INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of  
the Dattilo Group 401(k) Profit Sharing Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Dattilo Group 401(k) Profit Sharing ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### 1. Plan Description

The following description of the Dattilo Group 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

##### General

The Plan is a defined contribution 401(k) plan established on January 1, 2001 as restated on January 1, 2022, for the benefit of all eligible employees of DGG Properties Co., Inc., Dattilo Petroleum, Inc., Water's Edge Realty, LLC, Super Value, Inc. (New York), Super Value, Inc. (New Jersey) and Super Value CT, LLC (collectively, the "Plan Sponsor"). The Plan and the trust of which it is a part are intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code ("IRC") and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

##### Eligibility

Employees who have completed one year of service and worked over 1,000 hours and have attained age twenty-one are eligible to participate.

An employee who has satisfied the eligibility requirements may enter the Plan on January 1st or July 1st nearest the date he or she satisfies such requirements.

##### Contributions and Rollovers

Each year, participants may make pre-tax salary deferral contributions to the Plan through payroll deductions as a percentage of compensation, as defined, or by a specific dollar amount, in amounts not in excess of the maximum permitted by federal law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan Sponsor provides a safe harbor contribution equal to 3% of each participant's compensation, as defined. For the year ended December 31, 2024, the safe harbor contribution amounted to \$207,059. The Plan Sponsor may also make non-elective contributions to the Plan. Such non-elective contributions may be limited by the IRC. For the year ended December 31, 2024, non-elective contributions amounted to \$0.

Participants may rollover amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain limitations.

#### Payment of Benefits

In-service withdrawals are permitted in the case of demonstrated financial hardship or after attaining age 59 1/2. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of his or her vested account or distributions over their life expectancy. In the event of death or disability of a participant, the participant shall be 100% vested in their account under the Plan. In the event of death of the participant, the value of the account will be paid to the named beneficiary in a lump sum or installments. In the event of termination for any reason other than retirement, death or disability, the vested account balance will also become distributable to the participant.

#### Participant Accounts

Each participant's account is credited with the participant's contributions and the Plan Sponsor safe harbor contributions, as well as allocations of the Plan Sponsor's profit-sharing contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon, and subject to certain provisions as defined in the Plan document. Safe harbor contributions made by the Plan Sponsor are 100% vested. Non-elective contributions made by the Plan Sponsor vest as follows:

<u>Completed Years of Service:</u>	<u>Percent Vested</u>
Less than 2 years	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years	100%

#### Forfeitures

All unvested Plan Sponsor non-elective contributions are forfeited by the participant at time of termination of employment. Forfeitures are used to reduce employer contributions. For the years ended December 31, 2024 and 2023, forfeiture non-vested accounts totaled \$435 and \$572, respectively.

## Notes to Financial Statements

### December 31, 2024

---

#### Notes Receivable from Participants

Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account. Loan terms range from one to five years, or longer for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions.

#### Termination of the Plan

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, no further contributions will be made to the Plan and all amounts credited to the participant's account will become 100% vested. The Plan Sponsor will direct the distribution of the participant's account in a manner permitted by the Plan as soon as practicable.

## **2. Significant Accounting Policies**

#### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

Investments are reported at fair value (except for the stable value fund, which is reported at contract value). Accounting Standards Codification 820 – Fair Value Measurement ("ASC 820") establishes a framework for measuring fair value. ASC 820 clarifies the definition of fair value and expands disclosures regarding fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the reporting date. ASC 820 establishes a three-tier hierarchy, which prioritizes the inputs used in the valuation methodologies in measuring fair value:

# Dattilo Group 401(k) Profit Sharing Plan

## Notes to Financial Statements

### December 31, 2024

---

**Level 1** – Quoted prices in active markets for identical assets or liabilities.

**Level 2** – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

**Level 3** – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

A financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of non-observable inputs.

The following is a description of the valuation methodology used for the assets measured at fair value included in the fair value hierarchy:

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. The interest rate for loans outstanding ranged from 8.75% and 9.50% and 4.25% and 8.75% as of December 31, 2024 and 2023, respectively. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

#### Payment of Benefits

Benefits are recorded when paid.

## Notes to Financial Statements

### December 31, 2024

---

#### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

#### Events Occurring After Reporting Date

The Plan has evaluated events and transactions occurring between December 31, 2024 and October 13, 2025, which is the date the financial statements were available to be issued for possible disclosure and recognition in the financial statements.

In May 2025, the Plan transitioned its recordkeeper and trustee to Principal Financial Group.

### **3. Stable Value Fund**

The Plan is invested in the Morley Stable Value Fund ("MSVF"), which is a fully benefit-responsive stable value fund. MSVF is credited with earnings of the underlying investments and charged for participant withdrawals and administrative expenses. The credit rating is based on the contract spot rate.

Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

**Dattilo Group 401(k) Profit Sharing Plan**  
**Notes to Financial Statements**  
**December 31, 2024**

**4. Fair Value of Investments**

The following tables present the fair value and classification of the Plan's investments as of December 31, 2024 and 2023:

	2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 8,825,510	\$ -	\$ -	\$ 8,825,510
Investments at fair value in hierarchy	\$ 8,825,510	\$ -	\$ -	\$ 8,825,510

  

	2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 8,544,052	\$ -	\$ -	\$ 8,544,052
Investments at fair value in hierarchy	\$ 8,544,052	\$ -	\$ -	\$ 8,544,052

**5. Tax Status**

The Plan's prototype plan document preparer has obtained an opinion letter dated June 30, 2020, from the Internal Revenue Service ("IRS") stating that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not, based on the technical merits, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

**6. Related Party Transactions and Transactions with Parties-in-Interest**

A related party is any party who can control or significantly influence Plan management or operating policies. Parties-in-interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator ("TPA"), investment managers, investment advisors, legal counsel, and Plan auditor.

### December 31, 2024

---

The Plan Sponsor provides certain accounting, administrative and investment management services to the Plan for which no fees are charged. The audit fees for the Plan are paid by the Plan Sponsor.

#### 7. Risk and Uncertainties

The Plan invests in various investment securities. These investment securities are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risk and uncertainty associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

#### 8. Information Prepared and Certified by Matrix Trust Company

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company.

The following is a summary of the Plan's information as of December 31, 2024 and 2023, and for the year ended December 31, 2024, that was prepared by or derived from information certified by the Trustee and furnished to the Plan Administrator.
