## Independent Auditors' Report

To the Plan Participants and Plan Administrator  
Owens & Minor 401(k) Savings and Retirement Plan:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Owens & Minor 401(k) Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

*Supplemental Schedules Required by ERISA*

The supplemental schedules of Schedule H, line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**401(k) SAVINGS AND RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**Note 1— Description of the Plan**

The following brief description of the Owens & Minor 401(k) Savings and Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

**General.** The Plan is a defined contribution plan that is available to substantially all full-time and part-time plus (over 30 hours per week) teammates of Owens & Minor, Inc. and certain of its subsidiaries (the Employer), who have completed one month of service and have attained age 18. Part-time teammates of the Employer, who work less than 30 hours per week, are eligible to participate in the Plan once they attain 1,000 hours in a given year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The assets of the Plan are held in trust under an agreement with Fidelity Management Trust Company (the Trustee), with administrative services provided by Fidelity Investments Institutional Operations Company, Inc. (FIIOC), a wholly-owned subsidiary of FMR, LLC, also known as Fidelity Investments (Fidelity).

**Contributions.** The Plan allows participants to contribute up to 50% of their pre-tax eligible compensation (up to \$23,000 for 2024 and \$22,500 in 2023). Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions (up to \$7,500 for 2024 and 2023). Participants may also rollover all or a portion of the balances from another tax-qualified, employer sponsored retirement plan without incurring any income tax or penalties.

Effective January 1, 2024, participants are eligible for matching contributions after one year of service. For the year ended December 31, 2023 participants were eligible for matching contributions after one month of service. Effective January 1, 2024, the Employer made matching contributions of 100% of the first 3% of eligible compensation the participant defers, as well as 50% of the next 2% of contributions. For the year ended December 31, 2023 the Employer made matching contributions of 100% of the first 4% of eligible compensation the participant deferred. The Employer may increase or decrease its matching contributions at its discretion, on a prospective basis.

Also under the Plan, the Employer may make a discretionary contribution (subject to certain limitations as defined in the Plan document) to each participant employed on the last day of the Plan year who has worked at least 1,000 hours during the year. The Employer may also make a profit-sharing contribution to the Plan, at the discretion of the Employer's Board of Directors. A Plan amendment was adopted in March 2021 to allow for mid-year discretionary contributions up to 3% of eligible annual earnings. A 1% discretionary contribution was awarded for the 2024 Plan year and paid in 2025. No discretionary contributions were paid or awarded in 2023.

**Participant Accounts.** Each participant's account is credited with the participant's contribution, the Employer's contributions, and an allocation of earnings or losses thereon. Allocations are based on account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Forfeited Accounts.** Forfeited balances of terminated participants' nonvested accounts may be used to reduce Employer contributions. Employer contributions were funded by \$160,165 and \$12,115 from forfeited nonvested accounts in 2024 and 2023. Forfeitures available to reduce future Employer contributions as of December 31, 2024 and 2023 were \$131,438 and \$55,680.

**Investment Options.** The investment options offered by the Plan provide for a range of investment objectives, including growth, income and capital stability. As of December 31, 2024, participants in the Plan have 27 options available to them with respect to how their participant and Employer contributions are invested. Participants can elect to have contributions allocated in 1% increments to 25 mutual funds, one collective investment and one common collective trust fund. If no election is made by a participant, future contributions to the participant's account are invested in a Fidelity Freedom Fund K with a target date based on the participant's current age, assuming a retirement age of 65.

**Vesting and Withdrawals.** Participants are immediately vested in all voluntary contributions and Employer matching contributions, as well as Employer mid-year discretionary contributions and discretionary contributions made after December 31, 2020, plus earnings thereon. Unvested discretionary Employer contributions and discretionary profit-sharing contributions made on or before December 31, 2020 become fully vested after three years of credited service. The Plan allows participants that reach the age of 65 and certain terminated participants to become 100% vested in their accounts.

