(1) Name: **RSM US, LLP**

(2) EIN: **42-0714325**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	X		720020
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

ARCO Companies Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ARCO Companies Retirement Plan (formerly ARCO/Murray Group Profit Sharing Plan and Trust) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plans financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOLs Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Managements election of the ERISA Section 103(a)(3)(C) audit does not affect managements responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plans internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plans ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a—schedule of delinquent participant contributions for the year ended December 31, 2024 and Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOLs Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOLs Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOLs Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ARCO Companies Retirement Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following brief description of ARCO Companies Retirement Plan (formerly ARCO/Murray Group Profit Sharing Plan and Trust) (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plans provisions.

General: The Plan is a defined contribution plan covering eligible employees of ARCO Business Services, Inc., ARCO Construction Company, Inc., ARCO Design/Build, Inc., ARCO National Construction Company, Inc., ARCO/Murray Construction Company, Inc., ARCO/Murray Consulting, Inc., AM Mechanical, Inc., ARCO/Murray Associates, Inc., ARCO/Murray National Dallas, Inc., ARCO/Murray National Denver, Inc., ARCO/Murray National Nashville, Inc, ARCO/Murray National Norcal, Inc, and Thru-Put Partners, LLC (the Employers). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plans investment offerings, monitors investment performance and reports to the Plan's Board of Trustees. The Plan was most recently amended on March 1, 2024.

Eligibility: Eligible employees include employees who have attained the age of 18. An employee may enter the Plan on the first day of the month coinciding with or subsequent to meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the applicable current Internal Revenue Code (IRC) provisions.

Eligible employees for the Employers profit sharing contributions include employees who have attained the age of 18, have completed one year of service with a minimum of 1,000 hours, and are not represented by a collective bargaining agreement.

Contributions and investment options: The Plan provides that each eligible participant may enter into a written salary reduction agreement whereby the participant may contribute up to the maximum allowed by the IRC. Participants can elect to contribute on a pretax basis, an after-tax basis (Roth) or a combination of the two. Additionally, participants age 50 or older, who are making contributions to the Plan are allowed to make catch-up contributions as defined in the Plan. Each Employer may make profit sharing contributions equal to a discretionary percentage of each participants eligible compensation. Employers may also make a special safe harbor contribution equal to a percentage of select participants eligible compensation. No special safe harbor contributions were made during the year ended December 31, 2024. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participants direct the investment of their contributions and any Employers contributions into various investments offered by the Plan, which include mutual funds and collective trust funds. Participants may change their investment options daily.

Participant accounts: Each participants account is credited with the participants contribution and allocations of (a) the Employers profit sharing and safe harbor contributions and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

Payment of benefits: Participants, or their beneficiaries, are eligible for benefits upon termination of employment, death or disability. If the value of the participants vested balance is less than \$7,000, a participant may roll the amount into another qualified plan or receive a mandatory lump-sum distribution upon termination of service.

ARCO Companies Retirement Plan

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Vesting: Participants are immediately vested in their voluntary contributions, safe harbor contributions and rollovers plus actual earnings thereon. Vesting for profit sharing contributions occurs ratably over five years of service, at 20% per year. Participants who reach normal retirement age (65) or terminate employment due to total disability or death become fully vested in all accounts.

Forfeited accounts: Forfeited amounts may first be used to pay Plan expenses and to reduce employers contributions with the remainder being allocated to participants as a percentage of each participants eligible compensation. There were \$101,673 of forfeitures used to pay Plan expenses for the year ended December 31, 2024. At December 31, 2024 and 2023, available forfeited non-vested accounts totaled \$26,565 and \$57,113, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Contributions: Contributions from Plan participants and any discretionary profit sharing contributions from the Employers are recorded in the year in which employee contributions are withheld from compensation.

Investment valuation and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plans Investment Committee determines the Plans valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plans gains and losses on investments bought and sold, as well as held, during the year.

