INDEPENDENT AUDITORS' REPORT

To the Trustees of
Defined Contribution Plan of the New 42nd Street, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Defined Contribution Plan of the New 42nd Street, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Defined Contribution Plan of the New 42nd Street, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Defined Contribution Plan of the New 42nd Street, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Defined Contribution Plan of the New 42nd Street, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Defined Contribution Plan of the New 42nd Street, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Defined Contribution Plan of the New 42nd Street, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DEFINED CONTRIBUTION PLAN OF THE NEW 42ND STREET, INC.**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2024 AND 2023****Note 1 - Description of Plan**

This description of the Defined Contribution Plan of The New 42nd Street, Inc. (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a - General and Eligibility

The Plan is a defined contribution plan covering all employees of The New 42nd Street, Inc. ("The New 42" or "Sponsor") who have completed one year of service and are age twenty-one or older, excluding collectively bargained employees, leased employees and non-resident aliens with no U.S. source of income. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective July 28, 2023, the Plan changed its trustee to Lincoln Financial Group Trust Company, Inc. ("Lincoln"), and all of the Plan's assets were transferred to Lincoln as of that date. There were no significant changes to the operations of the Plan as a result of this change.

b - Contributions

Each year, The New 42 contributes to the Plan 5% of the employees' total compensation plus 5% of compensation in excess of the taxable wage base, as defined.

In addition to contributions from The New 42, the Plan may also accept employee rollover contributions.

c - Participant Accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. Each Participant's account is credited with the participant's contributions and their proportionate share of the Plan's earnings and charged with an allocation of any administrative expenses paid by the Plan.

d - Vesting

Participants are 100% vested in The New 42's contributions plus actual earnings thereon after three years of service.

e - Payment of Benefits

Benefits may be withdrawn upon termination of employment, disability, after attaining normal retirement age, or upon Plan termination. Normal retirement age under the Plan is 65. Benefits may be paid as lump sum or as an annuity form of payment. If the participant's vested benefit does not exceed \$5,000, the Plan administrator may direct the custodian to distribute, in a lump sum amount, the participant's vested benefit.

DEFINED CONTRIBUTION PLAN OF THE NEW 42ND STREET, INC.**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2024 AND 2023****Note 1 - Description of Plan (continued)**f - Hardship Withdrawals

A participant may request a hardship withdrawal under certain conditions as specified in the Plan. Hardship withdrawals must be approved by the Plan administrator.

g - Participant Loans

Participant loans are issued directly from a participant's account. Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loans bear interest at a commercially reasonable rate and loan repayments must be repaid within five years or will be subject to tax and penalties. Only the participant's account shares in any interest paid on the loan and bears any expense or loss incurred in connection with the loan. At December 31, 2024 and 2023, the Plan had outstanding loans totaling \$27,225 and \$64,570, respectively.

Note 2 - Summary of Accounting Policies

The following accounting policies have been used consistently in the preparation of the Plan's financial statements:

a - Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

b - Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Money market balances are valued at cost, which equals current value. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

c - Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management of the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

DEFINED CONTRIBUTION PLAN OF THE NEW 42ND STREET, INC.**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2024 AND 2023****Note 2 - Summary of Accounting Policies (continued)****d - Participant Loans**

Participant loans are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent loans are reclassified as distributions based on the terms of the Plan documents.

e - Payment of Benefits

Benefits are recorded when paid.

f - Plan Expenses

The Plan permits the payment of Plan expenses to be made from the Plan's assets. If expenses are paid using the Plan's assets, then the expenses will generally be allocated among the accounts of all participants in the Plan.

g - Forfeited Accounts

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$49,489 and \$76,694, respectively. Forfeitures may be used to reduce future employer contributions or pay Plan administrative fees.

h - Subsequent Events

The Plan has evaluated subsequent events through October 3, 2025, the date that the financial statements are considered available to be issued.

Note 3 - Certified Financial Information

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Lincoln and Mid-Atlantic Trust Company, the trustees of the Plan, have certified as to the completeness and accuracy of the Plan's investments of \$7,071,053 and \$6,585,180 as of December 31, 2024 and 2023, respectively, and the related investment activity reflected in the statements of changes in net assets available for benefits for the years then ended.

DEFINED CONTRIBUTION PLAN OF THE NEW 42ND STREET, INC.**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2024 AND 2023****Note 4 - Fair Value Measurements**

FASB ASC 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FAS8 ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from and corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes from valuation methodologies used in prior years:

Mutual Funds

Shares of registered investment companies are based on quoted market prices that are available on an active market and are priced daily.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 4 - Fair Value Measurements (continued)

The following tables set forth by the level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	2024		2023	
	<u>Total</u>	<u>Level 1</u>	<u>Total</u>	<u>Level 1</u>
Mutual Funds				
Equity funds	\$2,650,778	\$2,650,778	\$2,402,793	\$2,402,793
Balanced funds	3,305,107	3,305,107	2,882,123	2,882,123
International equity funds	519,482	519,482	869,382	869,382
Fixed income funds	<u>595,686</u>	<u>595,686</u>	<u>430,882</u>	<u>430,882</u>
Total	<u>\$7,071,053</u>	<u>\$7,071,053</u>	<u>\$6,585,180</u>	<u>\$6,585,180</u>

Gains included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize the transfer of financial instruments from one fair value level to another at the beginning of the reporting period. For the years ended December 31, 2024 and 2023, there were no transfers in or out of levels 1, 2 or 3.

Note 5 - Tax Status

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate sections of the Internal Revenue Code ("IRC"), and accordingly, the Trust's net investment income is exempt from income taxes. The Plan has adopted a prototype plan through the trustee that is qualified by the Internal Revenue Service and a determination letter separately filed is not mandatory by Plan Sponsor. The Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes have been included in the Plan's financial statements.

DEFINED CONTRIBUTION PLAN OF THE NEW 42ND STREET, INC.**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2024 AND 2023****Note 6 - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, The New 42 has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
