## INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the  
Teksouth Corporation 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Teksouth Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Teksouth Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Teksouth Corporation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Teksouth Corporation 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if

there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teksouth Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teksouth Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4j – Schedule of Reportable Transactions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly

to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of the Teksouth Corporation 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan is a defined contribution plan covering all employees of Teksouth Corporation (the Company) and TSPinnacle, Inc. who have attained age 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. *Contributions.* Participants may make pre-tax and post-tax deferrals to the Plan, limited to the lesser of 100% of their eligible compensation, as defined by the Plan, or the maximum amount allowable by law. Participants 50 years of age or older may also elect to make pretax catch-up contributions up to the maximum amount allowable by law. The Plan also allows participants to “roll over” assets from other qualified savings plans into the Plan.

The Company may make matching contributions to the Plan equal to a discretionary percentage, to be determined by the Company, of the participants’ elective deferrals per payroll period. Contributions made by the Company are subject to certain limitations and vesting.

The Company may also make a discretionary profit-sharing contribution to the Plan. Only participants who are employed on the last day of the Plan year or those participants who completed more than 500 hours of service during the Plan year are eligible for a profit-sharing contribution. The profit-sharing contribution is allocated to each participant’s account based on their percentage of eligible compensation in comparison to total compensation of all eligible participants. For the year ended December 31, 2024, no such contributions were made.

3. *Participant Accounts.* Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings (losses) and charged with an allocation of any expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

4. *Vesting.* Participants are always 100% vested in their accounts attributable to pre-tax deferrals, catch-up contributions and rollover contributions. Participants become fully vested in the Company's discretionary profit sharing and discretionary matching contributions after three years of service. A participant who, while employed by the Company, dies, attains normal retirement age, or incurs a disability will be 100% vested in his or her account balance.
5. *Participant Loans.* Loans to participants are not permitted.
6. *Investment Options.* Upon enrollment in the Plan, a participant may direct employee contributions in increments of one percent in various investment options offered by Professional Capital Services, LLC and AdvisorTrust, Inc., ("PCS" and "AdvisorTrust"). Participants may change their investment options offered by PCS daily.
7. *Payment of Benefits.* Upon termination of service due to disability or retirement, participants may elect to receive a lump-sum payment. Upon termination of service due to death, distribution of a participant's account may be over regular installments over a period not to exceed the life expectancy of the beneficiary or a lump-sum payment. The normal retirement age, as defined by the Plan, is age 60. A participant, who has not separated from service, may elect to take in-service distributions beginning at age 60 from vested benefits. The Plan also provides that a participant may receive liquidation of all or part of his or her vested benefits in the event of extreme economic hardship, subject to approval by the Plan's administrative committee. In accordance with the Internal Revenue Code, benefits withdrawn prior to age 59 ½ may be subject to additional taxes.

Participants with a vested account balance of less than \$5,000 upon severance from employment with the Company will receive a lump sum distribution equal to their vested balance, in accordance with the Plan.

8. *Forfeited Amounts.* Forfeited non-vested balances are used to restore forfeitures, reduce Company contributions or pay reasonable Plan expenses. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$1,005 and \$4,971, respectively. During the year ended December 31, 2024, \$11,124 from forfeited nonvested accounts were used to pay Plan expenses and \$4,234 were used to reduce Company contributions. Total forfeitures for the year ended December 31, 2024 were \$11,337.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

9. *Expenses.* Administrative expenses presented in these financial statements consist of expenses paid by the Plan or participants for recordkeeping, advisory fees and processing fees. Certain expenses incurred for maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for discussion of fair value measurements.

Income from investments is recognized when earned. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the participant contributions are withheld.

TEKSOUTH CORPORATION 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

Payment of Benefits

Benefits are recorded when paid. One participant initiated a benefit payment request of \$60,000 prior to year end which was paid in 2025.

NOTE C - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE D - TAX STATUS

The Plan is operating under a prototype plan with ERISA Services, Inc. (“ESI”). ESI was issued a favorable determination letter dated June 1, 2021, stating that the Plan, as designed, qualifies under Code Section 401(a) of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2022.

NOTE E - INFORMATION PREPARED AND CERTIFIED BY THE PLAN’S TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, AdvisorTrust, the Trustee, has certified that the following data included in the accompanying financial statements and supplementary schedules is complete and accurate.

The information certified includes total investments of \$17,374,704 and \$14,537,804 at December 31, 2024 and 2023, respectively.

TEKSOUTH CORPORATION 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

Net income from investment activities including interest, dividends, and realized and unrealized gains (losses)	\$ 2,212,621
Other income	\$ 235

The Plan's independent accountants did not perform auditing procedures with respect to the information identified above that was certified by the Trustee, except for comparing such information to the related information included in the financial statements and supplemental schedules.

In addition, the Trustee certified the information included in the supplemental schedule regarding the Schedule of Assets (Held at End of Year).

#### NOTE F - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

##### Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

TEKSOUTH CORPORATION 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

Level 2 Fair Value Measurements

Inputs to the valuation methodology are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

These fair value measurements are unobservable measurements for the asset and rely on management's own assumptions about the assumptions market participants would use in pricing the asset.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* These are determined by quoted market prices on the active market and are classified as Level 1 investments.

The preceding methodologies described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair market value of certain financial instruments could result in a different fair value measurement at reporting date.

The following tables present the Plan's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2024 and 2023.

Mutual Funds	13,968,492	-	-	13,968,492
	\$ 14,537,804	\$ -	\$ -	\$ 14,537,804

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2024 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the transaction.

**NOTE G - RELATED-PARTY TRANSACTIONS AND EXEMPT PARTY IN INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds managed by PCS. PCS is a Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative expenses paid to PCS totaled \$27,212 for the year ended December 31, 2024.

Interocean Capital Group, LLC serves as the investment advisor to the Plan. Fees paid to Interocean Capital Group, LLC totaled \$39,404 for the year ended December 31, 2024.

The party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE I - CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Plan to credit risk include an investment option of cash on deposit with a financial institution. The Plan maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits as guaranteed by the Federal Deposit Insurance Corporation (FDIC). The Plan maintains its cash deposits in a large well capitalized financial institution. The Plan has not experienced any losses in such accounts nor does the Plan believe it is exposed to any significant credit risk on cash accounts. At December 31, 2024 and 2023, there was one participant who had cash balances in excess of FDIC insured limits. At December 31, 2024 and 2023, the cash in excess of the FDIC insured limit was \$354,770 and \$240,017 respectively.
