## INDEPENDENT AUDITORS' REPORT

To The Board of Directors  
403(b) Thrift Plan of Institute for Community Living, Inc.  
New York, New York

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan of Institute for Community Living, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Institute for Community Living, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Mutual of America Life Insurance Company as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Institute for Community Living, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter - Basis of Accounting**

As discussed in Note 2, these financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Institute for Community Living, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Institute for Community Living, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Institute for Community Living, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) - modified cash basis as of December 31, 2024 and supplemental schedule of delinquent participant contributions - modified cash basis for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN OF INSTITUTE FOR COMMUNITY LIVING, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024

Note 1 - Description of Plan

The following description of the 403(b) Thrift Plan of Institute for Community Living, Inc. (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on November 1, 2019 and amended on July 1, 2022, is a defined contribution plan established under Internal Revenue Code (the "Code") Section 403(b), covering all eligible employees of the Institute for Community Living, Inc. and Related Entities (collectively, the "Sponsor") who have completed their first day of employment, with the exception of nonresident aliens with no U.S. source of income. Employees who are members of the 1199 Union are not eligible to receive Sponsor-based and matching contributions. There is a minimum age requirement of 18 to receive Sponsor-based and matching contributions and a one-year service requirement, accomplished after completing 1,000 hours during the first 12 months of employment, to receive Sponsor-based contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Board of Directors is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors. The custodian and recordkeeper of the Plan is Mutual of America Life Insurance Company ("Mutual of America").

Contributions

Each year, participants may contribute up to 100% of eligible annual compensation, as defined in the Plan, provided that such contributions do not exceed the limitations under the Code for 2024 of \$23,000, plus a maximum of \$7,500 in catch-up contributions for participants who have attained age 50 before the end of the Plan year. Contributions may be made as a pre-tax deferral or after-tax (Roth) deferral. Highly compensated employees are subject to additional limits set forth in the Code. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation for the initial plan year in which automatic enrollment contributions are made, increasing as follows in subsequent plan years:

- 1% for the first plan year following the plan year in which automatic enrollment contributions commenced.
- 2% for the second plan year following the plan year in which automatic enrollment contributions commenced.
- 3% for the third and each subsequent plan years following the plan year in which automatic enrollment contributions commenced.

Contributions are invested in a designated balanced fund until changed by the participant.

403(b) THRIFT PLAN OF INSTITUTE FOR COMMUNITY LIVING, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024

Note 1 - Description of Plan (cont'd.)

Contributions (cont'd.)

The Sponsor made a matching contribution of 3% of eligible compensation that participants contribute to the Plan each year. The matching contribution is invested as directed by the participant. In 2024, the Sponsor made matching contributions of \$799,460.

The Sponsor also may make discretionary profit sharing contributions to the Plan at the option of the Sponsor's Board of Directors. Profit sharing contributions are invested as directed by the participant. In 2024 and 2023, there were no profit sharing contributions made to the plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Sponsor's matching and profit-sharing contributions, as well as allocations of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
At least 2 but less than 3	25%
At least 3 but less than 4	50%
At least 4 but less than 5	75%
5 or more years	100%

In addition, a participant becomes 100% vested in all allocated Sponsor contributions upon death, disability or the attainment of age 65 while employed by the Sponsor.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account. The loans are secured by the balance in the participant's account and bear a reasonable interest rate, as defined by the Plan. Principal and interest are paid over a period not to exceed five years unless the funds are used to acquire a principal residence, in which case the maximum repayment period is ten years.

403(b) THRIFT PLAN OF INSTITUTE FOR COMMUNITY LIVING, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024

Note 1 - Description of Plan (cont'd.)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their beneficiary is entitled to receive an amount equal to the value of the participant's vested interest in his or her account as a lump-sum distribution. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also allows certain withdrawals at age 59½ and hardship withdrawals.

Forfeitures

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$0. In 2024, the Sponsor's contributions were reduced by \$328,222 from forfeited nonvested accounts.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on a modified cash basis of accounting whereby certain assets and the related additions to net assets available for benefits, and certain liabilities and the related deductions from net assets available for benefits, may not be recognized until cash is received or paid. The primary differences from financial statements prepared under accounting principles generally accepted in the United States of America ("U.S. GAAP") arise from accounting for contributions and administrative expenses when received or paid by the Plan rather than when earned or incurred. Accordingly, the accompanying financial statements are not intended to be presented in conformity with U.S. GAAP.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

403(b) THRIFT PLAN OF INSTITUTE FOR COMMUNITY LIVING, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Notes Receivable from Participants

Notes receivable from participants are not separately stated as an asset on the statement of net assets available for benefits, as they are loans borrowed directly from Mutual of America that are collateralized by the participants' vested account balances. At December 31, 2024 and 2023, \$107,079 and \$73,076 was outstanding, respectively. The collateral of 120% of the loan balances is transferred from the separate investment account funds to the general account funds. Loan interest rates are variable at prevailing interest rates and could be increased or decreased by Mutual of America. The interest rate on the loans outstanding at December 31, 2024 and 2023 ranged from 4.60% to 5.85%.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation of fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Note 3 - Information Certified by Custodian

The following information, including investments at December 31, 2024 and 2023 and investment (loss) income for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America, the custodian of the Plan.

