(1) Name: **SISTERSON & CO. LLP**

(2) EIN: **25-1467156**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

- a** Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)
- b** Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)
- c** Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)
- d** Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)
- e** Was this plan covered by a fidelity bond?
- f** Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?
- g** Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?
- h** Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?
- i** Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)
- j** Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)
- k** Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?
- l** Has the plan failed to provide any benefit when due under the plan?
- m** If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)
- n** If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants
Mid Atlantic Capital Group
Retirement Savings Plan

Opinion

We have audited the accompanying financial statements of Mid Atlantic Capital Group Retirement Savings Plan (“Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statements of assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT

(continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT

(continued)

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

MID ATLANTIC CAPITAL GROUP
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of the Mid Atlantic Capital Group Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Mid Atlantic Capital Group ("Company"), except for nonresident aliens, and effective February 15, 2024, interns and temporary employees. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provision of the Internal Revenue Code ("IRC") and similar state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Employees become eligible to make deferrals once they have attained age 18. Employees become eligible to receive discretionary matching and profit sharing contributions once they have attained age 18 and have completed 6 months of service. Plan entry dates are the first day of the month coinciding with or following the date the eligibility requirements are met. On July 1, 2023, the Plan adopted an automatic enrollment feature for all eligible employees who do not opt out. The automatic deferral for those who do not opt out is 3%, increasing annually by 1% up to a maximum of 10%, into a Vanguard Target Retirement fund based upon the participant's year of birth.

Contributions

Plan participants may contribute to the Plan under a salary deferral arrangement. An eligible participant may elect to contribute up to 100% of pre-tax or after-tax compensation to the Plan. Contributions are subject to certain IRC limitations. In addition, in any calendar year in which a participant is age 50 or above, an additional catch-up contribution may be made. The Plan also permits rollover contributions of retirement benefits received from other qualified plans.

The Company may provide a discretionary matching contribution equal to a percentage of the participant's salary deferral as determined by the Company's Board of Directors. The Company may also provide a discretionary profit sharing contribution. Profit sharing contributions are allocated to participants based on their compensation as defined in the Plan document. The Company provided a 50% match on employee contributions up to 6% of eligible compensation in both 2024 and 2023. The Company did not make any discretionary profit sharing contributions in 2024 and 2023.

NOTE 1 - PLAN DESCRIPTION (continued)

Participant accounts

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, Company matching contributions, and profit-sharing contributions plus actual earnings thereon.

Notes receivable from participants

Participants may request a loan from the Plan. The maximum amount that participants may borrow is equal to the lesser of \$50,000 reduced by all prior outstanding loan balances, or one-half of their vested account balance. A participant may have two loans outstanding at any time. The minimum amount a participant may borrow is \$1,000. Repayment terms generally may not exceed 5 years. Interest on loans is charged at a reasonable interest rate as defined in the Plan document. Participant loans currently bear interest ranging from 4.25% to 9.50%. Participant loans are collateralized by the participant's vested account balance.

Payment of benefits

Upon termination of service due to retirement, death, or other reasons, the participant's vested benefit is to be distributed in a manner, as defined in the Plan document, chosen by the participant or beneficiary. If the participant's vested account balance is \$5,000 or less, payment is to be paid in a single sum. A terminated participant may also elect to retain their vested account balance with the Plan until required to take mandatory distributions at age 72.

The Plan provides for normal retirement at the age of 65, and early retirement at the later of the date a participant reaches the age of 55 or the completion of 10 years of service.

Administrative expenses

Expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

MID ATLANTIC CAPITAL GROUP
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such manner as the Company may determine.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Cash

The Plan maintains its cash in a bank account, which at times may exceed federally insured limits. The cash account is administered by the Company. The Plan has not been exposed to any significant credit risk on cash balances.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by investment advisers, the custodian, and the trustees of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Dividend and interest income is recorded as earned. Capital gain distributions from mutual funds are included in dividend income. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Loan fees are paid by the participant and are deducted from the proceeds of the loan.

