## **INDEPENDENT AUDITOR'S REPORT**

Employee Benefits Plan Committee of the TIH Insurance Holdings, LLC 401(k) Savings Plan  
CRC Insurance Group LLC (formerly, TIH Insurance Holdings, LLC)  
Charlotte, NC

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of TIH Insurance Holdings, LLC 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the period of May 7, 2024 (inception) through December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of TIH Insurance Holdings, LLC 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the period of May 7, 2024 (inception) through December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TIH Insurance Holdings, LLC 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt TIH Insurance Holdings, LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TIH Insurance Holdings, LLC 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TIH Insurance Holdings, LLC 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Period) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### **Note 1: DESCRIPTION OF THE PLAN**

The following description of the TIH Insurance Holdings, LLC 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution plan covering all full-time employees of TIH Insurance Holdings, LLC (the Company or Sponsor). The Plan is subject to the provisions of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The TIH Employee Benefits Plan Committee (the Committee) is responsible for oversight of the Plan. The Committee determines the appropriateness of the Plan's investment offering and monitors investment performance.

The Plan was created from the spinoff of the Truist Financial Corporation 401(k) Savings Plan on May 7, 2024. On this date, employees of TIH Insurance Holdings, LLC, including CRC Insurance Services, Inc., had their balances in the Truist Financial Corporation 401(k) Savings Plan transferred into TIH Insurance Holdings, LLC 401(k) Savings Plan. As of the transfer date, the investment offerings between the two plans were substantially the same, therefore participants were able to maintain their investment choices between the two plans.

Some administrative functions are performed by employees of the Company. The Plan administrator is responsible for the management of the Plan. No compensation is remitted to the Company for these services.

Plan assets are held and managed by Fidelity Management Trust Company (Fidelity), the trustee or custodian and the qualified institution for the Plan, which invests contributions and Plan earnings, makes investment transactions as directed by the Committee and provides certain recordkeeping services. Fidelity also acts as the third-party administrator for the Plan, which performs certain plan administration and annual ERISA compliance testing.

#### ***Eligibility***

Employees of the Company, except for non-resident alien employees, residents of Puerto Rico, employees covered by a collective bargaining agreement, and interns and leased employees, are allowed to enter the Plan on the first day of the month coinciding with or following the date requirements are met. To become eligible for employer contributions, employees must attain the age of 21 years old and have worked 1,000 hours in the Plan year.

#### ***Contributions***

Participants can elect to contribute up to 50% of their eligible earnings on a pre-tax basis subject to certain Internal Revenue Code (IRC) limitations. The Plan also has a Roth contribution feature that allows for after-tax contributions. Eligible participants who have attained the age of 50 before the close of the Plan year may make catch-up contributions up to \$7,500. Participants may also contribute funds from other tax-qualified plans (i.e. rollover contributions). The Plan Sponsor matches participant contributions in the form of safe harbor contributions, subject to certain IRC limitations, using a formula of 100% match on the first 4% of eligible compensation deferred.

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### Note 1: DESCRIPTION OF THE PLAN (Continued)

#### ***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings and charged with withdrawals and an allocation of administrative expenses and Plan losses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting***

Participants are immediately vested in all contributions plus actual earnings thereon.

#### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Only one loan may be outstanding at any given time, reduced by the highest outstanding loan balance in the participant's account during the prior 12-month period. Loans are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through payroll deductions.

#### ***Benefit Payments***

Upon retirement, death, or disability, participants are entitled to 100% of their participant account. Participants may receive their participant account in a lump sum payment, upon meeting a distributable event as described in the Plan document. The Plan also allows for certain in-service withdrawals, as defined.

Upon termination of service, a participant or beneficiary may receive the value of the vested interest in his or her account in a lump-sum payment as provided for by the Plan. If the participant's account balance exceeds \$1,000, the distribution need not commence prior to attainment of normal retirement age unless the participant elects otherwise. Additionally, when the balance is greater than \$1,000, it can be rolled over to another plan of the participant's choosing. Where the participant's balance is less than \$1,000, a lump-sum payment always occurs.

