ENDED DECEMBER 31, 2024 AND 2023  
(See Independent Auditor's Report)**

**NOTE 4: FAIR VALUE OF FINANCIAL INSTRUMENTS- continued**

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The inputs or methodologies used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net assets value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**NOTE 4: FAIR VALUE OF FINANCIAL INSTRUMENTS- continued**

Collective Investment Trusts: Valued at NAV of units of the bank collective trust. NAV is readily determined fair value and is the basis for current transactions.

The following tables present information about the Plan's assets measured at fair value on a recurring basis as of December 31, 2024 and 2023:

		Fair Value Measurements at December 31, 2024

**NOTE 5: SIGNIFICANT CONCENTRATIONS OF CREDIT RISK**

During 2024, the Plan held 100% of its investments with Charles Schwab Bank.

**NOTE 6: CONTRIBUTIONS RECEIVABLE**

At December 31, 2024 and 2023, \$98,117 and \$97,828 in total employer contributions were owed to the Plan. The 2024 contribution receivable was paid in full on February 19, 2025. The contributions are calculated on a quarterly basis and generally funded as such. The contribution receivable for year end will be the final quarter allocation less forfeitures to be applied for that quarter and, including any adjustments.

**NOTE 7: PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investment are funds managed by Charles Schwab Bank. Charles Schwab Bank is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA. Fees paid by the Plan for Charles Schwab contract administration fees amounted to \$12,035 and \$11,544 for the years ended December 31, 2024 and 2023, respectively.

**NOTE 8: ADMINISTRATION OF PLAN ASSETS**

The Company's contributions are held and managed by the Plan's custodian, who invests cash received, principal, and interest collected as directed by participants. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the plan. Administrative expenses for legal and accounting services are paid directly by the Company.

**NOTE 9: INCOME TAX STATUS**

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.
