INDEPENDENT AUDITORS' REPORT

To the Investment Committee and Plan Management
Chattahoochee Enterprises Retirement Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Chattahoochee Enterprises Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Chattahoochee Enterprises Retirement Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by a bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Chattahoochee Enterprises Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statement are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Chattahoochee Enterprises Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Chattahoochee Enterprises Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental information in the accompanying Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHATTAHOOCHEE ENTERPRISES RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE A – DESCRIPTION OF THE PLAN

The following description of the **Chattahoochee Enterprises Retirement Plan** (the **Plan**) provides only general information. Participants should refer to the **Plan** document for a more complete description of the **Plan's** provisions.

The participating related employers under the **Plan** include Builder Support Services, Inc. (BSS); Cabinetcraft, LLC (CC); JWH Golf, LLC (Golf); Neighborhood Management Associates (NMA); Wieland Financial Services, Inc. (WFS); and Chattahoochee Enterprises, LLC (CE) (the **Companies**). CC and CE are the only participating related employers with active employees for 2024 and 2023.

General

The **Plan** is a defined contribution plan covering all full-time employees of the **Companies**, as defined in the **Plan** document, who have completed ninety days of service and are age twenty-one or older. For purposes of being eligible for the employer discretionary matching and discretionary nonelective contributions, the individual must be employed on the last day of the **Plan** year and must have completed at least 1,000 hours of service during the **Plan** year. The **Plan** is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year participants may contribute up to 100% of pretax eligible compensation, as defined in the **Plan** document. If a newly eligible participant fails to file a salary reduction election with the **Plan** administrator, such participant will be automatically enrolled in the **Plan** to contribute 3% of pretax eligible compensation and those contributions are invested in a default fund until changed by the participant. The default fund is currently established as the American Funds Target Date Retirement Fund based on age. Participants who have attained age 50 before the end of the **Plan** year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, referred to as rollovers.

Effective January 1, 2022, the **Plan** was modified to include safe harbor matching contributions equal to 100% of the participant's elective deferral, not to exceed 6% of the participant's annual compensation. The **Companies** may also make discretionary matching and nonelective contributions. Contributions are subject to certain limitations.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE A – DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

Participants direct the investment of their contributions, employer safe harbor matching contributions, employer discretionary matching contributions, and employer discretionary nonelective contributions into various investment options offered by the **Plan**. The **Plan** currently offers various mutual funds and a fully benefit-responsive investment contract as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution, the **Companies'** safe harbor matching, discretionary matching, and discretionary nonelective contributions, and an allocation of the **Plan** earnings or losses. Each participant is charged with an allocation of investment expenses, administrative expenses, and fees. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the **Plan** document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and the **Companies'** safe harbor matching contributions plus actual earnings thereon. Vesting in the **Companies'** discretionary matching and discretionary nonelective contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service. If continuous service is terminated by death, disability, or retirement, participants or their beneficiaries become 100% vested in their accounts.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' accounts and bear interest at prime plus 1%. The maximum term for all loans is five years, except for loans used to acquire a principal residence, which has a maximum term of ten years. Principal and interest are paid ratably through bi-weekly payroll deductions. A participant can have no more than one loan outstanding from the **Plan** at any point in time.

NOTE A – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, the participant or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in their account if their vested interest does not exceed \$1,000. If the vested interest exceeds \$1,000 but is less than \$5,000, the participant or beneficiary can elect to receive a lump-sum amount, or the vested interest will be automatically rolled over to an IRA account for the benefit of the participant or beneficiary at a provider selected by the **Plan** administrator. If the vested interest exceeds \$5,000, the participant or beneficiary can elect to receive a lump-sum or partial amount, or an amount in installments with the option to defer until retirement age.

Distributions may also be taken by participants prior to termination of service in the event of financial hardship, as defined in the **Plan** document.

Participants who are age fifty-nine and a half or older may also withdraw from their vested account balance prior to termination of service, as defined in the **Plan** document.

If a qualified domestic relations order is received by the **Plan** administrator, all or a portion of the participant's account balance may be used to satisfy the obligation.

Forfeited Accounts and Excess Revenue Sharing

During the years ended December 31, 2024 and 2023, additions to forfeited nonvested accounts including earnings and excess revenue sharing income totaled \$11,554 and \$9,546, respectively. These accounts may be used to reduce future employer contributions, to reallocate as additional employer contributions, or to pay **Plan** expenses. During the years ended December 31, 2024 and 2023, forfeited nonvested accounts used to reduce employer contributions totaled \$3,107 and \$9,838, respectively. During the years ended December 31, 2024 and 2023, forfeited nonvested accounts used to pay plan expenses totaled \$7,343 and \$445, respectively. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$19,271 and \$18,167, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the **Plan** have been prepared using the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles. Accordingly, investment income is recognized when received, disbursements are recognized when made, and employer and participant contributions, if any, are accrued at year-end.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the **Plan** administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Accounting for Uncertainty in Income Taxes

The **Plan** recognizes material amounts of uncertain tax positions as income tax expense. The **Plan** recognizes accrued interest and penalties associated with uncertain tax positions as part of deductions from net assets.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in a timely transaction with an independent buyer in the principal market, or in the absence of a principal market, the most advantageous market for the asset or liability (see Note D). Contract value is the relevant measurement for fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the **Plan** (see Note E).

