INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Yates Services, LLC Employee Benefits Plan
Philadelphia, Mississippi

Opinion

We have audited the accompanying financial statements of Yates Services, LLC Employee Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits-cash basis and of benefit obligations-cash basis as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits-cash basis and of changes in benefit obligations-cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Yates Services, LLC Employee Benefits Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year then ended, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Yates Services, LLC Employee Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Yates Services, LLC Employee Benefits Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Yates Services, LLC Employee Benefits Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Yates Services, LLC Employee Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

YATES SERVICES, LLC EMPLOYEE BENEFITS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of the Yates Services, LLC Employee Benefits Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan provides health benefits (medical, vision, dental, and prescription drugs), life insurance, short and long-term disability benefits, accidental death and dismemberment benefits and specified health event benefits which are offered to substantially all employees of Yates Services, LLC (Employer). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits

The Plan provides health benefits (hospital, surgical, major medical, vision, dental, prescription drugs and specified health event) and disability and death benefits to all full-time employees who complete a 60-day waiting period. Coverage of eligible dependents is available. Participation in the Plan is voluntary.

Current health claims of active participants and their dependents and beneficiaries are provided under group insurance contracts with Blue Cross Blue Shield of Tennessee, Magellan Rx Management, Delta Dental of Tennessee, and Starmount Life Insurance Co. Disability and death benefits are covered by group-term policies with Mutual of Omaha Life Insurance Company. Specified health event coverage is provided through group policies with Colonial Life & Accident Insurance Company. Assistance with prescription drug savings is provided by Paydhealth.

Contributions

The Plan agreement may require contributions by members of the Plan as a condition to their participation in the Plan. Also, a charge may be made to a member for dependents that are covered by the Plan. Participants that do not work due to temporary lapses in employment are required to pay contributions in arrears to make up for missed contributions. The Employer makes contributions to the Plan as required to meet payments of benefits and expenses of the Plan.

Other

Although it has not expressed any intention to do so, the Employer has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

Note 2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of accounting

The records of the Plan are maintained on the cash basis of accounting. Under the cash basis, revenues are recognized when received rather than when earned, and expenditures are recognized when paid rather than when incurred.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Plan benefits

The plan's administrator estimates plan obligations at December 31 for health claims incurred by active participants but not reported at that date.

Reclassification

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform to the presentation in the current-year financial statements.

Subsequent events review

Management has evaluated subsequent events through October 3, 2025, the date on which the financial statements were available to be issued.

Note 3. Income Tax Status

The Plan has not obtained a determination letter from the Internal Revenue Service. However, the plan administrator and the plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken any uncertain tax positions that would not be sustained (more likely than not) upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.
