## INDEPENDENT AUDITORS' REPORT

### To the Trustees of Legacy Senior Living, LLC 401(k) Plan

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Legacy Senior Living, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits-modified cash basis as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits-modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Legacy Senior Living, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Legacy Senior Living, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of a Matter - Basis of Accounting**

We draw attention to Note 2 to the financial statements, which describe the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, this includes determining that the modified cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Legacy Senior Living, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Legacy Senior Living, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Legacy Senior Living, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all

material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**LEGACY SENIOR LIVING, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**(1) DESCRIPTION OF PLAN**

The following description of the Legacy Senior Living, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General**

Legacy Senior Living, LLC (Sponsor) adopted the multiple employer defined contribution plan covering all employees of Legacy Senior Living, LLC, Annandale Senior Services, LLC, Douglasville Senior Services, LLC, Jacksonville Senior Services, LLC, Moultrie Senior Services, LLC, Prattville Senior Services, LLC, Rome Senior Services, LLC, Providence Senior Living, LLC, Stanardsville Senior Services, LLC, Thomasville Senior Services, LLC, Tifton Senior Services, LLC, Vero Beach Senior Services, LLC, Hendersonville Senior Services, LLC, Madison Senior Services, LLC, Athens Senior Services, LLC, Murrells Inlet Senior Services, LLC, and Opelika Senior Services, LLC. Employees may enter the Plan on the first day of the month coinciding with or next following the completion of 90 days of credited service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Participants may voluntarily contribute up to the maximum percentage allowed not to exceed the limits of IRS Code Sections 401(k). The Sponsor makes a required matching contribution and may also make a discretionary profit sharing contribution. Participants may also contribute amounts from other qualified plans, i.e., rollovers, without the benefit of company matching contribution. Each employer contributes 25% of the first 4% of base compensation that a participant contributes to the Plan not to exceed 1% of total compensation. During the years ended December 31, 2024, the employer matching contributions totaled \$32,411. There were no discretionary profit sharing contributions made during 2024.

**Participant accounts**

Each participant's account is credited with the participant's contribution, employer matching contributions, the allocation of any discretionary contribution, and investment earnings. Allocations are based on participant earnings or account balances, as defined. Participants direct the investments in their accounts into various investment options offered by the Plan. Participants have a pretax as well as a Roth deferral option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contribution account plus actual earnings thereon and any rollovers. Vesting in the employee contributions are based on years of service. A participant is 100% vested after four years of credited service, 25% for each year of service.

**Payment of benefits**

Upon termination of service due to retirement, disability, or death, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account.

**LEGACY SENIOR LIVING, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**(1) DESCRIPTION OF PLAN (continued)**

**Forfeitures**

Forfeitures are created when participants terminate employment prior to becoming fully vested in the employer's contribution portion of their accounts. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$2,300 and \$1,727 respectively. These accounts will be used to reduce administrative expenses and matching employer contributions. During 2024, forfeited accounts were used to reduce administrative expenses by \$3,951.

**Hardship withdrawals**

The Plan permits distributions in the event of a hardship, as defined in the plan document. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59 ½. Hardship withdrawals are not allowed for former employees at the time of the hardship distribution and are limited to the participant's vested pre-tax and Roth elective deferral account balance.

**(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of accounting**

The accompanying financial statements of the Plan have been prepared using the modified cash basis of accounting. Under that basis, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. That basis differs from accounting principles generally accepted in the United States of America.

**Use of estimates**

The preparation of financial statements in conformity with modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investment valuation and income recognition**

The Plan's investments are maintained by Transamerica Life Insurance Company (TLIC) and are stated at fair value of the underlying assets, except for the Transamerica Stable Value Option, which is presented at contract value, which approximates fair value. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Purchases and sales are recorded on a trade date basis. Shares in pooled separate accounts are valued at the net asset value of shares held by the Plan at year end. Participant notes receivable are valued at cost which approximates fair value. Interest income is recorded on the accrual basis.

**Payment of benefits**

Benefits are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid directly by the plan sponsor and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**LEGACY SENIOR LIVING, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**(3) CERTIFIED INVESTMENTS AND INVESTMENT INCOME**

The Plan has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TLIC has certified that the following information, as well as the investment information in the notes to the financial statements and information included in the Schedule of Assets (Held at End of Year) as of the years ended December 31, 2024 and 2023 are complete and accurate.

