(1) Name: **ROEDL LANGFORD DE KOECK LLP**

(2) EIN: **58-2594719**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		250000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

To the Participants and Trustees of
Schutz Container Systems Inc. Employee's 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Schutz Container Systems Inc. Employee's 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA") as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution (Principal Life Insurance Company) as of December 31, 2024 and 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditors' Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Rödl & Partner

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements conform with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance. Therefore, it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

Rödl & Partner

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of *Schedule H Line 4i Schedule of Assets (Held at Year End)* as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Rödl & Partner

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SCHUTZ CONTAINER SYSTEMS INC. EMPLOYEE'S 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN

The following description of the Schutz Container Systems Inc. Employee's 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Adoption Agreement for a more complete description of the Plan's provisions.

General

The Plan is a profit-sharing and 401(k) plan established by Schutz Container Systems Inc. (the "Sponsor") on May 1, 1990 covering substantially all employees of the Sponsor. Entry to the plan is permitted monthly. Employees of the Sponsor become eligible to participate in the Plan at age 21 after one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and the Internal Revenue Code (the "IRC").

Contributions

Each eligible employee ("participant") may contribute, on a pre-tax or after-tax basis, up to 100% of his or her compensation, as defined by the Plan, subject to IRC limitations, in the form of a salary deferral. Participants may also make rollover contributions to the Plan, which represent distributions from other qualified plans.

The Sponsor makes safe-harbor matching contributions to the Plan on behalf of participants who make salary deferral contributions. The Sponsor's matching contributions are equal to 100% of participant's deferral contributions for up to 3% of the participant's compensation and 50% of deferral contributions which are over 3% of compensation but are not over 5% of compensation.

The Sponsor, at its sole discretion, may also make profit-sharing contributions to the Plan annually on behalf of all eligible participants. Profit-sharing contributions are allocated amongst participants based upon the ratio that the participants' compensation for the Plan year bears to the total compensation for the Plan year of all participants. No discretionary profit-sharing contribution was made for the year ended December 31, 2024.

Investment options

The Plan's investment assets are held by Principal Life Insurance Company (the "Custodian"), the custodians of the Plan's investment assets. Under an arrangement with the Custodian and upon enrollment in the Plan, participants direct all contributions in any whole percentage increment to any of the available funds. Participants may change their allocation among the various investment options at any time.

Participant accounts

Each participant's account is credited with (a) the participant's contributions, (b) the Sponsor's contributions on behalf of the participant, and (c) the earnings and losses of the participant's investments and is charged with any expenses incurred as a result of transactions initiated by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all contribution sources, plus actual earnings thereon.

Payment of benefits

Upon termination of employment, attainment retirement age, or for reasons of death or disability, participants may withdraw the vested portion of their account in the form of a lump sum or annuity payments. Participants still employed with the Sponsor may withdraw all or a portion of their account balance upon attainment of age 59½ or for reasons of a financial hardship, as allowed under the IRC. A participant can request a distribution or rollover after termination. A participant whose account balance does not exceed \$1,000 will receive a lump sum distribution of their account balance as soon as administratively feasible following termination. A terminated participant whose account balance exceeds \$1,000 but is less than \$7,000, who does not elect otherwise, will have their account balance rolled into an individual retirement account on their behalf.

Notes receivable from participants

Participants may borrow, from their fund accounts, amounts ranging from \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are secured by the balance in the participant's account and bear interest at Prime Rate plus 2%. Principal and interest are paid ratably through payroll deductions. A participant may only have one loan outstanding at a time. Interest rates ranged from 5.25% to 10.50% on participant loans outstanding at December 31, 2024, and 5.25% to 9.50% on loans outstanding on December 31, 2023.

Administrative expenses

Administrative fees associated with record keeping and professional services as well as fees associated with participant loans and certain distributions are paid by the Plan and charged to the accounts of the participants initiating the transactions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Use of estimates in financial statement preparation

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Interest is recorded when earned. Dividends are recorded at the ex-dividend date. Net appreciation in fair value of investments includes realized and unrealized gains and losses on those investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are recorded as distributions based upon the Plan's provisions.

Payment of benefits

Benefits are recorded when paid.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (the "DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the Custodian, except for comparing such information to the related information included in the Plan's financial statements and supplemental schedule.

