## Independent Auditors' Report

### **The Plan Administrator and Participants of Project Hospitality, Inc. Section 403(b) Retirement Plan**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Project Hospitality, Inc. Section 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**The Plan Administrator and Participants of  
Project Hospitality, Inc. Section 403(b) Retirement Plan**  
Page 2

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Emphasis of Matter – Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**The Plan Administrator and Participants of  
Project Hospitality, Inc. Section 403(b) Retirement Plan**  
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedules Required by ERISA***

The supplemental schedules of (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions (modified cash basis) for the year ended December 31, 2024 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**The Plan Administrator and Participants of  
Project Hospitality, Inc. Section 403(b) Retirement Plan**  
Page 4

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules (modified cash basis) related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Project Hospitality, Inc. Section 403(b) Retirement Plan**

Notes to Financial Statements  
(Modified Cash Basis)  
December 31, 2024

### **1. Description of Plan**

The following description of the Project Hospitality, Inc. Section 403(b) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution plan covering substantially all eligible employees of Project Hospitality, Inc. (the "Sponsor" or "Employer"). An employee is eligible for participation in the Plan upon their first day of employment. An employee is eligible for Employer contributions upon completion of two years of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

#### ***Contributions***

Participants may elect to have a percentage deducted from their pre-tax or after-tax (Roth) compensation as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Certain eligible participants with at least 15 years of service may make special catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Employer. There is an annual limit as to the amount that can be deducted from a participant's compensation that is determined by the Internal Revenue Code ("IRC").

The Plan has an auto enrollment feature that requires all newly eligible employees to contribute 2% of their eligible compensation to the Plan on a pre-tax basis, unless they affirmatively elect otherwise.

Each year the Employer may make a non-elective contribution to the Plan for employees who have completed two years of service. This amount is allocated to each participant on a pro-rata basis based on eligible compensation.

#### ***Vesting***

Participants are immediately vested in all contributions (their share of Employer contributions as well as their own contributions) plus actual earnings thereon.

#### ***Participant Accounts***

Each participant's account is credited with the participant's contributions and allocations of (a) the Employer contributions and (b) Plan earnings (and losses), and charged with an allocation of administrative expenses. Allocations are based on a participant's earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### 1. Description of Plan (*continued*)

#### ***Payment of Benefits***

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account. After attaining age 59 ½ participants may elect to withdraw an amount not to exceed 100% of the participant's vested account balance for any reason. If a participant's account balance is \$1,000 or less, the participant will receive a single-sum payment at termination of employment.

Benefits can also be distributed in the event of a participant's immediate and heavy financial need. Such distributions, which are considered hardship withdrawals, cannot exceed the amount required to relieve the financial need.

#### ***Plan Loans/Collateralized Assets***

The Plan provides for Plan loans at a minimum of \$1,000 up to a maximum amount of \$50,000 or 50% of their vested account balance. Loans to the participant are made directly from Mutual of America Life Insurance Company. The participant's account is not reduced by the loan amount, but serves as security for the loan, the loan amount is moved into a fixed income collateral account within the borrower's account. The loan must be repaid directly to Mutual of America Life Insurance Company within a five year period in substantially equal payments (not less frequently than quarterly). The five year repayment period will not apply to a loan that is used to acquire a principal residence of the borrower. A participant may not have more than two loans outstanding at one time.

At December 31, 2024 and 2023, total principal balances due amounted to \$225,740 and \$117,861 which also represents a collateralization of participant accounts. The interest rate on these loans are between 4.60% – 5.85% with maturities through 2032.

#### ***Deemed Distributions***

When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan that would result in taxable income to the participant upon the occurrence of a qualifying event as defined by IRS guidelines. There were no distributions of Plan loans resulting from such qualifying events during the year ended December 31, 2024.

### 2. Summary of Significant Accounting Policies

#### ***Basis of Accounting and Use of Estimates***

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under this basis, investment income is recognized when received and disbursements are recognized when made, except for investments which are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with U.S. GAAP.