On termination of service due to death, disability or retirement, a participant (or the participant's beneficiary) may elect to receive either a lump-sum amount equal to the value of their vested account or payment in monthly, quarterly, semi-annual or annual installments not to extend past the lives or life expectancies of the participant and beneficiary as determined in accordance with Internal Revenue Code (IRC) Section 401(a)(9)(A). In the case of hardship, a participant may apply for a distribution as described in the Plan document.

**Owens & Minor**  
**401(k) SAVINGS AND RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**Participant Loans.** Participants may borrow from their vested interests in the Plan for a minimum of \$1,000 and a maximum of 50% of their vested balance or \$50,000, whichever is less. A loan's term may not exceed five years, or fifteen years if the proceeds are used exclusively to purchase a principal residence. Participants may only have one loan outstanding at one time. The interest rate charged is the U.S. Prime Rate plus 1%.

**Interfund Transfers.** Under the provisions of the Plan, a participant may elect to have the value of their participant account attributable to a particular investment fund liquidated and transferred to any of the other available investment funds in 1% increments.

**Plan Termination.** Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**Plan Merger Effective January 1, 2024.** In 2022, Apria Inc. was acquired by Owens and Minor, Inc.. The Plan was amended effective January 1, 2024, to merge the Apria Inc. 401(k) Plan into the Plan. The Apria Inc. 401(k) Plan assets were transferred into the Plan in December 2023 for administrative convenience. Participants of the Apria Inc. 401(k) Plan became eligible to participate in the Plan beginning January 1, 2024. Accordingly, the transferred account balances, including investments, and notes receivable from participants, and forfeited account balances were included as a payable due to Apria Inc. 401(k) Plan on the statement of net assets available for benefits as of December 31, 2023.

**Note 2—Summary of Significant Accounting Policies**

The following are the significant accounting policies followed by the Plan:

**Basis of Presentation.** The accompanying financial statements have been prepared on the accrual basis of accounting.

**Use of Estimates.** The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investments.** The Plan's mutual funds, collective investment trust and common collective trust funds are stated at fair value. Quoted market prices are used to value investments in mutual funds, which are publicly traded funds of registered investment companies, and common stock. Units of the collective investment and common collective trust funds are redeemable at the current net asset value. Thus, the collective investment and common collective trust funds are valued at the Plan's proportional interest in the net asset value of the fund. Units of the common collective trust are redeemable daily at the participant level and require a 12-month notice at the Plan level.

Purchases and sales of securities are recorded on a trade date basis. Cost of investments sold is determined on the first-in, first-out (FIFO) method. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments consists of net realized gains and losses on the sale of investments and net unrealized appreciation and depreciation in the value of investments.

**Notes Receivable from Participants.** Notes receivable from participants are valued at unpaid principal plus accrued interest. No valuation allowance is maintained for uncollectible loans receivable since, if the participant were to default, the participant's account would be reduced by the unpaid balance of the loan, and there would be no effect on the Plan's investment returns or any other participant's account balance.

**Administrative Expenses.** Substantially all of the Plan's administrative expenses are paid by the Plan. Any expenses paid through revenue sharing arrangements are included as a reduction to administrative expenses.

**401(k) SAVINGS AND RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**Note 3—Fair Value Measurements**

Fair value is defined as the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is determined based on assumptions that a market participant would use in pricing an asset or liability. The assumptions used are in accordance with a three-tier hierarchy, defined by GAAP, that draws a distinction between market participant assumptions based on (i) observable inputs such as quoted prices in active markets (Level 1), (ii) inputs other than quoted prices in active markets that are observable either directly or indirectly (Level 2), and (iii) unobservable inputs that require the Plan to use present value and other valuation techniques in the determination of fair value (Level 3).

