Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **OPOC.US 401(k) Profit Sharing Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **OPOC.US 401(k) Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **OPOC.US 401(k) Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OPOC.US 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **OPOC.US 401(k) Profit Sharing Plan** (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - On January 1, 2006, MWD Consulting, Inc. (the "Company") adopted a Section 401(k) profit-sharing plan. The Plan allows all eligible employees of the Company to participate in the Plan after one month of service. Non-resident aliens, leased employees, and union employees are not eligible to participate in the Plan. The Plan contains an automatic enrollment provision. Under this provision, unless notified otherwise, upon meeting the requirements of eligibility, employees are enrolled into the Plan at a deferral rate of 3%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan's name was changed from MWD Consulting, Inc. 401(k) Profit Sharing Plan to OPOC.US 401(k) Profit Sharing Plan through an amendment executed on July 28, 2022. The Plan Sponsor was changed from MWD Consulting, Inc. to Echelon Capital Management, Inc. Participating employers include: Centric HC, Inc., AccelWell and First Step TeleHealth, LLC.

The Plan was further amended effective May 18, 2023 to exclude interns with less than 1,000 hours of service in a 12 month period from being eligible to participate in the Plan.

Certain participants that were employees of First Step TeleHealth, LLC were transferred to the newly formed First Step TeleHealth 401(k) Plan in December 2024. The account balances of the participants that were employees of this entity totaled \$209,839 and are shown as plan transfers on the statements of changes in net assets available for benefits.

Contributions - The Plan provides for employee salary deferrals within statutory limits, as defined in the Plan, each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for Roth contributions. The Plan has a Safe Harbor matching contribution equal to 100% of participant deferrals up to 2% of compensation and 50% of participant deferrals that exceed 2% of compensation, but that do not exceed 6% of compensation. Participants are eligible for Safe Harbor contributions at one month of service.

The Company may make a discretionary non-elective contribution. Participants become eligible for this contribution upon completion of one year of service and if employed on the last day of the Plan year. For the years 2024 and 2023, the Plan did not make this type of contribution to the Plan. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Nationwide Trust Company, FSB, was Trustee of Plan investments through February 21, 2024. Effective February 22, 2024, Transamerica Financial Life Insurance Company, Inc. is Trustee of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution, Safe Harbor employer match, and discretionary non-elective contribution are to be invested.

OPOC.US 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Vesting - Participants are immediately vested in their voluntary contributions, rollovers, and corresponding earnings. Safe Harbor matching contributions are subject to a 2 year cliff vesting schedule. The following schedule will be used to determine vesting in the discretionary non-elective contribution and its earnings:

| <u>Completed Years of Service</u> | <u>Vesting Percentages</u> |
|-----------------------------------|----------------------------|
| Fewer than 2 | 0% |
| 2 | 20% |
| 3 | 40% |
| 4 | 60% |
| 5 | 80% |
| 6 or more | 100% |

Notes Receivable from Participants - Participants may borrow from their vested account balance in any amount between \$1,000 and \$50,000, but not more than 50% of their vested account balance. Loans previously bore interest at a fixed rate of 3.25%. The Plan's loan policy was amended in 2024, such that loans now bear interest at a rate of Prime plus 1.00%. Loan terms are for a period not exceeding five years. A 30-year term may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. In addition, participants may receive distributions of all vested amounts for qualified financial hardships.

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions and pay Plan expenses. During 2024 and 2023 forfeitures totaling \$7,000 and \$4,000 were used to pay Plan expenses. In addition, during 2024 and 2023 forfeitures totaling \$21,322 and \$0 were used to offset employer contributions. Unallocated forfeitures at December 31, 2024 and 2023 were \$831 and \$20,777.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. In addition, participants have the option to direct contributions into a self-directed brokerage account. Participants may change their investment options at any time via phone or the Internet. Deferral percentages can be changed via the enrollment form or the Internet.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was deemed necessary as of December 31, 2024 and 2023. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

During 2024, the Plan entered into an agreement that allows the Plan to accumulate any excess revenue in an Expense Budget Account and to use these proceeds to pay reasonable expenses of the Plan or to allocate these proceeds to participants. The Expense Budget Account is included in Plan assets. The revenue is accumulated in the account after the end of each quarter. Deposits to the Expense Budget Account totaled \$5,633 for the year ended 2024 and was recorded in investment income. Funds totaling \$5,423 were used to pay certain recordkeeping expenses of the Plan in 2024 (see Note 6). The balance in the Expense Budget Account at December 31, 2024 was \$211.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 14, 2025, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2024 and 2023, net appreciation (depreciation) in fair value of investments, and interest and dividends for the years 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Nationwide Trust Company, FSB and Transamerica Financial Life Insurance Company, Inc. (the Trustees of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

OPOC.US 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024.

