UNION JOINTS MULTIPLE EMPLOYER PLAN
FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

INDEPENDENT AUDITORS' REPORT

To the Trustees of Union Joints Multiple Employer Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Union Joints Multiple Employer Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C)[ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Union Joints Multiple Employer Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from Principal Trust Company as of December 31, 2024 and for the period from February 12, 2024 to December 31, 2024, and Nationwide Trust Company, FSB as of December 31, 2023 and for the period from January 1, 2023 to February 11, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Union Joints Multiple Employer Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Union Joints Multiple Employer Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Union Joints Multiple Employer Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Union Joints Multiple Employer Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions as of and for the year ending December 31, 2024 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Upon attainment of the eligibility requirements an employee may enter the Plan on the next entry date. There are four entry dates each year, January 1, April 1, July 1 and October 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan sponsor oversees governance of the Plan. The Company determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Plan Amendments

The Plan was originally effective on January 1, 2013, and was amended and restated effective January 1, 2022. The Plan was amended, effective January 1, 2016, to change the determination period for the calculation of the employer ADP test safe harbor matching contribution such that participant compensation and deferrals are determined on an annual basis.

Contributions

Each year, participants may contribute to the Plan a percentage of their compensation, up to the maximum dollar amount determined by the Internal Revenue Service, on a pretax or after tax (Roth) basis. Participants who are age 50 or over at the end of the calendar year are eligible to make catch-up contributions. Participants may elect to transfer funds into the Plan from other employers’ qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and various proprietary collective investment trusts managed by Principal Global Investors Trust Company. In 2023 and prior to February 12, 2024, the Plan offered various mutual funds and an investment contract managed Nationwide Trust Company, FSB (“Nationwide”). The Company contributes a Safe Harbor Matching Contribution equal to the 100% of an participant’s elective deferrals up to 3% of the participant’s compensation, plus 50% of the participant’s elective deferral between 3% and 5% of compensation. The Company may, at its discretion, make a profit sharing contribution to the Plan. There were no profit sharing contributions for the Plan years ended December 31, 2024 and 2023.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Plan Operations

Effective February 12, 2024, the Company has appointed Principal Trust Company (a member of Principal Financial Group “PFG”) to serve as trustee and the Company to act as plan administrator. Prior to February 12, 2024, Nationwide Trust Company, FSB served as trustee. The Company appointed PFG and The Benefit Advantage, Inc. (“TBA”) to provide certain administrator services. The trustees are responsible for holding the investment assets of the Plan, executing investment transactions, and making distributions to participants. The plan administrator interprets and communicates the provisions of the Plan and ensures that all government and participant reporting requirements are fulfilled.

Participant Accounts

Each participant’s account is credited with the (a) participant’s contribution and Company’s matching contribution and allocations of (b) the Plan’s earnings or losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. See Vesting below.

Vesting

Participants are immediately vested in their elective contributions, rollover contributions, and the Company’s safe harbor matching contributions and profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Under the Plan, participants are eligible to borrow up to the lesser of 50% of the value of their vested account balance or \$50,000. The minimum loan amount is \$1,000. Only one outstanding note receivable is permitted at any time and the note receivable prepayment schedule can be no longer than 5 years. The notes are secured by the balance in the participant’s account and bear interest at rates ranging from 4.25% to 9.50%, per annum, which is commensurate with local prevailing rates and considered reasonable by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Payment of Benefits

Upon termination of service due to death, disability, normal retirement, or termination of employment a participant or their beneficiary may receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum, net of required income tax withholding, or as an eligible rollover. Upon termination of service, if a participant's vested account balance is between \$1,000 and \$7,000, when the participant does not elect a benefit, the vested balance is rolled into an IRA. Amounts less than \$1,000 are paid in a lump sum to the participant. The Plan also permits hardship withdrawals of active participants' elective contributions only in amounts necessary to satisfy financial hardship as defined by the Plan agreement. Benefits are recorded when paid.

Plan Amendments

The Plan has implemented certain provisions permitted by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allowed certain eligible individuals to receive coronavirus related relief for eligible distributions and loan repayments, as well as suspension of required minimum distributions for 2020. The features within these acts were implemented during the year ended December 31, 2020, as required by the Internal Revenue Service (IRS). The Plan was amended to reflect these changes in 2022 in accordance with applicable law and IRS guidance.

The Plan intends to formally adopt certain provisions from the Secure Act 2.0 by the Plan year ending December 31, 2026. Certain optional changes were effective as soon as administratively and operationally feasible on or after October 9, 2024.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. See Note 6.

Forfeited Accounts

Forfeited/retainer amounts may be applied to reduce employer contributions, pay Plan expenses and any remaining forfeitures/retainers are allocated to the remaining Plan participants. During 2024 and 2023, the Plan applied no forfeited amounts. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$417 and \$0, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of the insurance company general account (a fully benefit-responsive investment), which is valued at contract value, at the year ended December 31, 2023. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion and disclosure related to fair value measurements. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. Contract value is the relevant measure for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation of investments is determined using the value at the beginning of the year or purchase price if acquired since that date. Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2024 and 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

Date of Management's Review

The Plan has evaluated subsequent events through October 10, 2025, which is the date the financial statements were available to be issued.

Effective March 12, 2025, the Plan was amended to discontinue the Company matching contribution.