#### ***Forfeitures***

Forfeitures are used to pay administrative expenses or reduce future employer contributions. During 2024, no forfeitures were used to reduce administrative expenses nor employer contributions. Forfeited nonvested accounts totaled \$424 as of December 31, 2024.

#### ***Hardship Withdrawals***

As permitted by the Internal Revenue Code, a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The financial hardship withdrawal may not exceed the amount of the financial hardship nor the value of the vested portion of the participant's balance, whichever is less. Hardship withdrawals are limited to two withdrawals per Plan year.

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

#### ***Use of Estimates***

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Investment Valuation and Income Recognition***

Investments generally are reported at fair value but may also be reported at net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements and NAV.

The Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Investment Options***

Upon enrollment in the Plan, participants may allocate their contributions in 1% increments among the various investment options offered under the Plan. Participants may change their investment elections at any time. Investment options include a selection of diversified mutual funds and other pooled investment vehicles. In addition, participants may choose to manage their investments through a self-directed brokerage account (Fidelity BrokerageLink account).

Some participants may hold an investment balance in the Truist Financial Corporation common stock fund. This fund represents assets transferred from a predecessor plan in connection with the spinoff described in Note 1. As of the Plan's inception date, the Truist Financial Corporation common stock fund was frozen to new contributions. Following that date, participants are not permitted to direct new contributions, loan repayments, or investment exchanges into the fund.

Participants may transfer existing balances out of the Truist Financial Corporation common stock fund into other available investment options. However, transfers into the fund are not permitted.

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

#### ***Payment of Benefits***

Distributions to participants are recorded when paid.

#### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. For the period of May 7, 2024 (inception) through December 31, 2024, expenses of \$200,012 were paid by the Plan and allocated to participant accounts.

#### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

#### ***Subsequent Events***

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October 13, 2025. See Note 9 for relevant disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

### Note 3: PLAN TRANSFERS

During 2024, investment assets and participant loans totaling \$1,630,135,612 were transferred into the Plan from other qualified plans.

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### Note 4: INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the qualified institution:

- a) Total investments, at fair value, included in the statement of net assets available for benefits at December 31, 2024.
- b) Notes receivable from participants included in the statement of net assets available for benefits at December 31, 2024.
- c) Investment income information and interest income on notes receivable from participants included in the statement of changes in net assets available for benefits for the period of May 7, 2024 (inception) through December 31, 2024.
- d) All amounts, included in Note 5, *Fair Value Measurements*.
- e) All information included in the supplemental schedule of assets (held at end of period), as of December 31, 2024.

### Note 5: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

*Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

*Level 2:* Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Truist Financial Corporation common stock:* Valued at the daily closing price as reported by the investment that is registered with the Securities and Exchange Commission. This investment is traded in an active market.

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### Note 5: FAIR VALUE MEASUREMENTS (Continued)

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common stocks, money market funds, external funds, and unitary funds (held in BrokerageLink accounts):* Valued at the closing price reported on the active market on which the individual securities are traded.

*Government and corporate bonds (held in BrokerageLink accounts):* Valued based on closing prices at the end of the Plan year. Closing prices are obtained from third party pricing vendors. When quoted prices are unavailable, pricing vendors use matrix pricing, which is based on quoted prices for securities with similar coupons, ratings, and maturities.

