INDEPENDENT AUDITOR'S REPORT

To the Participants and the Trustees of
The Guidance Center 401(k) Plan
Bradford, PA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the financial statements of the Guidance Center 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principals generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C) audit opinion.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of Attachment to Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE GUIDANCE CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of The Guidance Center 401(k) Plan (the Plan), referred to as The Guidance Center Money Purchase Plan prior to July 1, 2024, provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

A. General

The Plan is a 401(a) defined contribution retirement plan covering substantially all employees of The Guidance Center (the Agency). Prior to July 1, 2024, employees of the Agency were eligible to participate in the Plan immediately upon hire by the Agency. Effective July 1, 2024, in order to be eligible to participate in the Plan, employees must be at least 21 years of age and completed the minimum service requirement of 6 months for full time employees. Part time employees who work less than 1,000 hours per year must complete one year of service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective June 6, 2018, the Plan was amended and restated to comply with final regulations under section 401(a) of the Internal Revenue Code of 1986, as amended, and to make certain other changes. The amendments did not have a significant effect on benefits or net assets. On July 1, 2024 the Plan was amended and restated to be called the Guidance Center 401(k) Plan. The additional changes resulting from this amendment are detailed throughout Note 1.

B. Contributions

Prior to July 1, 2024, employee contributions were not permitted by the Plan. Effective July 1, 2024 employee contributions are elected as a deferral of eligible compensation. Eligible compensation under the Plan is defined as a participant's salary or wages that are included in gross income for federal tax purposes, excluding fringe benefits, reimbursement of expenses, bonuses and certain payments made to participants after severance of employment.

Prior to July 1, 2024 the Agency made an employer match of 200% of each participant's deferral into The Guidance Center Tax Sheltered Annuity Plan (the TSA Plan), up to a maximum deferral of 5%. Deferrals into the TSA Plan over 5% were not matched. Contributions are subject to certain limitations. Employer Contributions for the years ended December 31, 2024 and 2023 met the minimum funding requirements of ERISA. Effective July 1, the TSA Plan was terminated and subsequently liquidated. Effective July 1, 2024, the Plan provides for a discretionary matching contribution that is based on a percentage of any employee salary deferrals made during each pay period, applied in a uniform manner for all eligible participants for the plan year, as determined by the Agency. From July 1, 2024 through December 31, 2024 the discretionary match was equal to 200% of each participant's deferral into the Plan, up to a maximum deferral of 5%.

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund options for participants. Annual contributions are subject to certain limitations under the Internal Revenue Code.

C. Participant Accounts

Each participant's account is credited with their allocations of the employee's and the Agency's contribution and Plan earnings, and charged with an allocation of investment and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

THE GUIDANCE CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

D. Vesting

Participants are vested immediately in all employee contributions plus actual earnings thereon.

Participants are vested in the employer contributions based on years of service. An employee must work 1,000 hours in a year to be credited with one year of service. Employees vest 20% per year beginning with their second year of service and are fully vested in the employer contributions after 6 years of service.

E. Notes Receivable from Participants

Prior to July 1, 2024 the Plan did not allow for notes receivable from participants. Effective July 1, 2024 Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the Prime rate (7.5% at December 31, 2024) plus 2%. Loan repayments must be made at least quarterly throughout the loan period, which generally cannot exceed 5 years, unless the loans were used to purchase a primary residence, in which case the loan terms may exceed 5 years.

F. Payment of Benefits

Plan benefits begin at the normal retirement age of 65, however, in service distributions can commence upon age 59 ½. Participants who have attained their retirement age shall have a 100% non-forfeitable right in the value of their account. Upon termination of employment due to death, disability, retirement, or other separation participants or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum payment or in annual installments over a period of not more than the participants assumed life expectancy. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

G. Plan Termination

Although it has not expressed any intent to do so, the Agency has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

H. Related Party Transactions

Prior to July 1, 2024, Plan investments consisted of shares of mutual funds and annuities managed by Principal Life Insurance Company. Principal Life Insurance Company was the trustee of the Plan. Beginning July 1, 2024, Ascensus LLC became the Plan's custodian, and Vanguard became the Plan investment advisor. Plan investments consist of shares of mutual funds and managed by Vanguard, who is also considered a party-in-interest. All transactions between the Plan, Principal Life Insurance Company, Ascensus LLC and Vanguard qualify as party-in-interest transactions exempt from prohibited transaction rules.

Certain administrative functions of the Plan are performed by officers or employees of the Agency. No such officer or employee receives compensation from the Plan.