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as fees and are expensed when incurred. The **Plan** administrator reviews the collectability of all notes receivable and any delinquent notes receivable are recorded as distributions based on the terms of the **Plan** document.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefit payments are recorded when paid by the **Plan**.

Administrative Expenses

Pursuant to provisions of the **Plan**, expenses incurred in the administration of the **Plan** may be paid by the **Plan** or the **Companies**. The administrative expenses paid from **Plan** assets are either shared by all participants or charged directly to the account of the participant on whose sole behalf the expense was incurred. Currently, substantially all administrative expenses are being paid by the **Plan**. During 2024 and 2023, administrative expenses of \$41,756 and \$16,803, respectively, were paid using forfeited accounts and excess revenue sharing. Investment related expenses and excess income received from revenue sharing arrangements are included in net appreciation in fair value of investments.

Subsequent Events

The **Plan** administrator has evaluated subsequent events that have occurred up through September 30, 2025, the date the financial statements were available to be issued. No material subsequent events have occurred since December 31, 2024 that required recognition or disclosure in the current period financial statements.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S INSURANCE COMPANY AND TRUSTEE

The **Plan** administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the **Plan's** independent auditors did not perform any auditing procedures with respect to the following information certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (Empower) as complete and accurate, except for comparing such information with information included in the **Plan's** financial statements and supplemental schedule:

- Investments at fair value and at contract value as shown in the accompanying statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023.

CHATTAHOOCHEE ENTERPRISES RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

**NOTE C – INFORMATION CERTIFIED BY THE PLAN'S INSURANCE COMPANY
AND TRUSTEE (Continued)**

- Net appreciation in fair value of investments, interest, and dividends as shown in the accompanying statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2024 and 2023.
- All investment-related information in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2024.

NOTE D – FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurement, provides the framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Following is a description of the valuation methodology used for investment assets measured at fair value.

CHATTAHOOCHEE ENTERPRISES RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

Mutual Funds: The daily closing price as reported by the fund is used to estimate fair value. Mutual funds held by the **Plan** are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the **Plan** are deemed to be actively traded. A transfer into certain funds is not permitted if a prior transfer was made out of the same fund in the previous 30 days.

All of the **Plan's** investments at fair value are mutual funds and are classified within the fair value hierarchy in Level 1.

NOTE E – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The **Plan** maintains a traditional guaranteed investment contract with Empower that is fully benefit-responsive. Empower maintains the contributions in a general account. The account is credited with earnings and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the **Plan**. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The investment contract does not permit Empower to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the **Plan**. Contract value, as reported to the **Plan** by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The **Plan's** ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

CHATTAHOOCHEE ENTERPRISES RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE E – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

Certain events might limit the ability of the **Plan** to transact at contract value with the contract issuer. Such events include (1) amendments to the **Plan** documents, including complete or partial **Plan** termination or merger with another plan, (2) changes to the **Plan's** prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the **Plan** sponsor or other **Plan** sponsor events, for example, divestitures or spin-offs of a subsidiary that cause a significant withdrawal from the **Plan**, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

No events are probable of occurring that might limit the ability of the **Plan** to transact at contract value with the contract issuers and that also would limit the ability of the **Plan** to transact at contract value with participants.

In addition, certain events allow the issuer to terminate the contracts with the **Plan** and settle at an amount different from contract value. Such events include (1) an uncured violation of the **Plan's** investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuers.

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

During 2024, three members of the **Plan's** investment committee participated in the **Plan**. These members were officers of the **Companies**. CE is the **Plan** administrator.

The **Plan** maintains a guaranteed investment contract with Empower. Empower provides certain administrative services to the **Plan**. Empower receives revenue sharing from mutual funds and other service providers for services Empower provides to the funds. This revenue sharing is used to offset certain **Plan** expenses.

If the revenue sharing received by Empower from such mutual funds or service providers exceeds the amount of **Plan** expenses, the excess is remitted to the **Plan**. Such amounts may be used to pay future **Plan** expenses or allocated to the accounts of the participants. During 2024 and 2023, excess revenue sharing of \$7,987 and \$5,378, respectively, was remitted to the **Plan** and is included in net appreciation in fair value of investments.

CHATTAHOOCHEE ENTERPRISES RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE G – PLAN TERMINATION

Although they have not expressed any intent to do so, the **Companies** have the right under the **Plan** to discontinue its contributions at any time and to terminate the **Plan** subject to the provisions of ERISA. In the event of **Plan** termination, participants will become 100% vested in their accounts.

NOTE H – TAX STATUS

The Internal Revenue Service has determined and informed Empower, by a letter dated November 14, 2022, that the **Plan** and related trust are designed in accordance with applicable requirements of the IRC. Although the **Plan** has been amended since receiving the determination letter, the **Plan** administrator and the **Plan's** tax counsel believe that the **Plan** is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that that **Plan** is qualified, and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the **Plan's** financial statements.

For the years ended December 31, 2024 and 2023, the **Plan** administrator believes there were no material amounts of uncertain tax positions. Additionally, there were no amounts of interest or penalties recognized in the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023 or the statements of changes in net assets available for benefits (modified cash basis) for the years then ended. Further, the year ended December 31, 2021 and all years subsequent remain subject to examination.

NOTE I – RISKS AND UNCERTAINTIES

The **Plan** invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).