*Common collective trusts (CCTs):* The Plan's CCTs are valued based on NAV per share or unit as a practical expedient as reported by the fund manager, multiplied by the number of shares or units held as of the measurement date. Accordingly, these NAV based investments have been excluded from the fair value hierarchy leveling.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
<i>December 31, 2024</i>				
Truist Financial Corporation				
common stock	\$ 26,027,479	\$ -	\$ -	\$ 26,027,479
BrokerageLink	70,234,834	4,161,369		74,396,203
Mutual funds	236,102,622	-	-	236,102,622
	<u>\$ 332,364,935</u>	<u>\$ 4,161,369</u>	<u>\$ -</u>	<u>336,526,304</u>
Common collective trusts <sup>(A)</sup>				1,272,997,600
<b>Total investments at fair value</b>				<b>\$ 1,609,523,904</b>

<sup>(A)</sup> Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### **Note 6: INCOME TAX STATUS**

The Plan is based on a pre-approved plan document that has received a favorable opinion letter from the Internal Revenue Service, confirming that the form of the Plan meets the applicable requirements of the Internal Revenue Code. Although the Plan may have been amended within the scope permitted under the pre-approved program, the Plan administrator and the Plan's tax counsel believe that the Plan continues to be operated in compliance with the applicable provisions of the IRC. Accordingly, they believe the Plan remains qualified under Section 401(a) of the IRC and that the related trust is exempt from federal income tax under Section 501(a).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

### **Note 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain investment options are managed by Fidelity, which also serves as the Plan's record-keeper and trustee. Therefore, these transactions qualify as exempt party-in-interest transactions. Generally, investment options (other than mutual funds and publicly offered securities) may qualify as party-in-interest transactions if the issuer, investment manager, or trustee of the investment option is a plan fiduciary or service provider. Fees for investment management services are allocated to the participants with balances in those funds. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts.

The Plan receives revenue credits from Fidelity on a quarterly basis. The revenue credit account can be used to pay Plan expenses or can be allocated to eligible Plan participants as defined in the service agreement with Fidelity and its affiliates. Revenue credits earned from this agreement are recorded as investment income in the statement of changes of net assets available for benefits.

### **Note 8: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

### **Note 9: SUBSEQUENT EVENTS**

Management of the Plan evaluated all events or transactions that occurred after December 31, 2024 through October 13, 2025, the date that the Plan's financial statements were available to be issued. The following occurred:

Effective June 2025, the Plan name changed to CRC Insurance Group, LLC 401(k) Savings Plan.

## **INDEPENDENT AUDITOR'S REPORT**

Employee Benefits Plan Committee of the TIH Insurance Holdings, LLC 401(k) Savings Plan  
CRC Insurance Group LLC (formerly, TIH Insurance Holdings, LLC)  
Charlotte, NC

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of TIH Insurance Holdings, LLC 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the period of May 7, 2024 (inception) through December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of TIH Insurance Holdings, LLC 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the period of May 7, 2024 (inception) through December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TIH Insurance Holdings, LLC 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt TIH Insurance Holdings, LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TIH Insurance Holdings, LLC 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TIH Insurance Holdings, LLC 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Period) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### **Note 1: DESCRIPTION OF THE PLAN**

The following description of the TIH Insurance Holdings, LLC 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution plan covering all full-time employees of TIH Insurance Holdings, LLC (the Company or Sponsor). The Plan is subject to the provisions of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The TIH Employee Benefits Plan Committee (the Committee) is responsible for oversight of the Plan. The Committee determines the appropriateness of the Plan's investment offering and monitors investment performance.

The Plan was created from the spinoff of the Truist Financial Corporation 401(k) Savings Plan on May 7, 2024. On this date, employees of TIH Insurance Holdings, LLC, including CRC Insurance Services, Inc., had their balances in the Truist Financial Corporation 401(k) Savings Plan transferred into TIH Insurance Holdings, LLC 401(k) Savings Plan. As of the transfer date, the investment offerings between the two plans were substantially the same, therefore participants were able to maintain their investment choices between the two plans.

Some administrative functions are performed by employees of the Company. The Plan administrator is responsible for the management of the Plan. No compensation is remitted to the Company for these services.

Plan assets are held and managed by Fidelity Management Trust Company (Fidelity), the trustee or custodian and the qualified institution for the Plan, which invests contributions and Plan earnings, makes investment transactions as directed by the Committee and provides certain recordkeeping services. Fidelity also acts as the third-party administrator for the Plan, which performs certain plan administration and annual ERISA compliance testing.

