INDEPENDENT AUDITOR'S REPORT

Plan Administrator
JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust
Bridgewater, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i--schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A--DESCRIPTION OF PLAN

The following description of the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of JAG-ONE Intermediate Holdings LLC (collectively, "the Employer" and "Plan Administrator"), and certain affiliated companies: JAG Physical Therapy, L.L.C.; JAG-ATC, LLC; One on One Physical Therapy, LLC; PT Administrative Services LLC, and Sleepy Hollow Physical Therapy LLP. Eligibility requirements include a minimum age of twenty-one years and a minimum service period of twelve months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions: The Plan provides for an employee elective pre-tax and Roth contributions with an Employer Safe Harbor matching provision. Plan participants may make contributions up to 100% of their annual compensation, as defined by the Plan, not to exceed the Federal statutory maximum. The Employer Safe Harbor matching contribution is 100% of the first 3% of participant compensation deferred, and a further 50% on the next 2% of participant compensation deferred during the Plan year, up to the Internal Revenue Service limits.

The Plan document allows for additional discretionary matching and non-elective Employer contributions. No discretionary or non-elective contributions were made by the Employer during the year ended December 31, 2024.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution (if any) and Plan earnings. The participant's account is also charged with an allocation of certain expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments of employee and employer contributions are participant directed. Participants may change their investment options daily.

Vesting and Forfeitures: Participants are immediately vested in their contributions, rollover contributions, safe harbor matching employer contributions, qualified non-elective contributions and any earnings thereon. Participants become vested in employer non-elective contributions, if any, based on a graded-vesting schedule, with participants becoming fully vested after six years. In addition, participants become fully vested in all of their accounts upon reaching normal retirement age (as defined in the Plan) prior to termination of employment or in the event of death or permanent disability. Forfeitures, if any, may be used to reduce future employer contributions or pay Plan expenses.

NOTE A--DESCRIPTION OF PLAN--Continued

Administration: The Plan is administered by the Employer. All funds in the Plan were held in trust by the Trustee, Fidelity Management Trust Company ("Fidelity" or "Trustee"). Fidelity invests participants' and Employer contributions, as directed by the participants, into various options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

Withdrawals: Withdrawals are taxable in the year received by the participant and may be subject to a penalty tax. After reaching the age of 59½, a participant may request an in-service distribution from vested accounts.

Payment of Benefits: In the case of termination of service due to death, normal retirement (age 65), retirement due to disability, or termination of employment, the participant is entitled to receive a distribution of their vested account balances as a lump-sum distribution or as an annuity, as defined.

Participant Notes Receivable: Participants may borrow from their vested account balance a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance in their account during the prior twelve-month period, or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's vested account and bear a reasonable rate of interest as determined by the Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Loans are repaid through payroll deductions over periods of up to five years, unless the loan is for the purchase of a participant's primary residence, in which case, repayment may not extend beyond 10 years. At December 31, 2024, interest rates on outstanding participant notes receivable ranged from 4.25% to 9.50%. Processing fees are charged against participant accounts.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance. The financial statements for the Plan are prepared using the accrual basis of accounting.

The Plan's investments are stated at fair value, as further described in Note C. Investment securities are exposed to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

JAG-ONE PHYSICAL THERAPY 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Realized gains and losses on the sale of investments are calculated based on the difference between the selling price and cost on an average cost basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as the change in unrealized gains or losses for securities held at the end of the year.

Contributions are recorded on the accrual basis, which recognizes participants' contributions and the related Employer matching contributions at the time the participants' contributions are withheld from their salaries.

Benefits are recorded when paid with the exception of amounts refundable by the Plan to Participants for contributions made in excess of amounts allowed by the Internal Revenue Service. At December 31, 2024 and 2023, there were no such excess contributions refundable to Participants.

Participant notes receivable are reported separately from Plan investments and recorded at their unpaid principal balance plus all accrued and unpaid interest. Interest income is recorded on an accrual basis. Any default in repayment to the Plan will result in the treating of the balance due for the loans as a taxable distribution from the Plan. Related fees are recorded as administrative expenses as incurred.

