### Independent Auditors' Report

#### ***Opinion***

We have audited the financial statements of Policemen's Hospitalization Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the years then ended, and the related notes to financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

The Fund Committee and Plan Administrator  
Policemen's Hospitalization Fund (continued)

***Responsibilities of Management for the Financial Statements (continued)***

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

The Fund Committee and Plan Administrator  
Policemen's Hospitalization Fund (continued)

***Auditors' Responsibilities for the Audit of the Financial Statements (continued)***

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Item 4(i) - schedule of assets (held at end of year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## POLICEMEN'S HOSPITALIZATION FUND

### NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

#### NOTE 1 • DESCRIPTION OF THE PLAN

The following description of the Policemen's Hospitalization Fund (hereafter referred to as the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

##### General

The Plan is a voluntary employee benefit association and is considered to be a defined benefit health and welfare plan. The Plan provides hospital benefits covering all participants in the Jackson, Mississippi Police Department. The Plan and related trust were established on April 20, 1980. The Plan's Fund Committee and Plan Administrator control and manage the operation and administration of the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Jackson Police Department provides law enforcement services to citizens of the capital city of the State of Mississippi.

##### Benefits

The Plan provides hospital benefits to full-time participants and to their covered dependents that enroll in the Plan and make monthly contributions. Retired employees are entitled to similar hospital benefits, provided they continue to pay the monthly contribution amount after retirement.

The Plan does not provide benefits to participants during periods of unemployment and non-payment. Participants and covered dependents that are hospitalized can be reimbursed for 50 percent of their hospital bill (excluding meals, television, and emergency room fees) up to a maximum of \$1,000 in any 12-month period.

Hospital claims of participants and dependents are processed by a claims benefit analyst selected by the President of the Plan's Fund Committee, but the responsibility for payments to participants is retained by the Plan.

##### Contributions

Participating active and retired employees contribute \$10 per month for coverage.

##### Administrative Expenses

During 2024 and 2023, administrative fees related to the audit and management of the Plan were absorbed by the Plan. All other administrative fees, including certain personnel costs of the Jackson Police Department, were absorbed by the Plan Sponsor.

#### NOTE 1 • DESCRIPTION OF THE PLAN (continued)

##### Plan Termination

The Plan's committee, as Sponsor, has the right under the Plan to modify the benefits provided to participants. Although it has no intention to do so, the Plan may be terminated by the committee subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

#### NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

##### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates. Significant estimates include the calculation of claim benefit obligations (i.e., claims incurred but not reported) and the fair value measurement of investments. It is at least reasonably possible that the significant estimates used will change within the next year.

##### Valuation of Investments and Income Recognition

Investments are reported at fair value and any unrealized appreciation or depreciation for the year is reflected in the statements of changes in net assets available for benefits. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

##### Contributions

Contributions from participating active and retired employees are recognized as additions to net assets on a monthly basis coinciding with the month of coverage.

Years Ended December 31, 2024 and 2023

---

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions Receivable

Contributions receivable represents the monthly contribution amounts due to the Plan from participating active and retired employees.

Cash and Cash Equivalents

Cash and cash equivalents include operating funds and money market accounts on deposit with financial institutions.

Claims Currently Payable

Claims currently payable to participants are determined based on evaluations of reported claims.

Payment of Claims

Claims paid to participants are recorded upon distribution.

Post-retirement Benefits

There is no post-retirement benefit obligation due to the nature of the Plan.

Other Plan Benefits

No provision has been made at December 31, 2024 and 2023, for claims incurred by active participants but not reported at that date. Based upon the Plan's time limitation on filing claims (sixty days from date of hospitalization) and prior history, all valid claims have been included in claims payable at December 31, 2024 and 2023.

Concentration of Credit Risk

Financial instruments, which potentially subject the Plan to concentrations of credit risk, consist principally of short-term investments and cash. All money market and bank accounts are in two bank accounts and are insured by the Federal Deposit Insurance Corporation for up to \$250,000. There were no account balances in excess of \$250,000 at December 31, 2024 and 2023.

Subsequent Events

Subsequent events were evaluated by the Plan through October 10, 2025, which is the date the financial statements were available to be issued. The Plan approved an increase to the deductions for current employees from \$4.62 to \$5.00 per pay period, and this will go into effect during December 2025.

## POLICEMEN'S HOSPITALIZATION FUND

### NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

#### NOTE 3 • TAX STATUS

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501(c) 9 of the Internal Revenue Code as a tax-exempt organization. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service dated July 22, 1994, and the Plan Sponsor believes the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

There were no uncertain tax positions identified related to the current year and the Plan has no unrecognized tax benefits at December 31, 2024 or 2023 for which liabilities have been established. The Plan recognizes interest and penalties, if any, related to unrecognized tax benefits as a component of income tax expense.

#### NOTE 4 • FAIR VALUE MEASUREMENTS

Accounting standards establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

POLICEMEN'S HOSPITALIZATION FUND

NOTES TO FINANCIAL STATEMENTS  
Years Ended December 31, 2024 and 2023

NOTE 4 • FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5 • PARTY-IN-INTEREST TRANSACTIONS

During 2024 and 2023, the Plan paid \$14,563 and \$14,925, respectively, in administrative expenses to parties-in-interest. These fees were based on customary and reasonable rates for such services.

### Service Provider Affidavit

I certify that I have been specifically authorized in writing by the plan administrator/employer, as applicable, to enter my EFAST2 PIN on this return/report in order to electronically submit this return/report. I further certify that: (1) I will retain a copy of the administrator's/employer's specific written authorization in my records; (2) I have attached to this electronic filing, in addition to any other required schedules or attachments, a true and correct PDF copy of the first two pages of the completed Form 5500 or Form 5500-SF return/report bearing the manual signature of the plan administrator/employer under penalty of perjury; (3) I advised the plan administrator/employer that by selecting this electronic signature option the PDF image of that manual signature will be included with the rest of the return/report posted by the Department of Labor (DOL) on the Internet for public disclosure; and (4) I will communicate to the plan administrator/employer any inquiries and information that I receive from EFAST2, DOL, IRS or PBGC regarding this annual return/report.
