## **Independent Auditor's Report**

To the Trustees

Knox County Association for Remarkable Citizens, Inc. 403(b) Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Knox County Association for Remarkable Citizens, Inc. 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Knox County Association for Remarkable Citizens, Inc. 403(b) Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Knox County Association for Remarkable Citizens, Inc. 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Knox County Association for Remarkable Citizens, Inc. 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Knox County Association for Remarkable Citizens, Inc. 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Knox County Association for Remarkable Citizens, Inc. 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Other Matter-Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule of Assets Held at End of Year, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived

from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than the agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to our derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Note 1 –Summary of Significant Accounting Policies**

The significant accounting policies followed by the Plan are summarized below.

*Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

*Use of Estimates*

The Plan administrator uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and the reported additions to and deductions from net assets. Actual results could vary from the estimates that were assumed in preparing the financial statements.

*Investments Valuation and Income Recognition*

Quoted market prices, if available, are used to value mutual fund investments. Pooled separate accounts are valued at fair value based on the net asset values as provided by the custodian utilizing quoted market prices of the underlying mutual funds on the last business day of the Plan year. Non fully benefit-responsive investment contracts are reported at contract value, which approximates fair value. Fully benefit-responsive investment contracts are reported at contract value.

Unrealized appreciation and depreciation in the fair value of investments held at year-end and realized gains and losses on sales of investments during the year are determined using the beginning of the year fair value or purchase price if acquired subsequent to that date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

*Payment of Benefits*

Benefits are recorded when paid.

*Administrative costs*

The administrative costs charged to the Plan are paid by the Plan or the Plan Sponsor at the Plan Sponsor's discretion. Investment-related expenses are included in net appreciation in fair value of investments.

*Subsequent events*

The Plan's management has evaluated the financial statements for subsequent events occurring through August 29, 2025, the date the financial statements were available to be issued.

**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**Note 2 – Description of Plan**

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a single-employer, defined contribution plan sponsored by Knox County Association for Remarkable Citizens, Inc. (Plan Sponsor) for the benefit of eligible employees. The Plan is a defined contribution plan covering all employees of Knox County Association for Remarkable Citizens, Inc. immediately upon hire. Any employee of Knox County Association for Remarkable Citizens, Inc. who has attained the age of 21 and has completed 2 years of service with 1,000 hours of work each of those years will be eligible for employer contributions on the first day of the Plan Year or the first day of the seventh month of the Plan Year are eligible to receive employer contributions.

Pursuant to final DOL regulations, a plan document was adopted effective July 1, 2016. The plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA).

Contributions

Employees can elect to defer up to 100% of their annual compensation, subject to a maximum amount determined by the Internal Revenue Service. In addition, the Plan Sponsor makes monthly non-discretionary contributions to the Plan of 6% of compensation.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their combined vested account balance. Each participant may have only one outstanding note at a time. The notes receivable from participants are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through payroll deductions. All notes receivable must be repaid within five years except in the case of a note for the purpose of acquiring a home.

Vesting

Under the Plan, employee and employer contributions are 100% vested at the time of contribution.

Payment of Benefits

Generally, in the event of retirement, disability or death, a participant's balance may be withdrawn. In-service distributions are also permitted under certain circumstances as provided in the Plan document. An employee who terminates employment prior to normal retirement date is entitled to the benefits in his or her individual account. Distributions may be made in the form of lump-sum payments or in the form of a series of installment payments.

**December 31, 2024 and 2023**

**Note 2 – Description of Plan (continued)**

Participant Accounts

The Plan maintains participant-directed investment accounts on behalf of each participant. A participant's account is credited with the participant's contributions, Plan Sponsor contributions, and investment earnings based on the investment options elected. Benefits to which a participant is entitled is the benefit that can be provided by participant's vested account.

Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**Note 3 - Fair Value Measurements**

A framework for measuring fair value has been established under generally accepted accounting principles. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to valuation methodologies include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**Knox County Association for Remarkable Citizens, Inc. 403(b) Retirement Plan**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**Note 3 - Fair Value Measurements (continued)**

Following is a description of the valuation methodologies used for assets at fair value.

Mutual funds – Valued at the daily closing net asset value as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Other Registered Investments – The units held in registered investments are valued at the NAV. The NAV is used as a practical expedient to estimate fair value. The NAV of the other registered investments is published on an exchange, but these investments are not publicly traded. The NAV is measured based on the fair value of the underlying investments held by the fund less its liabilities. The fair value of the underlying investments is determined using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing. Money market account holdings are generally valued at amortized cost. On a daily basis, units in the registered investments are revalued to reflect the performance of the underlying investments, minus any fees and charges.