Administrative expenses of the Plan are partially paid for by the Employer. Investment related expenses, other than those paid directly by the Plan, are integrated with investment performance.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events have been evaluated through October 6, 2025, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the accounting guidance are described below:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2024 and 2023:

Mutual funds: Valued at the quoted market price, which represents the net asset value of shares held by the Plan at year end.

For the years ended December 31, 2024 and 2023, all of the Plan's investments are mutual funds which are carried at fair value and are classified within level 1 of the fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE D--TRANSACTIONS WITH PARTIES IN INTEREST

The Plan has an agreement with Fidelity to maintain the investments of the Plan. During 2024, contributions to the Plan of \$5,838,518 were deposited with Fidelity for investment, and participants of the Plan received distributions of \$1,425,299 from funds held by Fidelity. At December 31, 2024 and 2023, the Plan had \$31,777,602 and \$23,707,071, respectively, of assets under Fidelity's custody.

NOTE E--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code; therefore, the trust funds of the Plan are intended to be exempt from federal income taxes. The Plan has not requested a favorable determination letter from the IRS since the prototype on which the Plan is based has been determined to be qualified under Section 401(a) of the Internal Revenue Code.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE G--FORFEITED NON-VESTED ACCOUNTS

At December 31, 2024 and 2023, investments included forfeited accounts of \$676 and \$369, respectively. During the year ended December 31, 2024, the forfeiture account was not utilized to pay any Plan expenses.

NOTE H--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years ended December 31, 2024 and 2023, there were no significant differences between the financial statements and Internal Revenue Service Form 5500.

NOTE I--SUMMARY OF INFORMATION CERTIFIED BY PLAN TRUSTEE

The total value of the Plan's net assets available for benefits was \$31,877,647 and \$23,932,024, at December 31, 2024 and 2023, respectively. With the exception of contributions receivable, the Trustee (a qualified institution) has supplied the Plan

Bridgewater, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i--schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE A--DESCRIPTION OF PLAN

The following description of the JAG-ONE Physical Therapy 401(k) Profit Sharing Plan and Trust ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of JAG-ONE Intermediate Holdings LLC (collectively, "the Employer" and "Plan Administrator"), and certain affiliated companies: JAG Physical Therapy, L.L.C.; JAG-ATC, LLC; One on One Physical Therapy, LLC; PT Administrative Services LLC, and Sleepy Hollow Physical Therapy LLP. Eligibility requirements include a minimum age of twenty-one years and a minimum service period of twelve months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions: The Plan provides for an employee elective pre-tax and Roth contributions with an Employer Safe Harbor matching provision. Plan participants may make contributions up to 100% of their annual compensation, as defined by the Plan, not to exceed the Federal statutory maximum. The Employer Safe Harbor matching contribution is 100% of the first 3% of participant compensation deferred, and a further 50% on the next 2% of participant compensation deferred during the Plan year, up to the Internal Revenue Service limits.

The Plan document allows for additional discretionary matching and non-elective Employer contributions. No discretionary or non-elective contributions were made by the Employer during the year ended December 31, 2024.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution (if any) and Plan earnings. The participant's account is also charged with an allocation of certain expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments of employee and employer contributions are participant directed. Participants may change their investment options daily.

Vesting and Forfeitures: Participants are immediately vested in their contributions, rollover contributions, safe harbor matching employer contributions, qualified non-elective contributions and any earnings thereon. Participants become vested in employer non-elective contributions, if any, based on a graded-vesting schedule, with participants becoming fully vested after six years. In addition, participants become fully vested in all of their accounts upon reaching normal retirement age (as defined in the Plan) prior to termination of employment or in the event of death or permanent disability. Forfeitures, if any, may be used to reduce future employer contributions or pay Plan expenses.

