Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Watkins & Eager PLLC 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for the Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

Executive Committee
Watkins & Eager PLLC
401(k) Savings Plan (continued)

Opinion (continued)

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Executive Committee
Watkins & Eager PLLC
401(k) Savings Plan (continued)

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Executive Committee
Watkins & Eager PLLC
401(k) Savings Plan (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, 4(i) - schedule of assets (held at end of year), as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Executive Committee
Watkins & Eager PLLC
401(k) Savings Plan (continued)

Other Matter - Supplemental Schedule Required by ERISA (continued)

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WATKINS & EAGER PLLC
401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2024 and 2023

NOTE 1 • DESCRIPTION OF THE PLAN

The following description of Watkins & Eager PLLC (hereafter referred to as the "Company") 401(k) Savings Plan (hereafter referred to as the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees and members who have completed one (1) year of service. An employee or member may begin participation in the Plan on the earlier of January 1 or July 1, following the date on which the employee or member meets the eligibility requirements. The Company's Executive Committee and Plan Administrator control and manage the operation and administration of the Plan. Vanguard Fiduciary Trust Company ("Vanguard") serves as the Trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Company is engaged in the practice of law in Jackson, Mississippi, and Birmingham, Alabama, as a professional limited liability company.

Contributions

Participants may contribute up to the tax law dollar limit (\$23,000 for 2024 and \$22,500 for 2023) of their compensation to the Plan. Additionally, participants aged 50 and older can elect to make additional catch-up deferrals as described in the Plan. The Company matches an amount equal to 100 percent of each Participant's deferral contribution, not exceeding 4 percent of the Participant's compensation. The Company makes profit sharing contributions to participants based on a discretionary percentage of the participant's total compensation. Participants who are members of the Company fund 100 percent of their match and profit-sharing contributions from their Company distributions. Contributions are subject to certain limitations. The Company's matching contributions totaled \$501,890 in 2024 and \$506,771 in 2023. The Company's profit-sharing contributions totaled \$1,496,829 in 2024 and \$1,443,805 in 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings. Allocations of Plan earnings are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's match contribution and discretionary contribution portions of their accounts, plus actual earnings thereon, is 100 percent at all times.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2024 and 2023

NOTE 1 • DESCRIPTION OF THE PLAN (continued)

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any investment option offered by the Plan. Participants may change their investment options, subject to the frequent trading policies of Vanguard and its affiliates.

Loan Policy

Loans are not permitted under the Plan.

Payment of Benefits

Upon termination of service, participants with vested benefits of \$1,000 or less are automatically paid a single lump sum payment, unless participants request a direct rollover of such funds to an IRA or an eligible plan of another employer within ninety (90) days; participants with vested benefits greater than \$1,000 but not greater than \$5,000 are given the choice of an IRA rollover or a lump sum payout (if an election is not made within a reasonable period, the participant's distribution will be automatically rolled over to an IRA); and, participants with vested benefits in excess of \$5,000 may select options available under the Plan for payment of benefits.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Administrative Expenses

During 2024 and 2023, certain record-keeping fees were paid by the Plan. All other administrative expenses were paid by the Plan sponsor.

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Years Ended December 31, 2024 and 2023

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates. Significant estimates include the fair value measurement of investments. It is at least reasonably possible that the significant estimates used will change within the next year.

Employee and Employer Contributions

Employee deferral contributions and respective matching contributions are recognized as additions to net assets on the date on which such employee deferrals would otherwise have been payable to the participant. Employer discretionary contributions are recognized as additions to net assets upon formal approval by the members of the Company/Plan sponsor. Employee rollover contributions are recognized as additions to net assets on the date transferred from other qualified plans.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract which is reported at contract value) and any unrealized appreciation or depreciation for the year is reflected in the statements of changes in net assets available for benefits. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Contracts with Insurance Companies

The Plan has entered into insurance contracts with insurance companies for which the insurer has a legal obligation to make all benefit payments for which the insurer has received premiums. The cash surrender values of the insurance contracts are carried as an asset of the Plan and any change in the cash surrender value for the year is reflected in the statements of changes in net assets available for benefits.

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Concentration of Market Risk

The Plan assets include a significant amount of registered investment companies and common collective trust which invest primarily in marketable equity securities and fixed income securities. Accordingly, the performance of the investments is dependent on the equity and debt securities markets which involve price volatility. Additionally, the registered investment companies and common collective trust may invest in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events were evaluated by the Plan through October 9, 2025, which is the date the financial statements were available to be issued.

NOTE 3 • RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of mutual funds managed by an affiliate of Vanguard. Vanguard acts as Trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions, which are exempt from prohibited transaction rules. Party-in-interest transactions were certain record-keeping fees payable to the Plan Trustee of \$19,657 and \$18,788 in 2024 and 2023, respectively. Such fees are based on customary and reasonable rates for such services.

NOTE 4 • INVESTMENT INFORMATION CERTIFIED BY PLAN TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments and interest and dividends for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company (the trustee of the Plan).

NOTE 5 • FAIR VALUE MEASUREMENTS

Fair value measurements define fair value as the price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. Fair value measurements establish a fair value hierarchy that prioritizes the observable and unobservable inputs used to measure fair value into three broad levels:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 • FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 125,337,411	\$ -	\$ -	\$ 125,337,411
Total investments at fair value	\$ 125,337,411	\$ -	\$ -	\$ 125,337,411

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 112,178,308	\$ -	\$ -	\$ 112,178,308
Total investments at fair value	\$ 112,178,308	\$ -	\$ -	\$ 112,178,308

NOTE 6 • COMMON COLLECTIVE TRUST FUND

The Plan has entered into a traditional fully benefit-responsive investment contract with Vanguard totaling \$6,862,519 and \$7,465,424 for December 31, 2024 and 2023, respectively. Vanguard maintains the contributions in a general account which invests primarily in synthetic investment contracts. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Vanguard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 6 • COMMON COLLECTIVE TRUST FUND (continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA and premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract or (3) a material misrepresentation or a material amendment to the agreement without the consent of the issuer.

NOTE 7 • INCOME TAX STATUS

The Plan adopted a non-standardized form of a prototype plan sponsored by USI Consulting Group. The prototype plan has received an opinion letter from the Internal Revenue Service, dated June 30, 2020, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan.

Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

There were no uncertain tax positions identified related to the current year and the Plan has no unrecognized tax benefits at December 31, 2024 and 2023, for which liabilities have been established. The Plan recognizes interest and penalties, if any, related to unrecognized tax benefits as a component of income tax expense.

NOTE 8 • SECURE 2.0 ACT

On December 29, 2022, the Securing a Strong Retirement Act of 2022 ("SECURE 2.0") was signed into law. SECURE 2.0 has key effective dates which vary by provision. The plan has adopted and implemented all mandatory provisions to date with other provisions to be phased in over the next few years in accordance with applicable law and IRS guidance. Written amendments to the Plan to reflect these operational changes will be adopted at a later date.