DECEMBER 31, 2024

Note 4 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

General Account Funds

Mutual of America's General Account (i.e. the Interest Accumulation Account) is part of Mutual of America's general assets, which are segregated from the separate account funds. The General Account, which is comparable to a cash equivalent, includes liquid assets and is not subject to any form of interest rate adjustments, "haircut" or loading charge. The crediting interest rate is a current rate determined by Mutual of America from time to time. Mutual of America bears the full investment risk for the amounts participants allocate to the general account. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at the account value. The amount included in the financial statements is the accumulated contribution plus interest credited less administrative expenses, which approximates fair value.

Separate Account Funds

Mutual of America's Separate Account values its investments at fair value in accordance with U.S. GAAP. Fair value is an estimate of the price the Separate Account would receive upon selling a security in an orderly, arm's-length transaction. Separate Account investments consist solely of investments in mutual funds registered with the Securities and Exchange Commission and are carried at the net asset value at which the mutual fund shares are actively traded.

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurement (cont'd.)

Mutual of America is the custodian of assets of the Separate Accounts and handles the collection and distribution of proceeds of shares of the underlying funds bought and sold by the Separate Accounts. The account value is represented by Accumulation Units. Each Subaccount's Accumulation Unit has a different value, based on the value of the Subaccount's investment in shares of the related Underlying Fund and the charges deducted from the Separate Accounts. To determine the change in a Subaccount's Accumulation Unit value from the close of one valuation day to the close of the next valuation day ("Valuation Period"), an Accumulation Unit Change Factor is used.

For Subaccounts that invest in shares of the Mutual of America Investment Corporation funds, the Accumulation Unit Change Factor for each Subaccount for any Valuation Period is:

- (a) the ratio of (i) the share value of the Underlying Fund at the end of the current Valuation Period adjusted by the Cumulative Dividend Multiplier for the current Valuation Period, to (ii) the share value of the Underlying Fund at the end of the preceding Valuation Period, adjusted for the Cumulative Dividend Multiplier for the preceding Valuation Period, divided by,
- (b) 1.000000 plus the component of the annual rate of total Separate Account charges against the Subaccount's assets for the number of days from the end of the preceding Valuation Period to the end of the current Valuation Period.

For the Subaccounts that invest in shares of various mutual funds, the Accumulation Unit Change Factor for each Subaccount for any Valuation Period is:

- (a) the ratio of (i) the share value of the Underlying Fund at the end of the current Valuation Period, adjusted by the Cumulative Dividend Multiplier for the current Valuation Period, to (ii) the share value of the Underlying Fund at the end of the preceding Valuation Period, adjusted for the Cumulative Dividend Multiplier for the preceding Valuation Period, divided by,
- (b) 1.000000 plus the component of the annual rate of expense risk, distribution expense and Separate Account administrative charges against the Subaccount's assets for the number of days from the end of the preceding Valuation Period to the end of the current Valuation Period.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2024 and 2023. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. For the year ended December 31, 2024, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

- (a) Mutual of America's General Account ("Interest Accumulation Account") includes liquid assets and is not subject to any form of interest rate adjustments, "haircut" or loading charge. The General Account is comparable to a cash equivalent and therefore exempt from hierarchy leveling requirements of FASB ASC Subtopic 820-10.

Note 5 - Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Mutual of America, the custodian and recordkeeper of the Plan. Therefore, the transactions related to these investments and the fees paid by the Plan to Mutual of America, qualify as party-in-interest transactions.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

403(b) THRIFT PLAN OF INSTITUTE FOR COMMUNITY LIVING, INC.  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024

Note 7 - Tax Status

The Plan has adopted the Mutual of America prototype non-standardized 403(b) Plan. Accordingly, the Plan is permitted to rely on Mutual of America's opinion letter. The Internal Revenue Service has determined and informed Mutual of America by a letter dated March 31, 2017, that the form of the Plan is qualified under Section 403(b) of the Code, and therefore, the related trust is tax-exempt. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset, or require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Delinquent Participant Contributions

There were no delinquent participant contributions for the year ended December 31, 2024. During the year ended December 31, 2022 and 2023 the Sponsor did not submit employee contributions of \$672,243 in a timely manner which have not been corrected as of December 31, 2024. This will require the Sponsor to file notice with the Internal Revenue Service and the Department of Labor and pay interest for the delinquent period.

Note 10 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after December 31, 2024 through October 13, 2025, which is the date that the financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure.