#### ***Eligibility***

Employees of the Company, except for non-resident alien employees, residents of Puerto Rico, employees covered by a collective bargaining agreement, and interns and leased employees, are allowed to enter the Plan on the first day of the month coinciding with or following the date requirements are met. To become eligible for employer contributions, employees must attain the age of 21 years old and have worked 1,000 hours in the Plan year.

#### ***Contributions***

Participants can elect to contribute up to 50% of their eligible earnings on a pre-tax basis subject to certain Internal Revenue Code (IRC) limitations. The Plan also has a Roth contribution feature that allows for after-tax contributions. Eligible participants who have attained the age of 50 before the close of the Plan year may make catch-up contributions up to \$7,500. Participants may also contribute funds from other tax-qualified plans (i.e. rollover contributions). The Plan Sponsor matches participant contributions in the form of safe harbor contributions, subject to certain IRC limitations, using a formula of 100% match on the first 4% of eligible compensation deferred.

### Note 1: DESCRIPTION OF THE PLAN (Continued)

#### ***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings and charged with withdrawals and an allocation of administrative expenses and Plan losses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting***

Participants are immediately vested in all contributions plus actual earnings thereon.

#### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Only one loan may be outstanding at any given time, reduced by the highest outstanding loan balance in the participant's account during the prior 12-month period. Loans are secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through payroll deductions.

#### ***Benefit Payments***

Upon retirement, death, or disability, participants are entitled to 100% of their participant account. Participants may receive their participant account in a lump sum payment, upon meeting a distributable event as described in the Plan document. The Plan also allows for certain in-service withdrawals, as defined.

Upon termination of service, a participant or beneficiary may receive the value of the vested interest in his or her account in a lump-sum payment as provided for by the Plan. If the participant's account balance exceeds \$1,000, the distribution need not commence prior to attainment of normal retirement age unless the participant elects otherwise. Additionally, when the balance is greater than \$1,000, it can be rolled over to another plan of the participant's choosing. Where the participant's balance is less than \$1,000, a lump-sum payment always occurs.

#### ***Forfeitures***

Forfeitures are used to pay administrative expenses or reduce future employer contributions. During 2024, no forfeitures were used to reduce administrative expenses nor employer contributions. Forfeited nonvested accounts totaled \$424 as of December 31, 2024.

#### ***Hardship Withdrawals***

As permitted by the Internal Revenue Code, a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The financial hardship withdrawal may not exceed the amount of the financial hardship nor the value of the vested portion of the participant's balance, whichever is less. Hardship withdrawals are limited to two withdrawals per Plan year.

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

#### ***Use of Estimates***

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Investment Valuation and Income Recognition***

Investments generally are reported at fair value but may also be reported at net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements and NAV.

The Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Investment Options***

Upon enrollment in the Plan, participants may allocate their contributions in 1% increments among the various investment options offered under the Plan. Participants may change their investment elections at any time. Investment options include a selection of diversified mutual funds and other pooled investment vehicles. In addition, participants may choose to manage their investments through a self-directed brokerage account (Fidelity BrokerageLink account).

Some participants may hold an investment balance in the Truist Financial Corporation common stock fund. This fund represents assets transferred from a predecessor plan in connection with the spinoff described in Note 1. As of the Plan's inception date, the Truist Financial Corporation common stock fund was frozen to new contributions. Following that date, participants are not permitted to direct new contributions, loan repayments, or investment exchanges into the fund.

Participants may transfer existing balances out of the Truist Financial Corporation common stock fund into other available investment options. However, transfers into the fund are not permitted.

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

#### ***Payment of Benefits***

Distributions to participants are recorded when paid.

#### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. For the period of May 7, 2024 (inception) through December 31, 2024, expenses of \$200,012 were paid by the Plan and allocated to participant accounts.

#### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

#### ***Subsequent Events***

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October 13, 2025. See Note 9 for relevant disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

### Note 3: PLAN TRANSFERS

During 2024, investment assets and participant loans totaling \$1,630,135,612 were transferred into the Plan from other qualified plans.