Administrative expenses: Certain administrative functions applicable to the Plan are performed by employees of the Employers. No such employees receive compensation from the Plan. Administrative expenses may be paid by the Employers or the Plan, at the Employers discretion. Investment related expenses are included in net appreciation of fair value of investments.

Payment of benefits: Benefits are recorded when paid.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Subsequent events: Subsequent events have been evaluated through October 13, 2025, which is the date the financial statements were available to be issued.

Mutual funds	\$ 87,575,056	\$ 70,450,341
Collective trust funds	107,479,211	95,257,610

The trustee also certified to the completeness and accuracy of \$21,993,516 of net appreciation in fair value of investments (including investments bought, sold and held during the year) and \$1,060,603 of interest and dividends for the year ended December 31, 2024.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 4. Fair Value Measurements (Continued)

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Mutual funds are valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Collective trust funds are composed primarily of investments in equities, bonds and guaranteed investment contracts issued by life insurance companies, banks and other financial institutions. For all collective trust funds, the net asset value (NAV) is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur immediately. If the Plan initiates a full redemption of the collective trust, no notice to the issuer is required.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plans assets at fair value as of December 31, 2024 and 2023:

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 87,575,056	\$ -	\$ -	\$ 87,575,056
Investments measured at NAV*				107,479,211
Investments at fair value				\$ 195,054,267

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 70,450,341	\$ -	\$ -	\$ 70,450,341
Investments measured at NAV*				95,257,610
Investments at fair value				\$ 165,707,951

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4. Fair Value Measurements (Continued)

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period. For the year ended December 31, 2024, the Plan did not make any transfers in or out of Level 3 assets or liabilities.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. These collective trust funds file Form 5500 with the DOL as a direct filing entity, and accordingly, the investment strategy of the collective trust funds is not included herein.

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2024	2023			
Collective trust funds	\$ 107,479,211	\$ 95,257,610	\$ -	Immediate	None

Note 5. Plan Termination

Although they have not expressed any intent to do so, the Employers reserve the right to terminate the Plan at any time, subject to Plan provisions and ERISA. In the event of Plan termination, participants would become 100% vested in their Employers contributions, and the interest of each participant would be distributed as prescribed by the Plan terms and the IRC.

Note 6. Tax Status

The Plan has adopted a preapproved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the preapproved plan document was in compliance with applicable requirements of the IRC. The Plan has been amended since adopting the preapproved Plan document; however, the Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the 2024 statement of net assets available for benefits.

Note 8. Related-Party and Party-in-Interest Transactions

John Hancock Trust Company, LLC is the trustee of the Plan; therefore, transactions with the trustee qualify as party-in-kind transactions. The Plan incurs expenses related to general administration and recordkeeping. Certain accounting and auditing fees related to the Plan are paid by the Employers while other fees are being paid indirectly by participants to the Plans third-party administrators based on a percentage of Plan assets. Expenses that are paid directly by the Company that are not reimbursed by the Plan are not included in these financial statements. These transactions are party-in-interest transactions as defined under ERISA. Administrative expenses paid by the Plan to parties in interest amounted to \$268,249 in 2024.

Note 9. Delinquent Participant Contributions

During the year ended December 31, 2024, the Plan Sponsor inadvertently failed to deposit \$686,300 of participant contributions within the required timeframe as stated by the United States DOL regulations. The Plan Sponsor deposited lost earnings in the amount totaling approximately \$4,016 to correct this failure in 2024. The Plan Sponsor filed Form 5330 and paid applicable excise tax to the IRS. The correction will be made from the Plan Sponsors assets and not from assets of the Plan.

During the year ended December 31, 2023, the Plan Sponsor inadvertently failed to deposit \$33,720 of participant contributions within the required timeframe as stated by the United States DOL regulations. The Plan Sponsor deposited lost earnings in the amount totaling approximately \$125 to correct this failure in 2023 and 2024. The Plan Sponsor filed Form 5330 and paid applicable excise tax to the IRS. The correction will be made from the Plan Sponsors assets and not from assets of the Plan.
