Local No. 95 Vacation Trust Fund

INDEPENDENT AUDITORS' REPORT

Opinion

We have audited the financial statements of the Santa Clara County Roofers Local No. 95 Vacation Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets as of December 31, 2024 and 2023, and the related statements of changes in net assets for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets of the Santa Clara County Roofers Local No. 95 Vacation Trust Fund as of December 31, 2024 and 2023, and the changes in net assets for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Santa Clara County Roofers Local No. 95 Vacation Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Santa Clara County Roofers Local No. 95 Vacation Trust Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Santa Clara County Roofers Local No. 95 Vacation Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Santa Clara County Roofers Local No. 95 Vacation Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SANTA CLARA COUNTY ROOFERS
LOCAL NO. 95 VACATION TRUST FUND
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2024 and 2023

NOTE 1 - Description of the Trust Fund

The following description of the Santa Clara County Roofers Local No. 95 Vacation Trust Fund provides only general information. Participants should refer to the Plan agreement for a complete description of its provisions.

General

The Santa Clara County Roofers Local No. 95 Vacation Trust Fund (the Plan) was established on December 29, 1952, pursuant to the terms of a collective bargaining agreement between the United Union No. 95, United Slate, Tile and Composition Roofers, Damp and Waterproof Workers Association, and the Associated Roofing Contractors of Santa Clara and San Benito Counties for the purpose of providing vacation benefits to all members of the Roofers Union Local No. 95. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employers' Contributions and Benefits

Employers' contribution amounts are at rates specified for each hour of work reported in accordance with provisions of the collective bargaining agreement. Contributions received are credited to specific employee vacation accounts.

Employer remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records by independent accountants under a separate payroll auditing program.

Generally, vacation benefits are paid in May and November to the participants based on accumulated employers' contributions received by the Plan for hours worked from October through the following March, and from April through the following September, respectively. The Plan also offers an option for participants to have monthly withdrawals, for all or part of their benefits, forwarded on their behalf to either a credit union or financial institution of their choice. The Trustees may also, from time to time, approve benefit payments at other times during the year.

NOTE 1 - Description of the Trust Fund (Continued)

Other Income and Expenses

Amounts representing interest earnings and other sources of income in excess of that amount deemed necessary to defray administrative costs are distributed to members on an equitable basis. Any excess expenses can be offset against contributions.

Cash and Equivalents

Cash equivalents include money market funds used in general operations.

Unclaimed Checks

Unclaimed or unnegotiated checks are void after 90 days. After two years, these funds are forfeited and revert to the Plan. The composition of the unclaimed amount is as follows:

<u>Year Ended December 31,</u>	<u>Amount of Checks</u>
2024	\$ 7,740

Any unclaimed checks in the first payout of the year (May) will be added to participants' balances for the second payout of the year (November). Any unclaimed checks from the second payout (included as outstanding checks at year end) will be added to the unclaimed checks balance when voided early in the subsequent year. Due to this change, unclaimed checks will be forfeited once a year.

Termination

In the event of termination, any remaining money after expenses and obligations have been paid shall be distributed as benefits to those qualified to receive them.

The accounts of the Plan are maintained on a cash basis of accounting and are converted to the accrual basis of accounting for financial reporting purposes.

Income Taxes

The Plan is exempt from Federal income and State of California franchise taxes.

Use of Estimates

The preparation of financial statements in conformity accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

In preparing the financial statements as of December 31, 2024, management considered the impact of subsequent events occurring through October 9, 2025, the date the financial statements were available to be issued, for potential recognition or disclosure in these financial statements.

NOTE 3 - Significant Employers