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### Note 4: INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the qualified institution:

- a) Total investments, at fair value, included in the statement of net assets available for benefits at December 31, 2024.
- b) Notes receivable from participants included in the statement of net assets available for benefits at December 31, 2024.
- c) Investment income information and interest income on notes receivable from participants included in the statement of changes in net assets available for benefits for the period of May 7, 2024 (inception) through December 31, 2024.
- d) All amounts, included in Note 5, *Fair Value Measurements*.
- e) All information included in the supplemental schedule of assets (held at end of period), as of December 31, 2024.

### Note 5: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

*Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

*Level 2:* Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Truist Financial Corporation common stock:* Valued at the daily closing price as reported by the investment that is registered with the Securities and Exchange Commission. This investment is traded in an active market.

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### Note 5: FAIR VALUE MEASUREMENTS (Continued)

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common stocks, money market funds, external funds, and unitary funds (held in BrokerageLink accounts):* Valued at the closing price reported on the active market on which the individual securities are traded.

*Government and corporate bonds (held in BrokerageLink accounts):* Valued based on closing prices at the end of the Plan year. Closing prices are obtained from third party pricing vendors. When quoted prices are unavailable, pricing vendors use matrix pricing, which is based on quoted prices for securities with similar coupons, ratings, and maturities.

*Common collective trusts (CCTs):* The Plan's CCTs are valued based on NAV per share or unit as a practical expedient as reported by the fund manager, multiplied by the number of shares or units held as of the measurement date. Accordingly, these NAV based investments have been excluded from the fair value hierarchy leveling.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
<i>December 31, 2024</i>				
Truist Financial Corporation				
common stock	\$ 26,027,479	\$ -	\$ -	\$ 26,027,479
BrokerageLink	70,234,834	4,161,369		74,396,203
Mutual funds	236,102,622	-	-	236,102,622
	<u>\$ 332,364,935</u>	<u>\$ 4,161,369</u>	<u>\$ -</u>	<u>336,526,304</u>
Common collective trusts <sup>(A)</sup>				1,272,997,600
Total investments at fair value				<u>\$ 1,609,523,904</u>

<sup>(A)</sup> Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

## TIH Insurance Holdings, LLC 401(k) Savings Plan Notes to Financial Statements

### **Note 6: INCOME TAX STATUS**

The Plan is based on a pre-approved plan document that has received a favorable opinion letter from the Internal Revenue Service, confirming that the form of the Plan meets the applicable requirements of the Internal Revenue Code. Although the Plan may have been amended within the scope permitted under the pre-approved program, the Plan administrator and the Plan's tax counsel believe that the Plan continues to be operated in compliance with the applicable provisions of the IRC. Accordingly, they believe the Plan remains qualified under Section 401(a) of the IRC and that the related trust is exempt from federal income tax under Section 501(a).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

### **Note 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain investment options are managed by Fidelity, which also serves as the Plan's record-keeper and trustee. Therefore, these transactions qualify as exempt party-in-interest transactions. Generally, investment options (other than mutual funds and publicly offered securities) may qualify as party-in-interest transactions if the issuer, investment manager, or trustee of the investment option is a plan fiduciary or service provider. Fees for investment management services are allocated to the participants with balances in those funds. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts.

The Plan receives revenue credits from Fidelity on a quarterly basis. The revenue credit account can be used to pay Plan expenses or can be allocated to eligible Plan participants as defined in the service agreement with Fidelity and its affiliates. Revenue credits earned from this agreement are recorded as investment income in the statement of changes of net assets available for benefits.

### **Note 8: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

### **Note 9: SUBSEQUENT EVENTS**

Management of the Plan evaluated all events or transactions that occurred after December 31, 2024 through October 13, 2025, the date that the Plan's financial statements were available to be issued. The following occurred:

Effective June 2025, the Plan name changed to CRC Insurance Group, LLC 401(k) Savings Plan.