Money market and equity security funds: Valued at the daily closing price reported by the fund as registered with the Securities and Exchange Commission. The funds held by the Plan are deemed to be actively traded and are required to publish their net asset value (NAV) and to transact at that price.

Self-directed brokerage account: Valued at the quoted market prices of shares held by the Plan at year-end.

Common collective trusts: Valued at the net asset value (NAV) of units held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

| | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Fair Value</u> |
|---------------------------------|---------------------|-------------------|----------------|---------------------|

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Transamerica Stable Value Core Account and Transamerica Stable Value General Account are fixed annuity accounts that are fully and unconditionally guaranteed by Transamerica Retirement Solutions and Transamerica Financial Life Insurance Company. During the accumulation phase, the Transamerica Stable Value Core Account and Transamerica Stable Value General Account provide a guarantee of principal, and guaranteed minimum rate of interest, and the potential for additional interest if declared by Transamerica Retirement Solutions and Transamerica Financial Life Insurance Company. When the accumulation in the Transamerica Stable Value Core Account and Transamerica Stable Value General Account are converted to an annuity based on life expectancy, the present value of the stream of payments is equal to the accumulation. The contracts are included in the statements of net assets available for benefits as fully benefit-responsive investment contracts at their contract value.

The Best of America Fixed Account was a fixed annuity account that was fully and unconditionally guaranteed by Nationwide Trust Company, FSB. During the accumulation phase, the Best of America Fixed Account provided a guarantee of principal, and guaranteed minimum rate of interest, and the potential for additional interest if declared by Nationwide Financial Services. When the accumulation in the Best of America Fixed Account was converted to an annuity based on life expectancy, the present value of the stream of payments was equal to the accumulation. The contract was included in the statements of net assets available for benefits as a fully benefit-responsive investment contract at its contract value.

Certain events, such as premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Transamerica Retirement Solutions and Transamerica Financial Life Insurance Company. The Plan Administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan assets were invested with Nationwide Trust Company, FSB through February 21, 2024. Thus, Nationwide Trust Company, FSB, as Trustee defined by the Plan, qualifies as a party-in-interest. Fees paid by the Plan for Nationwide trustee services for the years 2024 and 2023 totaled \$98 and \$1,001.

Effective February 22, 2024, certain Plan assets are invested with Transamerica Financial Life Insurance Company. In addition, Transamerica Retirement Solutions began providing recordkeeping services. Thus, Transamerica Retirement Services and Transamerica Financial Life Insurance Company, qualify as parties-in-interest. Fees paid by the Plan to Transamerica Retirement Solutions for recordkeeping services for the period February 22, 2024 through December 31, 2024 totaled \$41,365, of which \$5,423 were paid from the Expense Budget Account. Fees paid by the Plan to Transamerica Financial Life Insurance Company for trustee services for the period February 22, 2024 through December 31, 2024 totaled \$21.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - RELATED PARTY TRANSACTIONS - CONTINUED

The Plan paid investment advisory fees of \$135 and \$2,827 in 2024 and 2023 to Edward D A Sommer. Thus, Edward D A Sommer qualifies as a party-in-interest.

Cadaret, Grant & Company, Inc. provides certain advisory services to the Plan. Fees paid by the Plan for advisory services for the year 2024 totaled \$3,691. No advisory fees were paid by the Plan for 2023.

Leafhouse Financial Advisors, LLC provides certain advisory services to the Plan. Fees paid by the Plan for advisory services for the year 2024 totaled \$1,712. No advisory fees were paid by the Plan for 2023.

Brady, Ware & Schoenfeld, Inc., as auditor, qualifies as a party-in-interest. Audit fees paid by the Plan for the years 2024 and 2023 totaled \$7,000 and \$7,500.

The Plan Sponsor provides certain accounting, recordkeeping, and administrative services to the Plan. Fees paid by the Plan for accounting, recordkeeping, and administrative services for the year 2024 totaled \$7,729. No accounting, recordkeeping, and administrative service fees were paid by the Plan for 2023.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer contributions.

NOTE 8 - TAX STATUS

The Plan adopted a Non Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2024 and 2023, there were no payments due to participants who have withdrawn from the Plan.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years 2024 and 2023, there were no differences between the financial statements and the Form 5500.
