Plan Committee  
COSCO SHIPPING (North America) Inc. 401(k) Profit Sharing Plan  
Secaucus, New Jersey

Attention: Mary Ann Lewis, Plan Administrator

This letter is to inform the Plan Committee of COSCO SHIPPING (North America) Inc. 401(k) Profit Sharing Plan (the Plan) about significant matters related to the conduct of our audit as of and for the year ended December 31, 2024, so that you can appropriately discharge your oversight responsibility and we comply with our professional responsibilities.

The following required communications summarize our responsibilities regarding the financial statement audit as well as observations from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

## Our Responsibilities

We described our responsibilities under auditing standards generally accepted in the United States of America (GAAS) to you in our engagement letter dated August 1, 2025. Our audit of the financial statements does not relieve management or you of your responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

## Planned Scope and Timing of the Audit

We previously issued a separate communication dated October 13, 2025, regarding the planned scope and timing of our audit and identified significant risks.

## Significant Accounting Practices, Including Policies, Estimates and Disclosures

In our meeting with you, we will discuss our views about the qualitative aspects of the Plan's significant accounting practices, including significant accounting policies, significant unusual transactions, accounting estimates and financial statement disclosures. The following is a list of the matters that will be discussed, including the significant estimates, which you may wish to monitor for your oversight responsibilities of the financial reporting process:

- **Fair value of investments:** The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.
- **Mutual funds (registered investment companies):** Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.
- **Collective trust funds:** Collective trust funds are valued at the net asset value (the NAV) per unit, as determined by Principal Trust Company (the trustee) at year end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying investment held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.
- **Pooled separate accounts:** Pooled separate accounts are valued at the Net Asset Value (NAV) or equivalent based on units of the pooled separate accounts held by the Plan. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

## Audit Adjustments and Uncorrected Misstatements

There were no audit adjustments made to the original trial balance presented to us to begin our audit.

## Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

## ERISA-Required Supplemental Schedule

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required

supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedules. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

### Consultations With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

### Shared Responsibilities: AICPA Independence

The American Institute of Certified Public Accountants (AICPA) regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with AICPA independence rules. For RSM to fulfill its professional responsibility to maintain and monitor independence, management, the Plan Committee, and RSM each play an important role.

#### Our Responsibilities

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. RSM is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement.
- Maintain a system of quality management over compliance with independence rules and firm policies.

#### Your Responsibilities

- Timely inform RSM, before the effective date of transactions or other business changes, of the following:
  - New affiliates, directors or officers.
  - New beneficial owners of the Plan Sponsor's stock which have significant influence.
  - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.
- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, engaging in business relationships with RSM.
- Not entering into relationships resulting in close family members of RSM covered persons temporarily or permanently acting as an officer, director or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.