THE GUIDANCE CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

I. Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$10,663 and \$0 respectively. Also, in 2024 and 2023, employer contributions of \$2,886 and \$27,301, respectively, were paid from forfeited non-vested accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting and in conformity with generally accepted accounting principles.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Payment of Benefits

Benefits are recorded when paid.

NOTE 3: PLAN ADMINISTRATION

The Plan is administered by the Agency. The Plan is responsible for payment of all administrative expenses. For the years ended December 31, 2024 and 2023, such expenses totaled \$9,193 and \$550, respectively. All other administrative costs (i.e. payroll costs related to administration of the Plan) are paid by the Agency and not a deduction from Plan net assets.

NOTE 4: TAX STATUS

In a letter dated March 31, 2014 the Internal Revenue Service (IRS) stated that the Plan's prototype plan document, prior to July 1, 2024, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). In a letter dated June 30, 2020 the IRS stated that the Plan's non-standardized preapproved profit sharing plan document as then designed, was in compliance with applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letters, the Plan Administrator and the Plan's Tax Counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

THE GUIDANCE CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

NOTE 4: TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained up examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS

During 2024 and 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated/(depreciated) in value by \$967,409 and \$1,129,954, respectively. Interest income on the guaranteed investment contract was \$3,187 and \$23,478 during 2024 and 2023 respectively, and dividends received were \$434,219 and \$96,570 during 2024 and 2023, respectively.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 or 2023.

Registered Investment Companies: Mutual funds with Vanguard and Principal Life Insurance Company are valued at the net asset value (NAV) of shares held by the plan at year end, which approximates fair value. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

THE GUIDANCE CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

NOTE 5: INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024	
	Level 1	Total
Registered Investment Companies	\$ 15,123,888	\$ 15,123,888
Total Investments	<u>\$ 15,123,888</u>	<u>\$ 15,123,888</u>
	Assets at Fair Value as of December 31, 2023	
	Level 1	Total
Registered Investment Companies	\$ 7,798,606	\$ 7,798,606
Total Investments	<u>\$ 7,798,606</u>	<u>\$ 7,798,606</u>

NOTE 6: INVESTMENT CONTRACT WITH INSURANCE COMPANY

Prior to July 1, 2024, the Plan had a group annuity investment contract with Principal Life Insurance Company. Principal Life Insurance Company deposited participant contributions to this contract in a general account. The account was credited with earnings on the underlying investments and charged for plan withdrawals and administrative expenses. The contract was included in the financial statements at contract value as reported to the Plan by Principal Life Insurance Company. Contract value represented contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value approximates fair value.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2023 was \$1,419,549. All contributions and transfers to the contract earned interest at the guaranteed rate in effect at the time of the contribution or transfer. All monies in the investment contract earned interest at the guaranteed rate until the guaranteed rate was changed. Principal Life Insurance Company may declare a new guaranteed rate for the investment contract that becomes effective on January 1st. The guaranteed interest rate as of December 31, 2023 was 1.70%.

Certain events limited the ability of the plan to transact at contract value with the issuer. Such events included the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Effective July 1, 2024 the group annuity investment contract was no longer offered by the Plan.

THE GUIDANCE CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 8: CERTIFIED FINANCIAL INFORMATION

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2024 and 2023. Accordingly, Principal, the trustee / custodian of the Plan prior to July 1, 2024 and Ascensus LLC, the custodian of the Plan beginning July 1, 2024, have certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024, and the related investment activity reported in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2024 and 2023.

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

NOTE 9: SUBSEQUENT EVENTS

Subsequent Events have been evaluated through October 14, 2025, the date the financial statements were available to be issued.

Effective January 1, 2025, the Agency executed a formal trust Agreement for the Plan, appointing a named Trustee and defining fiduciary roles and responsibilities in accordance with ERISA requirements. The agreement outlines the Trustee's authority to manage plan assets, execute investment transactions, and administer distributions, while also establishing participant investment direction rights and indemnification provisions. These changes are administrative in nature and do not materially impact the provisions of the Plan.

On October 8, 2025, the Agency formally adopted a restatement and amendment of the Plan, originally effective July 1, 1984. The restatement, effective July 1, 2024, and amended effective January 1, 2025, was executed to comply with IRS requirements for Cycle 3 Pre-Approved Plans and to clarify that the Plan constitutes a continuation of the previously established Money Purchase Plan. The amendment was made retroactively under the IRS Self-Correction Program to reflect the Employer's original intent. For all legal, administrative, and compliance purposes, the Plan is treated as a single qualified plan under IRC §401(a). These changes are administrative in nature and do not materially affect the financial position of the Plan as of December 31, 2024.