Pooled Separate Accounts – Valued at net asset value (“NAV”) based on the fair market value of the underlying investments of the account less its liabilities. The net asset value (NAV), is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the fund, the investment advisor reserves the right to temporarily delay withdrawal in order to ensure the securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments.

Fixed Annuity Contracts – Non-benefit responsive – Valued at fair value, which is determined using a discounted cash flow model and is estimated to be the same as contract value. The insurance company uses a variety of factors including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings. The contract value equals the accumulated cash contributions and interest credited to the Plan’s contracts, less withdrawals. The fixed annuity contracts are not available for sale or transfer on any exchange and are subject to various restrictions.

**Knox County Association for Remarkable Citizens, Inc. 403(b) Retirement Plan**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**Note 3 - Fair Value Measurements (continued)**

Investments measured at the NAV as a practical expedient are summarized as follows:

	Fair Value December 31, 2024	Fair Value December 31, 2023	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
(a) Multi-Asset	\$ 231,366	\$ 209,297	\$ -	Daily	None
(b) Equities	1,382,954	1,337,572	-	Daily	None
(c) Fixed Income	87,627	85,421	-	Daily	None
(d) Indexed Equities	103,072	135,192	-	Daily	None
(e) Money Market	58,316	69,108	-	Daily	None
(f) Real Estate	115,564	118,617	-	Quarterly	10-60 Days
<b>Total</b>	<b>\$ 1,978,899</b>	<b>\$ 1,955,207</b>	<b>\$ -</b>		

The investment objectives for the other registered investments measured using the net asset or unit value are as follows:

- a. Multi-Asset – To invest in domestic and foreign stocks, bonds, and other equity securities of companies that meet certain social criteria including specified environmental, social, and governance criteria.
- b. Equities – To invest in a broad diversified portfolio of foreign and domestic common stocks to meet a specified favorable long-term rate of return.
- c. Fixed Income – To invest in a broad range of fixed income securities with high income yields, returns that outpace inflation, or returns that are designed to track a specified inflation index.
- d. Indexed Equities – To invest in a diversified group of common stock publicly traded in the United States, designed to replicate the return of a broad stock market index.
- e. Money Market – To invest in short-term securities or instruments that present minimal credit risk to provide liquidity and preserve capital.
- f. Real Estate – The investment objective of the TIAA Real Estate Account is to seek long-term returns primarily through rental income and appreciation of real estate owned by the account.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 4 – Tax Status**

Since the Plan is maintained under IRC Section 403(b), rather than Section 401(a), there is no IRS program pursuant to which an individual determination letter can be obtained for the Plan. Although the Plan has not received a favorable determination letter, Plan management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**Note 4 – Tax Status (continued)**

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**Note 5 – Party-In-Interest Transactions**

Certain plan investments are managed by TIAA. TIAA is the custodian as defined by the Plan and, therefore, these investments and investment transactions qualify as exempt party-in-interest transactions. Plan audit and accounting fees are paid by the employer/plan sponsor. Certain administrative functions are performed by officers and employees of the Plan Sponsor. These employees are also Plan participants. No such officers or employees received compensation from the Plan.

**Note 6 – Fixed Annuity Contracts**

Fixed annuity contracts consist of investment options available to participants known as the TIAA Traditional Annuity Contracts (“Annuity”). Annuity contracts are established between the participants and Teachers Insurance and Annuity Association (“TIAA”), an insurance company registered in the state of New York. This investment option is offered in a variety of formats, including Retirement Choice (“RC”) and Retirement Choice Plus (“RCP”). The return of the Annuity contributions plus interest to participants is subject to TIAA’s claims-paying ability.

Annuity accounts are credited with a guaranteed minimum rate of interest that is determined annually. Participants may also earn interest in addition to the guaranteed rate at the discretion of TIAA. Such discretionary interest, if any, is declared by TIAA on a year-by-year basis and remains in effect for the subsequent twelve-month “declaration year”.

Contributions to the Annuity accounts are grouped by TIAA into “vintages” comprised of premiums received over defined time periods of one or more contiguous calendar months. The interest crediting rate for each vintage is determined, in part, by the net investment earnings rate of the TIAA assets supporting that vintage, minus a charge for administrative expenses and an amount set aside for contingency reserves. Crediting rates are also determined by the performance of investments contained in TIAA’s general account.
