To the Plan Trustees and Management of the
Santa Fe Recovery Center 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Santa Fe Recovery Center 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

 4811 Hardware Dr. NE, Suite E-4, Albuquerque, NM 87109

 (505) 312-8702  info@sjtgroupcpa.com  www.sjtgroupcpa.com

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Santa Fe Recovery Center 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

1) Description of Plan

The Santa Fe Recovery Center 401(k) Plan (the “Plan”) was initially established on January 1, 2021, and was adopted by Santa Fe Recovery Center (the “Company”), the sponsor of the Plan. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Santa Fe Recovery Center who are at least 18 years of age and have completed two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Contributions

Participants may contribute up to the maximum annual limits defined by the IRS. Participants may also contribute rollover amounts in cash from other qualified plans, including plans described by IRC 401(a), 403(a), 403(b) and 457(b). The Plan has elected to be a safe harbor plan and has implemented a nonelective matching contribution of up to 4% of compensation for all eligible participants, and all participants are immediately fully vested in these contributions.

The Plan Sponsor may elect to make additional contributions at the discretion of the Plan Sponsor and are allocated to qualified participants as defined by the Plan. The Company is not obligated to make future contributions to the Plan and has no control over the Plan assets other than through its ability to appoint administrators to the Plan.

Participants direct the investment of their elective deferrals, employer safe harbor contributions, and discretionary contributions among investment options offered by the Plan. The amounts contributed may not exceed the maximum amounts prescribed by law.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of: (1) the employer’s contributions, and (2) Plan earnings charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Santa Fe Recovery Center 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

1) Description of Plan — continued

Forfeited Accounts

Forfeited portions of terminated participant’s nonvested employer contribution accounts are available to meet the Employer’s contribution obligations to the Plan or to pay Plan expenses, as directed by the Plan Administrator. At December 31, 2024 and 2023, forfeited balances totaled \$0 and \$2, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions into several investment options offered by the custodian of the Plan. The investment options are mutual funds, common/collective trusts, and fixed annuities.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to 50 percent of the participant’s vested account balance. The number of outstanding loans for a participant is limited to one. Loan terms range from one to five years or up to 15 years if used for the purchase of a primary residence. The loans are secured by the balance in the participant’s account and bear interest at a rate that is commensurate with the local prevailing rates as determined by the Plan administrator. The interest rates on outstanding loans at December 31, 2024 range from 9.5% to 10.5% and have maturities ranging from September 2025 to March 2033. Principal and interest are paid ratably through bi-weekly payroll deductions.

Vesting

Participants are immediately vested in their employee deferral and related earnings and employer safe-harbor contributions. Discretionary employer contributions vest according to the following years of service:

<u>Years of Service</u>	<u>Vested</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Santa Fe Recovery Center 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

1) Description of Plan — continued

Payments of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account or receive annual installments. For terminated participants that have a vested balance of less than \$1,000, the Plan administrator may distribute the entire vested benefit amount in a single lump sum. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

The Plan provides for automatic rollover of a mandatory distribution greater than \$1,000 but less than \$5,000 for which the participant does not elect to have such distribution either paid directly to an eligible retirement plan or to receive the distribution directly. The distribution will then be made in a direct roll over to an individual retirement account designated by the Plan administrator.

Plan Termination

Although it has not expressed an interest to do so, the Sponsor has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to ERISA provisions. In the event of Plan termination, participants will receive the full amount of their accounts.

Upon such termination of the Plan or complete discontinuance of contributions, after payment of all expenses and proportionate adjustments of accounts to reflect such expenses and fund losses or profits, each participant shall be entitled to receive any amounts then credited to the participant's account in the Plan. The participants' respective interests as they exist at the time shall be deemed fully vested. The Trustee may make payments of such amounts in cash or in assets of the Plan or in the form of immediate or deferred annuities as the Plan Administrator shall in his sole discretion direct.

Tax Status

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the prototype document the Plan and related trust are based on are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the prototype document has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Santa Fe Recovery Center 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

1) Description of Plan — continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

2) **Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements presented have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments are recorded when paid.

Investment Valuation and Income Recognition

In compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan values its investments at fair value. If available, quoted market prices are used to value investments. In accordance with valuing investments at fair value, the net unrealized appreciation or depreciation is presented in the statement of changes in net assets available for benefits.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan. Expenses incurred in the administration of the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from and distributions to participants are charged directly to the participant's accounts and are included in administrative expenses. Investment-related expenses are included in the net appreciation or depreciation of the fair value of investments.

Santa Fe Recovery Center 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

2) Summary of Significant Accounting Policies — continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Employer Contributions and Participant Contributions

At December 31, 2024, employer contributions and participant contributions of \$1,082 and \$843, respectively, consisted of withholdings and employer matching amounts from the last payroll of 2024 that had not yet been received by the Plan at year-end. At December 31, 2023, employer contributions and participant contributions of \$8,410 and \$13,079, respectively, consisted of withholdings and employer matching amounts from the last payroll of 2023 that had not yet been received by the Plan at year-end.

3) Information Prepared and Certified by the Custodian

The following information, included in the accompanying financial statements, and the Schedule of Assets (Held at End of Year), was obtained from data that has been prepared and certified as complete and accurate by Empower Trust Company, LLC, the custodian of the Plan:

- b. Total investments at fair value as shown in the accompanying statements of net assets available for benefits were \$1,576,904 and \$861,191 at December 31, 2024 and 2023, respectively.
- c. Notes receivable from participants of \$14,509 and \$16,507 at December 31, 2024 and 2023, respectively.
- d. Net appreciation in the fair value of investments as shown in the accompanying statement of changes in net assets available for benefits of \$126,815 for the year ended December 31, 2024.

- f. Interest income on notes receivable of \$1,602 for the year ended December 31, 2024.

Santa Fe Recovery Center 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

3) Information Prepared and Certified by the Custodian — continued

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

4) Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3).

The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The hierarchy is measured in three levels based on the reliability of the inputs:

Level 1 Fair Value Measurements – Valuations based on unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.

Level 2 Fair Value Measurements – Valuations based on inputs other than quoted prices included within Level 1 that are observable for the asset, either directly and indirectly. Observable inputs include quoted prices for similar assets active or non-active markets.

Level 3 Fair Value Measurements – Valuations derived through the use of valuation models or methodologies using significant unobservable inputs. Level 3 valuations incorporate certain assumptions and projections that are not observable in the market and as a result significant professional judgment may be used in determining the fair values.

Santa Fe Recovery Center 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

4) Fair Value Measurements — continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Interest in Common/Collective Trusts – Valued at the net asset value of shares held (or its equivalent) by the Plan at the end of each day as a practical expedient and are not categorized in the fair value hierarchy.

Mutual Funds – Valued at quoted market price of identical assets in active markets.

Fixed annuities – Valued at the present value of future payments based on actuarial estimates, rates of similar assets, and other observable inputs.

The following tables set forth, by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2024 and 2023:

	<u>Fair Value Measurements Using:</u>		
	Total	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)

5) **Risks and Uncertainties**

The Plan invests in various investment securities and annuity contracts. Investment securities and annuity contracts are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6) **Related Parties**

The Plan's investments in registered investment companies are shares of mutual funds managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the Contract Administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services, third-party administrator fees, and transaction charges to participant account balances amounted to \$20,994 for the year ended December 31, 2024. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
