INDEPENDENT ACCOUNTANT'S REPORT

To the Participants and Administrative Committee
of Open Systems Technologies Corp
401(k) Profit Sharing Plan & Trust
Gainesville, VA 20155

Scope and Nature of the ERISA Section 103(a)(3)C Audit for the 2023 Financial Statements

I have performed an audit the accompanying financial statements of the Open Systems Technologies Corp 401(k) Profit Sharing Plan and Trust Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) as permitted by ERISA Section 103(a)(3)C. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)C pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)C, my audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a State or Federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024 stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Auditor's Responsibility for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)C Audit of the Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- * Exercise professional judgment and maintain professional skepticism throughout the audit.
- * Identify an assess risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion the effectiveness of Open Systems Technologies Corp 401(k) Profit Sharing Plan and Trust Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well evaluate the overall presentation of the financial statements.
- * Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Open Systems Technologies Corp 401K Profit Sharing Plan and Trust Benefit Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)C audit is to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibility for the Audit of the 2024 Financial Statements (continued)

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

2024 Supplemental Schedules Required by ERISA

The supplemental information of Schedule H, line 4i Schedule of Assets (Held at End of Year) and Line 4j Schedule of Reportable Transactions, as of and for the year ending December 31, 2024, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and disclosure under ERISA.

In my opinion:

- * The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- * The information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)C.

Report on the 2023 Financial Statements

The 2023 financial statements of Open Systems Technologies Corp 401K Profit Sharing Plan & Trust Benefit Plan were audited by me in a report dated September 24, 2024. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and disclosure under ERISA, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information certified by the qualified institution. The 2023 financial statements have been restated to include Company and Participant Contributions receivable, per note H.

OPEN SYSTEMS TECHNOLOGIES CORP
401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE A - GENERAL DESCRIPTION OF THE PLAN

The following description of the Open Systems Technologies Corp ("the Company") 401(k) Profit Sharing Plan & Trust ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which was established January 1, 2009, covering all full-time and part-time employees of the Company and its affiliates who are over the age of 21 and have completed one consecutive month of eligibility service for employee deferrals and after completing 1 year of eligible service for employer profit sharing contributions. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), under ERISA 404(C) Compliance.

Contributions

Each year, participants may contribute the lower of up to 92% of pretax annual compensation, as defined in the Plan subject to statutory limitations of the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified defined benefit or contribution plans and Roth Elective Deferrals. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes a safe harbor matching base rate contribution of 100% of participants salary deferrals up to 3%, and 50% of salary deferrals between 3% and 5%. The company may also contribute a non-elective Pre-Determined allocation group contribution; however, no such contribution was elected for the year ended December 31, 2023. Participants also direct the investment of Company contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and any potential employer's matching contribution plus allocations of (a) the Company's discretionary contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

	<u>2024</u>	<u>2023</u>
Retired or separated participants with current or future benefits	48	54
Number of Participants with account balances as of the end of year	162	173
Number of active participants at the end of the plan year	173	170

Vesting

Participants are immediately vested in their contributions and earnings thereon. Company matching contributions are vested at 100% upon contribution. Employer Profit Sharing contributions are 100% vested upon contribution.

Loan to Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant loan funds. Loan terms can range from 12-54 months up to 120 months for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Interest rates are equal to the prime rate at the time of the loan, plus 1%. Principal and interest is paid ratably through payroll deductions. Interest income is not due until the payment is received and is recorded at that time.

OPEN SYSTEMS TECHNOLOGIES CORP
401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE A - GENERAL DESCRIPTION OF THE PLAN (continued)

Payment of Benefits

On termination of service for any reason, participants will receive benefits equal to the value of the vested interest in his or her account. Participants with a vested balance less than \$1,000 will receive a mandatory lump-sum distribution. For terminated participants with a vested account balance greater than \$1,000, but less than \$5,000, the Plan Administrator will make a direct rollover of the participant's account to an individual retirement account designed by the Plan Administrator. Participants with a vested account balance greater than \$5,000 may elect to receive their benefits in either a lump-sum or in installment payments, or defer payment of benefits until a later date.

Withdrawals from a participant's salary deferral account may also be made in the event of a financial hardship, in accordance with the provisions specified in the Plan.

Participants who are at least 59 1/2 years of age may withdraw all or a portion of their vested account balance prior to termination.

Forfeitures

Plan Forfeitures are used to reduce plan expenses, to reduce employer contributions (other than elective deferrals) or as an employer profit sharing contribution in a ratio of participant compensation to total compensation for the plan year. The December 31, 2024 there were no plan forfeitures.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition (SFAS 157)

The Company has adopted SFAS No. 157, "Fair Value Measurements". SFAS No. 157 applies to all financial instruments that are measured and reported on a fair value basis.

As defined in SFAS No. 157, fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. In determine fair value, the Company utilizes certain assumptions that market participants would be used in pricing the asset or liability, including assumptions about risk and/or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated or generally unobservable inputs and minimize the use of unobservable inputs. Based on the examination of the inputs used in the valuation techniques, the Company is required to prove the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 - Quoted market prices in active markets for identical assets or liabilities

Level 2 - Observable market based inputs or unobservable inputs that are corroborated by market data

Level 3 - Includes significant inputs to the valuation methodology that are unobservable and may include assumptions about market participant assumptions.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)

The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

MUTUAL FUNDS

Mutual funds are classified in Level 1 of the hierarchy as fair value is based on quoted prices in active markets for identical securities.

INTEREST BEARING CASH (Money Market Fund)

Interest bearing cash is classified in Level 1. Funds are invested in Federated US Treasury cash reserves Institutional Shares.

The following table presents the financial instruments carried at fair value as of December 31, 2024, by the TOPIC ASC 820 valuation hierarchy, as described above.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Interest Income

Interest income is recorded as earned.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs, principally accounting and administrative fees, are paid directly by the Company. Other administrative expenses and investment advisory fees are paid by the Plan.

Participant Loans

Participant loans are recorded on the accrual basis, inclusive of accrued interest.

Interest income from participant loans is recorded when paid.

No provision for uncollectible loans is recorded, as management records defaulted amounts as deemed uncollectible. Participant loans are as follows:

Balance at December 31, 2023	\$	124,467
New loans		129,844
Interest payments		12,272
Principal payments		(126,524)
Deemed distribution		-
Balance at December 31, 2024	\$	<u>140,059</u>

Risks and Uncertainties

The Plan provides for various investment options in any combination of a variety of mutual funds. Investments in mutual funds are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain mutual funds and the level of uncertainty related to changes in the value of mutual funds, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statements of changes in net assets available for benefits.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE C - INVESTMENTS

Plan assets are currently held in participant separate accounts through MidAtlantic Trust Corp, the current custodian. Plan members direct the investment of their contributions into various investments options offered by the Plan. The Plan offers mutual funds and common trust funds, as investment options for the Plan participants.
