Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of United Group Insurance Trust Consolidated Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2024 (in liquidation) and 2023 (ongoing), and the related statements of changes in net assets available for benefits and of changes in Plan's benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and the plan benefit obligations of United Group Insurance Trust Consolidated Welfare Plan as of December 31, 2024 (liquidation) and 2023 (ongoing), and the changes in net assets available for benefits and changes in plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Group Insurance Trust Consolidated Welfare Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As described in Note 1 to the financial statements, the Employer approved a plan of liquidation effective December 31, 2024, and management determined that liquidation is imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Group Insurance Trust Consolidated Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Group Insurance Trust Consolidated Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

NOTE 1 DESCRIPTION OF PLAN

The following description of the United Group Insurance Trust Consolidated Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 1998 to provide welfare benefits to the eligible employees and their eligible dependents of Participating Employers (the Employers). The Plan was amended and restated as a group insurance arrangement on January 1, 2016 with a trust account used for the collection of premium payments by the Participating Employers and disbursements to insurance carriers for coverage under the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan administrator has the right to amend, in whole or in part, any or all of the provisions of the Plan at any time. Upon such termination of the Plan, the assets will be used to pay insurance premiums and administrative expenses until exhausted. No assets will revert to the Plan administrator or any Participating Employer. Effective December 31, 2024, the Trustees of United Group Insurance Trust Consolidated Welfare Plan elected to terminate the Plan and commenced a plan of liquidation starting in January 2025.

Eligibility

All employees are required to work for 20 hours per week to be eligible to participate in all benefit plans offered. Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Participating Employer makes contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

Participating Employers contribute to the Plan on behalf of employees who are eligible to receive health benefits under the Plan and have enrolled in coverages offered under the Plan. Participants may be required to contribute towards premium costs and such contribution requirements are set forth in a separate document with the Participating Employer.

Benefits

The Plan offers numerous Component Benefit Plans from which the Participating Employers may choose to offer covered employees and their dependents. Participating Employers may elect to have life insurance, supplemental life insurance, dental, chiropractic/acupuncture, employee assistance program, vision, accidental death and dismemberment, supplemental accidental death and dismemberment and long-term disability coverage as part of their Component Benefit Plan. The Plan administrator purchases annual insurance contracts for these benefits on a fully-insured basis. Premiums for these insurance contracts are paid to the insurance companies from the general assets of the trust.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Employer approved a plan of liquidation effective December 31, 2024, and Plan management determined liquidation of the Plan is imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements.

Under the liquidation basis of accounting, assets are stated at their estimated cash value expected to be collected in settling or disposing of assets during the liquidation process and liabilities are stated at their anticipated settlement amounts. As of December 31, 2024, the Plan accrued costs of \$14,964 expected to be incurred, through the end of its liquidation as there is a reasonable basis for estimation.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan's cash balances are held at one financial institution located in California. Accounts at this institution are insured by a government agency up to \$250,000. At times, the balances in these accounts may exceed the insured limit.

Contributions Receivable

Employer contributions due but not collected by year-end are recorded as employer contributions receivable. Delinquent contributions are individually analyzed for collectability. The estimate for expected credit losses considers historical loss experience, current economic conditions, and forward-looking information, including factors such as payment history, employer financial condition, and labor trends. As of December 31, 2024 and 2023, the allowance for credit losses was insignificant.

Administrative Expenses

All administrative expenses, such as third-party administration fees, professional fees and fidelity bond fees, are paid by the insurance broker to the Plan. See Note 4.

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying statements of changes in net assets available for benefits. Insurance premiums payable at December 31, 2024 and 2023 were \$71,785, and \$118,044, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2025, the date the financial statements were available to be issued.

NOTE 3 TAX STATUS

The Plan operates as a Group Insurance Arrangement (GIA) within the meaning of Department of Labor Regulation Section 2520.104a-6. The Plan has not applied for tax exemption. Management is not aware of activities that would generate taxable income.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 PARTY-IN-INTEREST TRANSACTIONS

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions qualify as party in interest transactions, which are exempt from the prohibited transaction rules of ERISA. The Trustees of the United Group Insurance Trust Consolidated Welfare Benefit Plan are the Chief Executive Officer and Chief Operating Officer of Relation Insurance Services (Relation), the broker of record for the Plan. All third-party administration costs, legal expenses and professional fees related to the operation of the Plan are paid by Relation, outside of the Plan and Trust. Relation received commissions and fees from the Plan's insurance carriers for the years ended December 31, 2024 and 2023 of approximately \$242,247 and \$276,678 respectively.

NOTE 5 PLAN TERMINATION

The Plan Administrator has the right to amend, in whole or in part, any or all of the provisions of the Plan at any time. Additionally, the Plan Administrator also retains the right to terminate the Plan at any time. Upon such termination of the Plan, the assets will be used to pay insurance premiums and administrative expenses until exhausted. No assets will revert to the Plan Administrator or any Participating Employer.

Effective December 31, 2024, the Employer ceased all contributions into the Plan, elected to terminate the Plan as of December 31, 2024, and commenced a plan of liquidation starting in December 2024.
