REPORT TO THOSE CHARGED WITH GOVERNANCE

CCS MEDICAL 401(K) PLAN

2024 AUDIT RESULTS
OCTOBER 10, 2025

Welcome

October 10, 2025

Those Charged with Governance
CCS Medical 401(k) Plan

We look forward to discussing with you the current year audit results for the CCS Medical 401(k) Plan. On September 3, 2025, we presented an overview of our plan for the audit of the financial statements of CCS Medical 401(k) Plan (the Plan) as of and for the year ended December 31, 2024.

This communication is intended to elaborate on the significant findings from our audit, including our views on the qualitative aspects of the Plan's accounting practices and policies, management's judgments and estimates, financial statement disclosures, and other required matters to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process for which management of the Plan is responsible.

We are pleased to be of service to the Plan and are available to discuss our audit findings, as well as other matters that may be of interest to you, and to answer any questions you might have.

Respectfully,

BDO USA, P.C.

Audit Results

Overview & Status of Our Audit

We have completed our audit of the financial statements, including procedures applied to the supplemental schedule, of the CCS Medical 401(k) Plan (the Plan) as of and for the year ended December 31, 2024. Our audit was conducted in accordance with auditing standards generally accepted in the United States of America.

- ▶ The objective of our audit was to obtain reasonable - not absolute - assurance about whether the financial statements are free from material misstatements.
- ▶ The scope of the work performed was substantially the same as that described to you in our earlier Audit Plan communications.
- ▶ As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we have conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and have obtained sufficient and appropriate audit evidence to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion. The audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.
- ▶ In accordance with professional standards, we have obtained a substantially complete Form 5500 and considered whether such information, or the manner of its presentation, was materially inconsistent with its presentation in the financial statements. Our responsibility also includes calling to management's attention any information that we believe is a material misstatement of fact. We have not identified any material inconsistencies or concluded there are any material misstatements of facts in the other information. As we are performing only limited procedures on this other information, we cannot and do not offer an opinion or any other form of assurance on such information.
- ▶ All records and information requested by BDO were freely available for our inspection.

Quality of the Plan's Financial Reporting

A discussion was held regarding the quality of the Plan's financial reporting, which included the following:

- ▶ Qualitative aspects of significant accounting policies and practices - We have evaluated the qualitative aspects of the Plan's significant accounting policies and practices and concluded that they are appropriate, adequately disclosed, and consistently applied by Plan management. We did not identify situations in which the auditor identified bias in management's judgments about the amounts and disclosures in the financial statements. The differences between estimates best supported by the audit evidence and estimates included in the financial statements did not indicate possible bias on the part of the Plan's management.
- ▶ Our assessment of critical accounting estimates, accounting policies and practices - Based on the audit procedures performed, the Plan's estimates appear reasonable. During the year ended December 31, 2024, we are not aware of any significant changes to the critical accounting policies and practices. Based on our audit procedures, we did not propose any significant modifications to those policies and practices identified as critical.
- ▶ Significant unusual transactions - During the year ended December 31, 2024, we were not aware of any significant unusual transactions.
- ▶ Financial statement presentation - We believe that the financial statements and the related disclosures as of December 31, 2024, are in conformity with the applicable financial reporting framework, including the auditor's consideration of the form, arrangement, and content of the financial statements (including the accompanying notes), encompassing matters such as the terminology used, the amount of detail given, the classification of items, and the bases of amounts set forth.
- ▶ New accounting pronouncements - We did not identify any anticipated application of accounting pronouncements that have been issued but are not yet effective within the accounting policies related to the year ended December 31, 2024.
- ▶ Alternative accounting treatments - No alternative accounting treatments permissible under the applicable financial reporting framework for policies and practices related to material items were identified and discussed with management.

Areas of Significant Risk

Our areas of significant risk, which are risks with both a higher likelihood of occurrence and a higher magnitude of effect that require special audit considerations, are as follows. Our audit procedures for these risks are detailed starting on page 13.

Management Override of Controls

Corrected and Uncorrected Misstatements

CORRECTED AND UNCORRECTED MISSTATEMENTS

- ▶ There were no corrected or uncorrected misstatements, other than those that were clearly trivial, related to accounts and/or disclosures that we brought to the attention of, or presented, to management.

Reportable Findings and Internal Control Over Financial Reporting

Reportable Findings and Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and/or all reportable findings.

We are required to communicate, in writing and in a timely manner, to those charge with governance all reportable findings and significant deficiencies that have been identified in the Plan's internal control over financial reporting. The definitions of a material weakness, significant deficiency, control deficiency, and reportable finding are as follows:

Category	Definition
Material Weakness	A deficiency or a combination of deficiencies in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected on a timely basis.
Significant Deficiency	A deficiency or a combination of deficiencies in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those responsible for oversight of the Plan's financial reporting.
Control Deficiency	A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.
Reportable Finding	Matters that are one or more of the following: a. An identified instance of noncompliance or suspected noncompliance with laws or regulations b. A finding arising from the audit that is, in the auditor's professional judgment, significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process c. An indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditor's professional judgment, are of sufficient importance to merit management's attention

In connection with our audit, we noted no material weaknesses.