NOTE 3 – FAIR VALUE MEASUREMENTS

Except for the Plan's fully benefit-responsive investment at the year ended December 31, 2023, the Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification Topic 820, Fair Value Measurement, are described as follows:

UNION JOINTS MULTIPLE EMPLOYER PLAN

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2024 and 2023

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets or liabilities in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Collective Investment Trusts ("CIT") – The fair value of these investments are used in determining the net asset value ("NAV") of the CIT, which is not publicly quoted but is available to current investors via the Employer website or when plan participants access their account values. The NAV is the basis for current transactions and the CIT can be redeemed at NAV as of the measurement date.

Mutual Funds – Valued at the daily closing price as quoted by the fund. The mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan held no Level 2 or 3 investments at December 31, 2024 or December 31, 2023.

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive investment contract with Nationwide during 2017. Nationwide maintains the contributions in an investment contract. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Nationwide. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measure attributable for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

UNION JOINTS MULTIPLE EMPLOYER PLAN

NOTES TO FINANCIAL STATEMENTS For the Years Ended December 31, 2024 and 2023

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2024 and 2023 was \$0 and \$355,867, respectively. The credit interest rate is based on the Composite Crediting Rate. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Nationwide. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on completing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that causes a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103- 8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

All investment and notes receivable from participants information included in the accompanying financial statements and ERISA required supplemental schedules, including assets held at December 31, 2024 and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period February 12, 2024 through December 31, 2024 were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal Trust Company ("PTC").

All investment information included in the accompanying financial statements and supplemental schedules, including assets held at December 31, 2023 and net appreciation in fair value of investments, interest and dividends for the period January 1, 2023 through February 11, 2024 were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Nationwide Trust Company, FSB ("Nationwide"). The contract value of the guaranteed investment contract at December 31, 2023, and related earnings for the period January 1, 2023 through February 11, 2024, were also certified by Nationwide.

NOTE 6 – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

For the year ended December 31, 2024, PTC invested Plan funds in shares of mutual funds managed by Principal Funds, Inc (an entity under common control with PTC) and certain investments are held in various Principal Global Investors Trust Company (an entity under common control with PTC) proprietary common investment trusts “(CIT)”. PTC has retained the services of Principal Global Investors, LLC (an entity under common control with PTC) as an investment advisor with respect to the proprietary CITs. PTC is a trustee as defined by the Plan and therefore, these transactions qualified as party-in-interest transactions. Fees incurred by the Plan for these investment services are included in net appreciation in fair value of investments.

During 2024, the Plan received a payment from Principal Life Insurance (an entity under common control with PTC) in the form of a surrender charge fee, in relation to a market value adjustment at the time of transition to certain Principal Life products, in the amount of \$52,225. This amount is included in net appreciation in fair value of investments for the year ended December 31, 2024.

For a portion of 2024 and for the year ended 2023, Nationwide invested Plan funds in shares of mutual funds managed by Nationwide and certain investments were held in an investment contract managed by Nationwide. Nationwide is a trustee as defined by the Plan and therefore, these transactions qualified as party-in-interest transactions. Fees incurred by the Plan for these investment services are included in net appreciation in fair value of investments.

The Benefit Advantage (“TBA”) acts as third party administrator to assist the Company in the continuing operation and maintenance of the Plan to ensure compliance with applicable tax laws and to provide various additional administrative services. TBA is a party-in-interest to the Plan. The Plan paid direct expenses to TBA totaling \$4,096 and \$8,859 for the years ended December 31, 2024 and 2023, respectively.

From February 12, 2024 through December 31 2024 Principal Life Insurance (an entity under common control with PTC) served as recordkeeper and third party administrator to the Plan. The Plan made direct payments to Principal Life Insurance in the amount of \$42,625 and \$0 for the years ended December 31, 2024 and 2023, respectively.

Nationwide served as recordkeeper and custodian to the Plan for a portion of 2024 and during 2023. The Plan made direct payments to Nationwide the amount of \$3,992 and \$56,157 for the years ended December 31, 2024 and 2023, respectively. See Note 1.

During 2024 Nationwide ProAccount provided investment related advisory services to the Plan. The Plan made direct payments to Nationwide ProAccount the amount of \$3,789 and \$0 for the years ended December 31, 2024 and 2023, respectively

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 – NON EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Company remitted certain participant contributions and loan repayments to the Trust later than required by DOL Regulation 2510.3-102, in the amounts of \$80,389 and \$25,968 during 2024 and 2023, respectively. The contributions, loan repayments and lost earnings have been remitted to the Trust as of the report date. The Company filed the required Form 5330 with the IRS and paid the required excise tax on the transactions and participant accounts were credited with the amount of investment income that would have been earned had the participant contributions been remitted on a timely basis as required by the DOL guidelines.

NOTE 8 – TAX STATUS

The Plan was restated effective January 1, 2022. *The Benefit Advantage* pre-approved plan, used by the Plan, obtained an opinion letter dated November 30, 2020, in which the Internal Revenue Service stated that the form of the plan is acceptable for use by employers for the benefit of their employees under Internal Revenue Code Section 401.

The Plan has not requested or received a plan determination letter. Although the Plan has been amended since receiving the determination letter, the Plan's administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions, if any.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in market or contract values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.