As of December 31, 2024, the Plan's investments measured at fair value were as follows:

	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total
Mutual funds	\$ 793,261,795	\$ —	\$ —	\$ 793,261,795
Common collective and collective investment trust funds	—	172,544,567	—	172,544,567
<b>Total investments at fair value</b>	<b>\$ 793,261,795</b>	<b>\$ 172,544,567</b>	<b>\$ —</b>	<b>\$ 965,806,362</b>

As of December 31, 2023, the Plan's investments measured at fair value were as follows:

	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total
Mutual funds	\$ 723,928,695	\$ —	\$ —	\$ 723,928,695
Common collective and collective investment trust funds	—	146,330,309	—	146,330,309
<b>Total investments at fair value</b>	<b>\$ 723,928,695</b>	<b>\$ 146,330,309</b>	<b>\$ —</b>	<b>\$ 870,259,004</b>

**Note 4—Risks and Uncertainties**

The Plan's investments, in general, are exposed to various risks, such as interest rate, credit, and market risks. In addition, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

**Note 5—Federal Income Taxes**

In a determination letter dated October 21, 2014, the IRS has ruled that the Plan and related trust are designed in accordance with Sections 401(a) and 401(k) of the IRC and are exempt from taxation under the provisions of Section 501(a). The Plan was restated effective March 15, 2023, onto a pre-approved plan that received an IRS Opinion Letter dated June 30, 2020 as to the tax qualification of the pre-approved plan. The Plan's management and the Plan's legal counsel believe that the Plan, continues to be qualified as tax-exempt and continues to operate in compliance with the applicable requirements of the IRC.

**Owens & Minor**  
**401(k) SAVINGS AND RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

Under present federal income tax laws and regulations, participants are not taxed on Employer contributions allocated to their accounts, on investment earnings on such contributions, or on investment earnings on their own contributions at the time such contributions and investment earnings are received by the Trustee of the Plan, but they may be subject to tax thereon at such time as they receive actual distributions from the Plan. Under normal circumstances, the Plan will not be taxed on dividend and interest income, any capital gains realized, or any unrealized appreciation in the value of investments.

GAAP requires plan management to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Employer believes that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. There are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

**Note 6—Related Party Transactions**

The Plan did not hold any shares of Owens & Minor, Inc. common stock at December 31, 2024 and 2023 and no further investments in Owens & Minor, Inc. common stock are permitted.

Certain Plan investments are mutual funds managed by Fidelity. As defined by the Plan, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity were \$621,596 and \$80,848 for the years ended December 31, 2024 and 2023.

A Revenues Credit Account is established for the Plan. Certain revenue sharing payments received by Fidelity from the Plan's investments are deposited into a Revenues Credit Account in the Plan, which could be used to pay on-going administrative expenses of the Plan in accordance with ERISA and guidance issued by the U.S. Department of Labor or could be allocated to participant accounts. The Plan received \$122,244 and \$708,933 in revenue sharing payments for the years ended December 31, 2024 and 2023, which were used to offset administrative expenses incurred by the Plan. For the year ended December 31, 2023, \$1,000,000 from the Revenues Credit Account were allocated to all Plan participants with a positive balance account as of contribution date in December 2023.

Loans to Plan participants, which are considered parties-in-interest, were granted throughout the year as part of normal Plan operations.

**Note 7—Investment Information Certified by Trustee**

The Plan administrator has elected the alternative method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the information certified by the Trustee was not audited by our independent auditors, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

In addition, the investment related amounts included in Note 3 and the accompanying supplemental schedule of assets (held at end of year) were also certified by the Trustee.

**Note 8—Reconciliation to Form 5500**

Net assets available for benefits in the Form 5500 for the Plan include a reduction in assets for deemed distributions of certain participant loans. The accompanying financial statements do not include the reduction in assets for deemed distributions as the participants to which the deemed distributions relate continue to retain their assets within the Plan. The following reconciles net assets available for benefits and the net increase in net assets available for benefits from the Form 5500 to the Plan's financial statements:

	December 31,

**Note 9—Subsequent Events**

On October 7, 2025, Owens & Minor, Inc. entered into an Equity Purchase Agreement to sell and transfer to all of the Company's right, title and interest in and to all of the issued and outstanding liability company interests in O&M PHS LLC, a Virginia limited liability company and a wholly owned subsidiary of the Company. The Plan will be reviewed and may be modified upon the completion of the transaction; however, through October 13, 2025, the date at which these financial statements were available to be issued, no modifications to the Plan have been approved.