Detail of Significant Risks & Additional Audit Considerations

Management Override of Controls

SUMMARY OF AREA OF SIGNIFICANT RISK

- ▶ Presence of fraud risk factors and how management's controls and programs to detect and prevent fraud may mitigate these risks.
- ▶ Risk that user access is inappropriate, and management override exists related to journal entries.
- ▶ Fraud risk may be impacted by the following characteristics:
 - Incentive or pressure
 - Opportunity
 - Rationalization or attitude

SUMMARY OF AUDIT PROCEDURES

- ▶ Reviewed Plan management's controls and programs relating to fraud.
- ▶ Inquired of Plan management and other sponsor personnel as to their knowledge of any potential fraudulent or alleged fraudulent activities.
- ▶ Inquired of those charged with governance about its views about risks of material misstatements, including fraud risk, and whether it is aware of:
 - Tips or complaints regarding the Plan's financial reporting
 - Matters relevant to the audit including, but not limited to, violations or possible violation of laws or regulations
- ▶ Considered additional procedures to address any fraud risks identified.
- ▶ Inquired of service providers as to their knowledge of any potential fraudulent or alleged fraudulent activities.
- ▶ Tested appropriateness of journal entries made in preparation of the Plan's financial statements.
- ▶ Introduced an element of unpredictability into our procedures by either altering the nature, timing, or extent of the procedures when compared to procedures performed in the prior year.
- ▶ Obtained an understanding of the Plan's financial relationships and transactions with management and those charged with governance for risk assessment purposes.
- ▶ Exercised professional skepticism.

Detail of Significant Accounting Practices, Policies, Estimates and Disclosures

Significant Accounting Practices (including Policies, Estimates, and Disclosures)

ACCOUNTING PRACTICES, POLICIES, ESTIMATES, AND DISCLOSURES

The following summarizes the more significant required communications related to our audit concerning the Plan's accounting practices, policies, and estimates and significant unusual transactions:

The Plan's significant accounting practices and policies are those included in Note 2 to the financial statements. These accounting practices and policies are appropriate, comply with the applicable financial reporting framework and industry practice, were consistently applied, and are adequately described within Note 2 to the financial statements.

- ▶ There were no changes in significant accounting policies and practices during 2024.

Critical accounting estimates are those that require management's most difficult, subjective, or complex judgments, often as a result of the need to make estimates about the effects of matters that are inherently uncertain. The Plan's critical accounting estimates, including a description of management's processes and significant assumptions used in development of the estimates, are disclosed in Note 2 of the financial statements.

- ▶ Management did not make any significant changes to the processes or significant assumptions used to develop the critical accounting estimates in 2024

Additional Required Communications

Other Required Communications

Following is a summary of other required items, along with specific discussion points as they pertain to the Plan:

Requirement	Discussion Point
Significant changes to planned audit strategy or significant risks initially identified	There were no significant changes to the planned audit strategy or significant risks initially identified and previously communicated to those charged with governance as part of our Audit Plan communications.
Obtain information from those charged with governance relevant to the audit	There were no matters noted relevant to the audit, including, but not limited to: violations or possible violations of laws or regulations; risk of material misstatements, including fraud risks; or tips or complaints regarding the Plan’s financial reporting that we were made aware of as a result of our inquiry of those charged with governance.
Alternative accounting treatment	No alternative accounting treatments permissible under the applicable financial reporting framework for policies and practices related to material items were identified and discussed with management.
Significant unusual transactions	During the year ended December 31, 2024, we were not aware of any significant unusual transactions.
Consultations with other accountants	We are not aware of any consultations about accounting or auditing matters between management and other independent public accountants. Nor are we aware of opinions obtained by management from other independent public accountants on the application of requirements of an applicable financial reporting framework.
Significant findings and issues arising during the audit in connection with the Plan’s related parties*	We have evaluated whether the identified related party relationships and transactions have been appropriately identified, accounted for, and disclosed and whether the effects of the related party relationships and transactions, based on the audit evidence obtained, prevent the financial statements from achieving fair presentation.

* Under ERISA requirements, the plan audit must also consider relationships and transactions with “parties in interest.” By definition, “parties in interest” encompasses a broader population than “related parties.” As such, all references to “related parties” herein are deemed also to refer to “parties in interest.”

BDO's System of Quality Management

An audit firm's effective system of quality management ("SoQM") is crucial for supporting the consistent performance of high-quality audits and reviews of financial statements, or other assurance or related services engagements under professional standards, and applicable legal and regulatory requirements.

Accordingly, BDO has implemented a SoQM designed to provide reasonable assurance that its professionals fulfill their responsibilities and conduct engagements in accordance with those standards and requirements. The firm's SoQM supports the consistent performance of quality audits through many ongoing activities including, at least annually, certification by leaders with responsibility for key controls and related processes. Our Assurance Quality Management team performs regular reviews and testing of key controls and processes throughout the SoQM and identifies and communicates areas for improvement. In addition, our Audit Quality Advisory Council supports our SoQM by providing guidance and input on audit quality initiatives.

As required by International Standard on Quality Management 1 (ISQM 1) under the International Auditing and Assurance Standards Board (IAASB), BDO has conducted an evaluation of the effectiveness of its system of quality management and concluded, as of July 31, 2024, that, except for certain deficiencies related to the execution of its issuer audits, that system provides the reasonable assurance that our professionals will perform audits and reviews of financial statements or related assurance services engagements in accordance with professional standards, and applicable legal and regulatory requirements. BDO has either implemented or is designing remedial actions to address those deficiencies prior to our next evaluation.

We will continue to provide you with updates on our progress. Currently, you may find discussion of BDO's system of quality management within our annual [Audit Quality Reports](#), the most recent of which is accessible [here](#).
