Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wayfinder Family Services 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wayfinder Family Services 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wayfinder Family Services 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wayfinder Family Services 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WAYFINDER FAMILY SERVICES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

Wayfinder Family Services 401(k) Retirement Plan (“the Plan”) was formerly known as Junior Blind of America 401(k) Retirement Plan. It was renamed effective January 1, 2018. The following description of the Plan provides only general information. Participants should refer to the Plan’s documents for a more complete description of the Plan’s provisions.

General

The Plan is a contributory defined contribution plan of Wayfinder Family Services (“Wayfinder”). Effective July 1, 2010, the Plan was amended and restated. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Benefits

The Plan covers all employees of Wayfinder who have worked at least three months during the twelve month plan period and are eligible to participate in the Plan. The safe harbor employer matching contribution is up to 5% of the employee’s deferred salary as approved by the plan documents. Employees are eligible for profit sharing contributions if they have completed one year of service. In addition, participants qualifying for age-based provisions may contribute an additional catch-up deferral.

Plan earnings are allocated to all participant-directed accounts, with each participant having a separate and distinct basis for earnings allocation, and may be valued at any time during the year.

Vesting

Participants are fully vested, at all times and in all events, in their salary deferral and employer matching contributions plus actual earnings thereon. Participants are fully vested in the profit sharing contributions after four years of credited service.

Notes Receivable from Participants

Participants may borrow up to 50% from their vested account balance, to a maximum amount of \$50,000. The maximum loan term is five years, although it may be longer for the purchase of a primary residence. The loans are secured by the balance in the participant’s account and bear interest at 2% above the Wall Street Journal prime rate at the time the loan is approved.

Payment of Benefits

Benefits under the Plan are paid in the form of a lump-sum amount equal to the value of the participant’s account.

Administrative Expenses

Wayfinder absorbs all administrative expenses of the Plan other than the contract services charged by the custodians.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Death Benefits

If an active employee dies, the employee's benefit becomes 100% vested and the beneficiary will receive the balance of the employee's account.

Forfeitures

At December 31, 2024 and 2023, forfeited non-vested occurred. These amounts may be used to reduce plan expenses and any remaining forfeitures may be used to reduce employer contributions. No forfeitures were used during the year ended December 31, 2024.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned, and related fees are recorded as administrative expenses when incurred.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the note below that relates to the element.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

Reclassifications

Certain amounts have been reclassified for the year ended December 31, 2023 to conform to the presentation for the year ended December 31, 2024.

Subsequent Events

Management has evaluated subsequent events through October 9, 2025, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Notes Receivable from Participants

Notes receivable from participants are repaid bi-weekly at 2% above the Wall Street Journal prime rate through payroll deductions. Loans to participants outstanding at December 31, 2024 and 2023 were \$287,802 and \$367,290, respectively.

4. Information Prepared and Certified by the Trustee

No auditing procedures were performed on investments and interest income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by Empower Retirement, LLC, the trustee of the Plan, as of December 31, 2024 and 2023, respectively:

	<u>2024</u>	<u>2023</u>

NOTES TO FINANCIAL STATEMENTS

4. Information Prepared and Certified by the Trustee, continued

During the years ended December 31, 2024 and 2023, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by \$1,164,041 and \$1,759,728, respectively, attributed to mutual funds.

5. Fair Value Measurements

The following table presents the balances of assets measured at fair value at December 31, 2024 and 2023 on a recurring basis:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2024</u>				
Mutual funds	\$14,580,320	\$ -	\$ -	\$14,580,320
Fixed annuities		348,128		348,128

Investments measured at net asset value*				<u>379,055</u>
Total investments at fair value and net asset value				<u>\$15,273,516</u>

The fair value of mutual funds in the fair value hierarchy have been measured on a recurring basis using quoted market prices, for identical assets in active markets (Level 1 inputs).

The fair value of mutual funds accounts has been measured on a recurring basis based on the unit values of the funds. Unit values are determined by Empower Retirement, LLC, as of December 31, 2024 and 2023, sponsoring such funds, by dividing the fund's net assets at fair value by its units outstanding at the valuation date.

The fair value of fixed annuities have been measured on a recurring basis using quoted prices for similar assets in inactive markets (Level 2 inputs).

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the Statements of Net Assets Available for Benefits.

6. Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2024 and 2023:

Investments	Fair Value as of		Unfunded	Redemption	Redemption

7. Investments in Fully Benefit Responsive Investment Contracts

The following summarizes investments measured at contract value per share as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Fixed annuities	<u>\$347,383</u>	<u>\$461,467</u>

The EI Fixed Account - Series Class I is a general account product from Empower Retirement, LLC. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The average yield earned by the plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2024 is 1.41% and for 2023 is 1.23%. The actual average yield earned by the plan for the benefit responsive fund can be derived by averaging the plan's quarterly interest rates. That average for 2024 is 1.41% and for 2023 is 1.23%. The contract outlines the events that may limit the fund's ability to transact at contract value, as well as the circumstances under which the issuer may terminate the contract. Refer to the contract or plan description for a full explanation of investment details.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investments securities are exposed to various risks, such as interest rate, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with the investment securities, that changes in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across various asset classes and the utilization of investment managers.

**WAYFINDER FAMILY SERVICES
401(K) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

9. Plan Termination

Although it has not expressed any intent to do so, Wayfinder has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA.

10. Related Party and Party-in-Interest Transactions

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items.

Parties-in-interest transactions include those with Plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Trustee transactions, including revenue sharing and fee offset agreements, as well as the Plan's payment of certain plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the trustee were \$101,734.

The Plan's investment options include funds managed by Empower Retirement, LLC. As custodian and recordkeeper, Empower Retirement, LLC's transactions qualify as exempt parties-in-interest transactions.

11. Tax Status

The trust established under the Plan to hold the plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code ("IRC") and, accordingly, the trust's net investment income is exempt from income taxes. The Plan is designed to operate as a standardized plan based on a favorable opinion letter issued to the prototype sponsor that provides tax-exempt status under appropriate sections of the IRC. The Plan has since been amended. However, the plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.