Payment of benefits

Benefit payments are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions. Those estimates and assumptions may affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and the reported amounts of revenue and expenses. Actual results could differ from those estimates.

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quotes prices in active markets for identical assets or liabilities (Level I), and the lowest priority to unobservable inputs (Level III). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Level I – Valuations based on unadjusted quoted prices available in active markets for identical assets or liabilities. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment. The Plan includes investments in mutual funds and equities and mutual funds maintained in self-directed brokerage accounts in Level I.

Level II – Valuations based on quoted prices for similar assets in active or inactive markets, inputs other than quoted prices that are observable, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. The Plan has no Level II investments.

Level III – Valuations based on inputs that are unobservable and significant to the overall fair value measurement. The Plan has no Level III investments.

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS (continued)

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets, and other characteristics particular to the security. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in Level III.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Management is responsible for the Plan's fair value valuation policies, processes, and procedures. These control processes are designed to assure that the values used for financial reporting are based on observable inputs wherever possible. In the event that observable inputs are not available, the control processes are designed to assure that the valuation approach utilized is appropriate and consistently applied and that the assumptions are reasonable.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2024 and 2023:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. Shares of mutual funds are valued at quoted market prices which represent the net asset value ("NAV") of shares held by the Plan as of year-end. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed Brokerage Accounts: Accounts consist primarily of equities and mutual funds valued at quoted market prices.

Collective Trust Funds: Stated at fair value as determined by the issuer of the collective trust fund based on the fair value of the underlying investments, which is valued at the NAV of units of the collective trust fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

Cash Equivalents: Stated at fair value as determined by the issuer based on the fair value of the underlying accounts, which are valued at the NAV of units of the cash management accounts. The NAV is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

The following table summarizes the valuation of the Plan's investments by fair value hierarchy as described above as of December 31:

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

Investment	Fair Value		Redemption frequency (if currently eligible)	Redemption notice period	Unfunded commitments
	2024	2023			
MetLife Unified Trust Stable Value Fund (a)	\$ 611,749	\$ 672,009	Daily	None	N/A
Deposit Management Program I (b)	1,253,140	1,412,171	Daily	7 days	N/A

(a) MetLife Unified Trust Stable Value Fund is a common collective trust fund established, operated, and maintained by MetLife. The primary investment objective of the fund is to provide safety of principal, adequate liquidity and a competitive yield with low return volatility.

(b) The Deposit Management Program I is available as a cash option for participants who value safety, have a low risk tolerance and/or are concerned about the liquidity of their investments. Each participant's cash equivalent balance is spread among participating banks using weightings which are determined by the capacity each bank has made available to the program. The participating banks and their associated weightings may change from time to time. Accounts at these participating banks are insured by the Federal Deposit Insurance Corporation, which at times may exceed the federally insured limits.

NOTE 4 - TAX STATUS

The sponsor of the volume submitter plan document has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the underlying volume submitter plan is qualified under Section 401 of the IRC and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401 (a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and currently being operated in compliance with the applicable provisions of the IRC, and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

NOTE 4 - TAX STATUS (continued)

U.S. GAAP prescribes rules for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the Plan's tax returns. Management has determined that the Plan does not have any uncertain tax positions and associated unrecognized tax benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Plan's tax returns will not be challenged by the taxing authorities and that the Plan will not be subject to additional tax, penalties, and interest as a result of such a challenge. Generally, tax returns for the years ended December 31, 2021 and thereafter remain subject to examination by the appropriate taxing authority.

NOTE 5 - RISK AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of these investments will occur in the near term and that such change could materially affect the amounts reported in the statements of assets available for benefits and participants' individual account balances.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Company. The Company is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan also holds notes receivable from participants, which qualify as party-in-interest transactions.

NOTE 7 - SUBSEQUENT EVENTS

The accompanying financial statements include an evaluation of events and transactions that have occurred after December 31, 2024 through October 13, 2025, the date the financial statements were available to be issued.