JAG-ONE PHYSICAL THERAPY 401 (K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE A--DESCRIPTION OF PLAN--Continued

Administration: The Plan is administered by the Employer. All funds in the Plan were held in trust by the Trustee, Fidelity Management Trust Company ("Fidelity" or "Trustee"). Fidelity invests participants' and Employer contributions, as directed by the participants, into various options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

Withdrawals: Withdrawals are taxable in the year received by the participant and may be subject to a penalty tax. After reaching the age of 59½, a participant may request an in-service distribution from vested accounts.

Payment of Benefits: In the case of termination of service due to death, normal retirement (age 65), retirement due to disability, or termination of employment, the participant is entitled to receive a distribution of their vested account balances as a lump-sum distribution or as an annuity, as defined.

Participant Notes Receivable: Participants may borrow from their vested account balance a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance in their account during the prior twelve-month period, or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's vested account and bear a reasonable rate of interest as determined by the Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Loans are repaid through payroll deductions over periods of up to five years, unless the loan is for the purchase of a participant's primary residence, in which case, repayment may not extend beyond 10 years. At December 31, 2024, interest rates on outstanding participant notes receivable ranged from 4.25% to 9.50%. Processing fees are charged against participant accounts.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance. The financial statements for the Plan are prepared using the accrual basis of accounting.

The Plan's investments are stated at fair value, as further described in Note C. Investment securities are exposed to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

JAG-ONE PHYSICAL THERAPY 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Realized gains and losses on the sale of investments are calculated based on the difference between the selling price and cost on an average cost basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as the change in unrealized gains or losses for securities held at the end of the year.

Contributions are recorded on the accrual basis, which recognizes participants' contributions and the related Employer matching contributions at the time the participants' contributions are withheld from their salaries.

Benefits are recorded when paid with the exception of amounts refundable by the Plan to Participants for contributions made in excess of amounts allowed by the Internal Revenue Service. At December 31, 2024 and 2023, there were no such excess contributions refundable to Participants.

Participant notes receivable are reported separately from Plan investments and recorded at their unpaid principal balance plus all accrued and unpaid interest. Interest income is recorded on an accrual basis. Any default in repayment to the Plan will result in the treating of the balance due for the loans as a taxable distribution from the Plan. Related fees are recorded as administrative expenses as incurred.

Administrative expenses of the Plan are partially paid for by the Employer. Investment related expenses, other than those paid directly by the Plan, are integrated with investment performance.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events have been evaluated through October 6, 2025, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the accounting guidance are described below:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2024 and 2023:

Mutual funds: Valued at the quoted market price, which represents the net asset value of shares held by the Plan at year end.

For the years ended December 31, 2024 and 2023, all of the Plan's investments are mutual funds which are carried at fair value and are classified within level 1 of the fair value hierarchy.

NOTE D--TRANSACTIONS WITH PARTIES IN INTEREST

The Plan has an agreement with Fidelity to maintain the investments of the Plan. During 2024, contributions to the Plan of \$5,838,518 were deposited with Fidelity for investment, and participants of the Plan received distributions of \$1,425,299 from funds held by Fidelity. At December 31, 2024 and 2023, the Plan had \$31,777,602 and \$23,707,071, respectively, of assets under Fidelity's custody.

NOTE E--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code; therefore, the trust funds of the Plan are intended to be exempt from federal income taxes. The Plan has not requested a favorable determination letter from the IRS since the prototype on which the Plan is based has been determined to be qualified under Section 401(a) of the Internal Revenue Code.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE G--FORFEITED NON-VESTED ACCOUNTS

At December 31, 2024 and 2023, investments included forfeited accounts of \$676 and \$369, respectively. During the year ended December 31, 2024, the forfeiture account was not utilized to pay any Plan expenses.

NOTE H--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years ended December 31, 2024 and 2023, there were no significant differences between the financial statements and Internal Revenue Service Form 5500.

NOTE I--SUMMARY OF INFORMATION CERTIFIED BY PLAN TRUSTEE

The total value of the Plan's net assets available for benefits was \$31,877,647 and \$23,932,024, at December 31, 2024 and 2023, respectively. With the exception of contributions receivable, the Trustee (a qualified institution) has supplied the Plan