	<b>2024</b>	<b>2023</b>
Stable value fund	\$ 16,642	\$ 76,379
Pooled separate accounts	\$ 1,216,767	\$ 1,052,969

TLIC has also certified that the following information for the year ended December 31, 2024 is complete and accurate.

Net appreciation of investment		\$ 156,661
--------------------------------	--	------------

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**(4) FAIR VALUE**

FASB ASC 820-10 defines fair value as the price the Plan would receive upon selling an investment in an orderly transaction to an independent buyer in the principal or most advantageous market for the investment. FASB ASC 820-10 established a three tier hierarchy of inputs to establish a classification of fair value measurements for disclosure purposes. The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted market prices that are observable for the asset or liability; (4) inputs that are derived principally from corroborated observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses the following methods and assumptions in estimating the fair values of the Plan's financial instruments:

Pooled separate accounts – Those pooled separate accounts investing in mutual funds or domestic equity securities are measured using quoted prices in active markets for identical assets and are classified as Level 1.

**LEGACY SENIOR LIVING, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**(4) FAIR VALUE (continued)**

The Transamerica Stable Value Option, is considered a fully benefit-responsive investment contract (FBRIC) and should be reflected at contract value within net assets available for benefits (see ASC 962-10, "Plan Accounting - Defined Contribution Pension Plans" on what defines a FBRIC). ASU 2015-12 states that FBRICs should be measured, presented, and disclosed only at contract value and fair value information is not required. Benefit-responsive investment contracts should not be included in the ASC 820 fair value hierarchy tables. The Transamerica Stable Value Option account is presented at the bottom of the table as a reconciling item to total investments on the statements of net assets available for benefits.

The categorization of fair value measurements of the Plan's assets by input level, at December 31, 2024 and 2023 is as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<b><u>December 31, 2024</u></b>				
Pooled separate accounts	\$ 1,216,767	\$ -	\$ -	\$ 1,216,767
Transamerica Stable Value Option				16,642
Total investments				\$ 1,233,409
 <b><u>December 31, 2023</u></b>				
Pooled separate accounts	\$ 1,052,969	\$ -	\$ -	\$ 1,052,969
Transamerica Stable Value Option				76,379
Total investments				\$ 1,129,348

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2024 and 2023 are reported in net appreciation or depreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

**(5) STABLE VALUE FUND**

Transamerica's Stable Value Option (SVF) complies with the Financial Accounting Standards Board's (FASB's) fully benefit-responsive requirements, and thus is reportable at contract value in the plan's financial statements.

Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six month period. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six month period. There is no stated minimum or maximum interest rate for the SVF.

**(5) STABLE VALUE FUND (continued)**

The SVF is backed by the general account of TLIC or Transamerica Financial Life Insurance Company (TFLIC). While TLIC or TFLIC declare rates periodically and back the principal and interest of this investment choice, any guarantees are subject to the claims paying ability of the insurance company. This investment choice is not guaranteed by the FDIC or any other government agency. Although plan participants generally may withdraw assets from the SVF investment without restrictions, TLIC may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance.

The SVF, as a deposit liability of Transamerica with no underlying assets, would have no direct investments on behalf of the plan. The assets are based on the general unallocated account of Transamerica and the risk of investment is based on Transamerica's insurance ratings.

Certain events limit the Plan's ability to transact at contract value. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**(6) PARTIES IN INTEREST**

Certain plan investments are shares of pooled separate accounts and a stable value fund managed by TLIC. TLIC is the trustee as defined by the Plan and, therefore, these transactions are considered as party-in-interest transactions. Fees paid by the Plan for the investment management and advisory services amounted to \$17,807 for the year ended December 31, 2024.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**(7) PLAN TERMINATION**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

**(8) INCOME TAX STATUS**

The Sponsor adopted a defined contribution volume submitter plan and trust document sponsored by Transamerica Life Insurance Company. The volume submitter plan sponsor has received an opinion letter from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan opinion letter, dated June 1, 2021, has been relied upon by the Plan. The Plan has been amended since receipt of the opinion letter, however, the plan administrative committee believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code and therefore believes that the plan is qualified and the related trust is tax-exempt. Current standards require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is not subject to income tax examinations for years prior to 2021.

**(9) RISKS AND UNCERTAINTIES**

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

**(10) SUBSEQUENT EVENTS**

Management noted no additional transaction that would provide evidence about material conditions that did not exist at the balance sheet date but arose subsequently, through the date these financial statements were available to be issued, October 10, 2025.
