### **Independent Auditor's Report**

Plan Administrator  
Pyramid Consulting, Inc. 401(k) Profit Sharing Plan

#### **Scope and Nature of the ERISA Section 103(a)(3)(C)**

We have performed audits of the accompanying financial statements of Pyramid Consulting, Inc. 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

### **Independent Auditor's Report (continued)**

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**PYRAMID CONSULTING, INC. 401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS**

**1 – Plan Description**

The following description of the Pyramid Consulting, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution 401(k) profit-sharing plan covering eligible employees of Pyramid Consulting, Inc. (“Plan Sponsor” or “Company”). Reliance Trust Company (“Reliance”) serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Eligible domestic employees who have completed three months of service may participate in the Plan on the first day following the pay period in which the employee is eligible to participate in the Plan.

***Contributions***

Each pay period, participants may elect to make deferral contributions of their pretax compensation, as defined by the Plan, subject to limitations as to the amount under the provisions of the Internal Revenue Code (“IRC”) (\$23,000 for 2024). Participants age 50 and older whose elective contributions have reached the IRC limit are permitted under the Plan to make catch-up contributions up to the IRC catch-up contribution limit (\$7,500 for 2024). The Company is not required and did not make a matching contribution to the Plan.

The Company may make a discretionary contribution to the Plan. Discretionary contributions are allocated based on the ratio of each participant's annual compensation to the total annual compensation of all eligible participants. To receive such a contribution, the employee must participate in the Plan during the Plan year and either be employed on the last day of the Plan year or have completed 500 service hours, as defined, during the Plan year. For the year ended December 31, 2024, the Company made no matching or discretionary contributions to the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**1 – Plan Description (continued)**

***Participant Accounts***

Each participant's account is credited with the participant's contributions, Company contributions, and an allocation of the Plan's investment results. Allocations of the Plan's investment results are based on relative account balances defined by the Plan.

***Investment Options***

Participants can direct their account balances into various investment options offered by the Plan under a flexible investment annuity group contract with the Trustees. Participants may change their contribution percentages each pay period and transfer some or all of the amounts in their accounts between fund options throughout the year.

***Vesting***

Participants are immediately vested in their contributions. Participants vest in Company contributions plus actual earnings thereon as follows:

| <u>Years of service</u> | <u>Vesting percentage</u> |
|-------------------------|---------------------------|
| 1-2                     | 20%                       |
| 2-3                     | 40%                       |
| 3-4                     | 60%                       |
| 4-5                     | 80%                       |
| 5-6                     | 100%                      |

***Distributions***

A participant's vested account balance may be withdrawn upon retirement, termination of employment, or death during the Plan year. Distributions are made in the form of a lump-sum payment. Upon written request and approval, participants may withdraw some or all of their vested account balance while still employed if the withdrawal is necessary due to financial hardship or as otherwise allowed by the Plan.

**PYRAMID CONSULTING, INC. 401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**1 – Plan Description (continued)**

***Notes Receivable from Participants***

A participant may borrow the lesser of 50% of their vested account balance or \$50,000. The loan is secured by the balance in the participant's account and is repaid through payroll deductions over periods ranging up to 60 months unless the loan is used to acquire a principal residence, in which case the loan may be issued for a reasonable time determined by the plan administrator. The plan administrator determines the interest rate based on prevailing market conditions, and is fixed over the life of the loan.

***Plan Termination***

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

**2 – Summary of Significant Accounting Policies**

***Recent Accounting Pronouncements***

As of December 31, 2024, there were no new accounting pronouncements that had or were expected to have, including those not yet adopted, a significant impact on the financial statements or disclosures of the Plan.

The Plan assessed recent accounting pronouncements, noting none that would impact the financial statements or notes to the financial statements.

***Basis of Accounting***

The accompanying financial statements have been prepared using the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to use estimates that affect the accompanying financial statements and disclosures. Actual results could differ from those estimates.

***Risks and Uncertainties***

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Administrative Expenses***

The Company pays certain costs of administering the Plan. These costs include accounting and legal fees. The Plan pays all costs not paid by the Company.

**3 – Fair Value Measurements**

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**PYRAMID CONSULTING, INC. 401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**3 – Fair Value Measurements (continued)**

Level 2—Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following describes the valuation methodology used to measure assets at fair value. There have been no changes in the methodology used as of December 31, 2024 and 2023:

***Mutual Funds***—Valued at the closing price reported on the active market on which the individual securities are traded.

***Common Collective Trust***—This investment consists of the Putnam Stable Value Fund. This fund consists of investments in contracts at the fair value of the underlying investments. The fund may invest in fixed-interest insurance investment contracts, money market funds, corporate and government bonds, mortgage-backed securities, bond funds, and other fixed-income securities. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals. The contract value approximates the net asset value (NAV). The common collective trust is valued at fair value based on the NAV of the underlying investments of participant units held by the Plan as of the last trading day of the period, as reported by the trust managers.

The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

|                                                            | 2024                | 2023         |

| Net assets available for benefits, at fair per Form 5500   | <b>\$32,787,770</b> | \$26,231,025 |

The following is a reconciliation of the increase in net assets per the financial statements to net income per Form 5500 for the year ended December 31, 2024:

Statement of changes in net assets available for benefits:

|                                                                 |             |
|-----------------------------------------------------------------|-------------|
| Increase in net assets per the financial statements             | \$6,796,997 |
| Plus: Excess contributions payable at December 31, 2024         | 10,962      |
| Less: Participant contributions receivable at December 31, 2024 | (239,896)   |
| Excess contributions payable at December 31, 2023               | (11,318)    |
| Net income per Form 5500                                        | \$6,556,745 |

**6 – Excess Contributions Payable**

The Plan is subject to certain compliance requirements under the Internal Revenue Service's non-discrimination rules. For the years ended December 31, 2024 and 2023, the Plan failed certain non-discrimination tests due to lower contribution participation by non-highly compensated eligible Plan participants. Accordingly, as of December 31, 2024 and 2023, the Plan had excess contributions payable \$10,962 and \$11,318, respectively.

**7 – Income Tax Status**

The Company adopted a Prototype Standardized Profit Sharing Plan with a cash or deferral arrangement that received a favorable opinion letter from the Internal Revenue Service (“IRS”) dated October 6, 2020. The opinion letter stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan itself has not filed for an IRS determination letter. The Plan administrator is not aware of any course of action or series of events that would adversely affect the Plan's qualified status.

**PYRAMID CONSULTING, INC. 401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**7 – Income Tax Status (continued)**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audits by taxing jurisdictions; however, no such audits are in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years before 2021.

**8 – Transactions with Parties-In-Interest**

Notes receivable from participants are considered party-in-interest transactions; however, these transactions are exempt from the “prohibited transaction” provisions of the IRC and are not prohibited by ERISA.

**9 – Subsequent Events: Change in Plan Trustee**

Effective February 1, 2025, the Plan changed its trustee from Reliance Trust Company (“Reliance”) to Empower Trust Company, LLC (“Empower”). On February 3, 2025, plan assets totaling approximately \$32,195,291 were transferred in full from Reliance to Empower in accordance with the Plan’s governing documents.

This trustee change and related transfer occurred after the December 31, 2024 reporting date and are therefore reported as subsequent events. The transaction was administrative in nature and did not affect the Plan’s net assets available for benefits as of December 31, 2024, nor did it impact participants’ rights or account balances.

The Plan evaluated events subsequent to December 31, 2024, through October 8, 2025, the date the financial statements were available to be issued, and determined that no other events occurred requiring adjustments to these financial statements.
