FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of  
Curacao 401(k) Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Curacao 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

To the Plan Administrator and Participants of  
Curacao 401(k) Plan

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at end of year) as of December 31, 2024 and delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and

To the Plan Administrator and Participants of  
Curacao 401(k) Plan

certified by an institution that management determined meets the requirements of ERISA Section  
103(a)(3)(C).

DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following brief description of the Curacao 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

**A. General**

The Plan is a defined contribution plan established on January 1, 1999 by Adir International LLC dba Curacao (the “Company” or “Plan Sponsor”). The Plan covers all eligible employees of the Company who are at least 21 years of age and have completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**B. Contributions**

Participants may contribute from 1% to 60% of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) limitations. Participants who have attained age 50 or older by the end of a calendar year are permitted to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollovers”). The Company may make matching contributions and discretionary profit sharing contributions. For 2024, the Company made matching contributions of 50% of participants’ contributions of up to 3% of compensation. There were no profit sharing contributions in 2024.

**C. Participant Accounts**

Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contributions (including rollovers), the Company’s matching contributions and discretionary profit sharing contributions, if any, and allocations of Plan earnings, and is charged with withdrawals and an allocation of Plan losses and administrative expenses. The benefit to which a participant is entitled is the benefit that could be provided from the participant’s vested account.

**D. Vesting**

Participants are immediately vested in their own contributions (including rollovers), plus actual earnings thereon. Vesting in the Company’s contributions is based on years of continuous service as follows:

Participants who were employed prior to July 7, 2004:

<u>Years of Service</u>	<u>Percentage Vested (%)</u>
Less than 1 Year	0
1 Year	20
2 Years	40
3 Years	60
4 Years	80
5 Years or more	100

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**D. Vesting (Continued)**

Participants who were employed on or after July 7, 2004:

Years of Service	Percentage Vested (%)
Less than 2 Years	0
2 Years	20
3 Years	40
4 Years	60
5 Years or more	100

**E. Notes Receivable from Participants**

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Interest rates are determined by the Company pursuant to written procedures. The interest rates on loans outstanding as of December 31, 2024 range from 4.25% to 9.50%.

**F. Payment of Benefits**

A participant's benefits may be distributed at retirement, death, disability or termination of employment. The participant or beneficiary may elect to receive such benefits in a lump-sum payment equal to the value of the vested interest in his or her account or as a direct rollover. Hardship withdrawals are permitted. Benefits are recorded when paid.

**G. Forfeitures**

Forfeitures of participants' non-vested account balances shall be used to pay Plan expenses or offset future Company contributions. During 2024, forfeitures totaled \$52,099; \$5,000 was used to pay plan expenses. Forfeitures available for future use as of December 31, 2024 and 2023 totaled \$545,744 and \$472,862, respectively.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**B. Estimates**

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Investment Valuation and Income Recognition**

Participants select how their share of plan assets will be invested among those investment vehicles made available.

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are quoted prices for similar instruments and model based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the assets.

The following tables summarize the Plan's investments at December 31, 2024 and 2023 based on the inputs used to value them:

Description	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Money Market Fund	\$ 885,488	\$ -	\$ -	\$ 885,488
Mutual and Exchange-Traded Funds	26,846,466	-	-	26,846,466
Total Investments	<u>\$ 27,731,954</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 27,731,954</u>

  

Description	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Money Market Fund	\$ 1,092,156	\$ -	\$ -	\$ 1,092,156
Mutual and Exchange-Traded Funds	23,649,999	-	-	23,649,999
Total Investments	<u>\$ 24,742,155</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,742,155</u>

Level 1 investments consist of a money market fund and mutual and exchange-traded funds valued at their quoted market prices.

Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

**D. Administrative Expenses**

Administrative expenses paid by the Plan in 2024 were as follows:

Recordkeeping Fees	\$ 15,048
Investment Management Fees	<u>30,437</u>
	<u>\$ 45,485</u>

**DECEMBER 31, 2024 AND 2023**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**E. Risks and Uncertainties**

The Plan offers a variety of investments that are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2024 and 2023 and investment income for the year ended December 31, 2024 that is disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Bank of America, trustee of the Plan.

**NOTE 4 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and Plan assets would be distributed based upon the participants' account balances at that time.

**NOTE 5 - INCOME TAX STATUS**

The Plan is a Volume Submitter Plan that has received an opinion letter dated March 31, 2014 from the Internal Revenue Service stating that the form of the Plan complies with applicable sections of the IRC. The Plan has since been amended. However, management and the Plan's administrator believe that the Plan is currently designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 6 - PLAN EXPENSE BUDGET ACCOUNT**

Bank of America provides the Plan with an expense budget account into which Bank of America deposits certain revenue sharing dollars from contract assets. The amounts held in this account are invested in the general account of Bank of America with a revolving interest guarantee, furthermore, the value of this account is guaranteed and carried at contract value. This account is used to pay certain administrative expenses of the Plan. During 2024, \$78,198 in revenue sharing were deposited into the account and \$25,437 was used to pay administrative expenses. \$213,541 and \$151,806 remained available for future use as of December 31, 2024 and 2023, respectively.

**NOTE 8 - RELATED PARTY TRANSACTIONS**

Certain investments held by the Plan are issued and managed by the trustee or its affiliate. Transactions related to these investments qualify as party-in-interest transactions; however, they are exempt from the prohibition under ERISA.

**NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS**

During the year ended December 31, 2024, the Company failed to remit \$7,136 of participant contributions within 15 business days after the month in which they were withheld as required by the Department of Labor. Failure to remit or untimely remittance of participant contributions constitutes a prohibited transaction under Department of Labor regulations. The Company corrected the delinquent participant contributions of \$7,136 in 2025, including making the affected participants whole.

**NOTE 10 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through October 9, 2025, the date these financial statements were available to be issued. There were no material subsequent events that require recognition or additional disclosures in these financial statements.