The following information included in the accompanying financial statements and supplemental schedule were prepared and certified to be complete and accurate by the Custodian as of December 31, 2024 and 2023, and for the year ended December 31, 2024:

	<u>2024</u>	<u>2023</u>
Investments at fair value:		
Collective trust fund	\$ 5,171,444	\$ 6,456,053
Mutual funds	1,489,023	1,480,173
Pooled separate accounts	<u>32,372,839</u>	<u>30,571,524</u>
Total investments at fair value	<u>\$ 39,033,306</u>	<u>\$ 38,507,750</u>
Investment income:		
Net appreciation in fair value of investments	\$ 4,327,315	
Dividends	<u>22,077</u>	
Total investment income	<u>\$ 4,349,392</u>	

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value.

There were no changes in the methodology used during the year ended December 31, 2024.

- Mutual funds: Valued at the net asset value (“NAV”) of shares held by the Plan at year-end. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price and are deemed to be actively traded.
- Collective trust funds: Valued at the NAV of the units of the collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions may occur daily.
- Pooled separate accounts: Valued at the unit value of shares held by the Plan at year-end, as determined by the Custodian based on the NAV of the underlying mutual funds. The NAV, as reported by the Custodian, is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

Investments at fair value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,489,023	\$ -	\$ -	1,489,023
Investments measured at NAV as practical expedient:				
Collective trust fund				5,171,444
Pooled separate accounts				32,372,839
Total investments at fair value				\$ 39,033,306

Investments at fair value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,480,173	\$ -	\$ -	1,480,173
Investments measured at NAV as practical expedient:				
Collective trust fund				6,456,053
Pooled separate accounts				30,571,524
Total investments at fair value				\$ 38,507,750

5. RELATED PARTY TRANSACTIONS

The Sponsor pays certain costs on behalf of the Plan for insurance, administration and professional services. Recordkeeping and administrative services are also provided by the Sponsor at no cost to the Plan.

The Plan offers, as investment options, certain funds managed by the Custodian. Accordingly, transactions in these investments qualify as party-in-interest transactions as defined by ERISA.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

7. INCOME TAX STATUS

The Plan uses a volume submitter prototype plan document provided by the Custodian. The IRS has determined and informed the Custodian, by a letter dated June 30, 2020, that the Plan was designed in accordance with the applicable sections of the IRC. The Plan has not obtained a determination from the IRS on its adoption of the non-standardized prototype plan. In accordance with Revenue Procedure 2002-6, the Sponsor has chosen to rely on the opinion letter of the prototype plan. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Sponsor believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress and the Sponsor believes that the Plan is no longer subject to income tax examinations for years prior to 2021.

8. RECONCILIATION TO FORM 5500

The following is a reconciliation of the Plan's net assets available for benefits and net increase in net assets available for benefits as reported in the accompanying financial statements and those amounts reported on Form 5500 as of December 31, 2024 and 2023, and for the year ended December 31, 2024:

	2024	2023
Net assets available for benefits per the financial statements	\$ 40,808,030	\$ 39,888,432
Participant contributions receivable	(2,712)	(379)
Sponsor contributions receivable	(1,769)	(521)
Deemed distributed loans	(8,141)	(2,618)
Refund of excess contributions	3,210	-
Net assets available for benefits per Form 5500	<u>\$ 40,798,618</u>	<u>\$ 39,884,914</u>
	<u>2024</u>	
Net increase in net assets available for benefits per the financial statements	\$ 919,598	
Participant contributions receivable	(2,333)	
Sponsor contributions receivable	(1,248)	
Deemed distributed loans	(5,523)	
Refund of excess contributions	3,210	
Net increase in net assets available for benefits per Form 5500	<u>\$ 913,704</u>	

9. PLAN AMENDMENTS

The following changes to the Plan became effective January 1, 2024:

- Roth deferrals are permitted.
- Employees can enroll in the plan monthly once they are eligible to participate in the Plan.
- The limit for involuntary automatic rollovers of small account balances has increased from \$5,000 to \$7,000.

10. SUBSEQUENT EVENTS

The Sponsor has evaluated subsequent events through October 10, 2025, the date the financial statements were available to be issued.