### 2. Summary of Significant Accounting Policies *(continued)*

#### ***Basis of Accounting and Use of Estimates (continued)***

The preparation of financial statements requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

#### ***Investment Valuation and Income Recognition***

All of the Plan's investment are stated at fair value. Separate accounts are reported at fair value as reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. The investment in the insurance company general account is reported at fair value, which is based on the contract value as reported by the insurance company. Contract value represents contributions made under the contract, plus interest credited, less benefits paid and expenses. Because the investment is not actively traded and relies on valuation inputs provided by the insurance company, it is considered an estimate of fair value. Interest income is recorded when received. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Payment of Benefits***

Benefit payments are recorded when paid.

#### ***Expenses***

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

#### ***Reclassifications***

Certain amounts in the 2023 financial statements have been reclassified to conform to the 2024 presentation. Such reclassifications had no impact on the Plan's net assets or changes in net assets.

#### ***Subsequent Events Evaluation***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 13, 2025.

### 3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) including investments held at December 31, 2024 and 2023 and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company, a qualified institution.

### Notes to Financial Statements (Modified Cash Basis) December 31, 2024

#### 4. Investments (continued)

The following table sets forth the Plan's level 3 financial instrument, the valuation techniques used to measure the fair value, and the significant unobservable inputs used to value the financial instrument for the year ended December 31, 2024:

| Instrument                                      | Fair Value   | Valuation Technique                    | Unobservable Input(s)  |
|---|--------------|--|--|
| Mutual of America Interest Accumulation Account | \$ 1,141,743 | Contract Value as Proxy for Fair Value | Credited interest rate<br>Insurance company-determined participant cash flows<br>Contractual withdrawal provisions |

#### 5. Insurance Company General Account

Amounts placed in the Mutual of America Interest Accumulation Account are credited with interest at a rate determined by Mutual of America. Mutual of America guarantees to credit interest for the life of the contract to amounts in the Interest Accumulation Account of their general account at a rate of at least equal to the greater of: (1) any contractual minimum guarantee provided by the contract; or (2) the minimum rate required by applicable state law or, if no state law minimum rate is applicable to a contract, the minimum guaranteed credited interest rate will be set pursuant to National Association of Insurance Commissioners ("NAIC") standard non-forfeiture law. The NAIC minimum rate is determined in accordance with a formula, and cannot be less than 1.00% or more than 3.00%.

Mutual of America determines whether the application of the formula will change the minimum guaranteed rate each November, and any change is effective the following January 1 for that calendar year.

The interest rate under that contract will not go below that amount regardless of the minimum rate that is set for a calendar year. In Mutual of America's sole discretion, they may credit a higher rate of interest to a participant's contract in the general account, although they are not obligated to credit interest in excess of the minimum guaranteed rate. Mutual of America compounds interest daily on the contract amounts in the general account to produce an effective annual yield that is equal to the stated interest rate.

The principal and previously credited interest is guaranteed by Mutual of America. This guarantee is subject to Mutual of America's financial strength and claims-paying ability. The credit risk of the issuer was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best (A- as of April 2025), Standard and Poor's (A as of December 2022), and Fitch (BBB+ as of Fitch 2025).

The Mutual of America Interest Accumulation Account represents approximately 11% and 12% of the net assets available for benefits as of December 31, 2024 and 2023.

#### 6. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## **Project Hospitality, Inc. Section 403(b) Retirement Plan**

Notes to Financial Statements  
(Modified Cash Basis)  
December 31, 2024

### **7. Tax Status**

The Plan obtained its latest opinion letter on March 2, 2020, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the IRC. The Plan Sponsor elected to adopt the Custodian's prototype plan. The plan administrator and Custodian believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by the taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

### **8. Related Party and Party-in-Interest Transactions**

All Plan investments are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the custodian as defined by the Plan document and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Fees paid by the Plan to the custodian amounted to \$6,827 for the year ended December 31, 2024. The Employer also pays Plan expenses. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments. The Plan has a number of service providers. Such providers are parties in interest under ERISA.

Certain employees of the Employer perform administrative services related to the Plan; the Employer pays the salaries of these individuals and no costs are charged to the Plan.

### **9. Prohibited Transactions**

During 2024 and 2023, certain participants' contributions totaling \$210,397 were remitted by the employer to the custodian later than required by the Department of Labor Regulation 2510.3-102. The lost earnings of \$114 on the 2023 delinquent contribution were remitted in April 2025. The lost earnings on the 2024 delinquent contributions will be remitted in 2025.

### **10. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
