Independent Auditors' Report

Board of Directors of LJT & Associates, Inc. and
Trustee of LJT & Associates, Inc. Profit Sharing Plan
Colorado Springs, Colorado

Opinion

We have audited the financial statements of LJT & Associates, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets in liquidation available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets in liquidation available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets in liquidation available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in net assets in liquidation available for benefits for the year ended December 31, 2024 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination and Use of Liquidation Basis of Accounting

As further discussed in Note 5 to the financial statements, the Board of Directors of LJT & Associates, LLC, made a decision to terminate the Plan and determined that liquidation is imminent. As a result, in accordance with accounting principles generally accepted in the United States of America, the Plan's financial statements are presented on the liquidation basis of accounting for the 2024 and 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

(1) Description of Plan

The following brief description of the LJT & Associates, Inc. Profit Sharing Plan (the Plan or ESOP) is provided for general information purposes only. Participants should refer to the Plan agreement for complete information.

General

LJT & Associates, Inc. (Company) established the Plan effective as of January 1, 2017. As of January 1, 2017, the Plan operated, in relevant part, as a leveraged employee stock ownership plan (ESOP) and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (IRC), and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by an independent Trustee.

On May 26, 2017, the Plan purchased all outstanding 11,280,000 shares of the Company's common stock with an internal loan to the Company and held the common stock in a trust established under the Plan. The stock was purchased at a price of \$0.63 per share, for an aggregate purchase price of \$7,161,815.

The borrowing was collateralized by the unallocated shares of common stock and was guaranteed by the Company. The lender has no rights against shares of common stock once they are allocated to participants in accordance with the terms of the ESOP.

On August 20, 2019, all of the outstanding shares of the Company were acquired from the ESOP Trust by Braxton Science & Technology Group, LLC (BSTG), for consideration consisting of cash of \$360,000 to be paid at closing and contingent consideration of up to \$640,000 in cash to be paid on the 18 month anniversary of the closing date. In conjunction with the purchase agreement the outstanding balance of the company loan of \$11,953,703 was forgiven along with the accrued interest.

On September 1, 2021, the plan trustee was notified that the setoff for amounts due from the seller to the purchaser exceeded the additional consideration and no additional contingent consideration would be paid in accordance with the purchase agreement. The plan trustee has not received documentation from the Company to substantiate the setoff amounts.

In accordance with the purchase agreement, the ESOP was converted to a profit sharing plan effective January 1, 2020.

Effective January 1, 2021 (termination date), the Plan was terminated. As of the termination date, each participant became fully vested in their plan balance and no further contributions shall be made to the Plan.

(1) Description of Plan, Continued

Eligibility

All employees of the Company (except employees who are leased or for whom the terms of employment are determined by collective bargaining agreements) become eligible to participate in the Plan if they are age 21 and upon completion of 1,000 hours of service during the first full 12 months of employment or subsequent plan year. Participants who did not have at least 1,000 hours of service during such plan year or were not employed on the last working day of a plan year were generally not eligible for an allocation of Company contributions for such year.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited with an allocation of plan earnings and plan expenses. Plan earnings are allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to the total Plan balance. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Effective January 1, 2021, the Plan was terminated and each participant became fully vested in their plan balance as of the termination date.

Payment of Benefits

Employees who terminate employment with the Company on or after normal retirement age (age 65) or upon death or disability, will receive distributions no later than the last day of the plan year following retirement. Other terminated participants may elect to receive distributions commencing no later than one year after the fifth year following the plan year in which such termination occurs. Participants who terminate employment with the Company with vested balances of \$5,000 or less will receive such benefits in a lump sum by the end of the plan year following the plan year in which such termination occurs. The amount to be distributed is based upon the immediately preceding valuation date. Distributions are made in cash or, if the Company elects, in the form of Company common stock plus cash for any fractional share of common stock, except that any distribution eligible for floor price protection are distributed in shares only.

Forfeited Accounts

Plan forfeitures are allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the plan year. There was no balance in the plan forfeiture account on December 31, 2024 and 2023 as everyone became fully vested in their plan balance as of the termination date.

(2) Summary of Significant Accounting Policies

Basis of Accounting

As a result of the plan termination, further discussed in Note 5 of the financial statements, the Plan financial statements are presented on the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Expenses

The Plan Trustee controls and manages the operations of the Plan. Certain administrative expenses of maintaining the Plan are either paid from trust assets or paid by the Company and accrued as a liability upon approval of the Plan Trustee. The expenses for maintaining the Plan are allocated to plan participants.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2025, the date the financial statements were available to be issued.

(3) Related Party Transactions and Party-In-Interest Transactions

As discussed in Note 2, the Plan Trustee pays certain expenses or approves accrual of certain expenses related to the Plan's operations directly. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA. Certain administrative functions of the Plan are performed by officers or employees of the Company. No officer or employee receives compensation from the Plan.

(4) Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated January 31, 2018, that the Plan is qualified and the trust established under the Plan is tax exempt, under the appropriate sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

LJT & Associates, Inc. Profit Sharing Plan

Notes to Financial Statements

December 31, 2024 and 2023

(4) Tax Status, Continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing areas.

(5) Plan Termination

The Company reserves the right to terminate the Plan at any time, subject to plan provisions. Upon such termination of the Plan, the interest of each participant in the trust fund will be fully vested and will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan and the IRC. Upon termination of the Plan, the trustee will pay all liabilities and expenses of the trust fund and sell shares of financed stock, if any, held in the loan suspense account to the extent it determines such sale to be necessary in order to repay the loan.

Effective January 1, 2021, an election to terminate the Plan and begin the plan liquidation was made by the Company and related trustee, resulting in the freezing of all future contributions. The plan trustee intends to complete plan liquidation by the end of 2025.

Communication with Those Charged with Governance, Including Those Overseeing the Financial Reporting Process

The Plan Trustees
LJT & Associates, Inc. Profit Sharing Plan
Colorado Springs, Colorado

We have audited the financial statements of LJT & Associates, Inc. Profit Sharing Plan (the Plan) as of and for the year ended December 31, 2024, and have issued our report thereon dated October 13, 2025. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated September 3, 2025, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements, drafted by us under the supervision of Maury Keller, Plan Trustee, with your oversight, are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

We drafted the financial statements of the Plan under the supervision of Maury Keller, Plan Trustee.

Significant Risk Identified

We have identified the following significant risk:

- Management override of internal controls – Management is principally responsible for the design, implementation, and maintenance of internal control. Management and other individuals within the Plan who are familiar with audit procedures normally performed may be better able to initiate and conceal fraudulent financial reporting. Accordingly, management override of internal controls is a financial statement level risk and a presumed fraud risk. Professional standards require that we respond to the risk of management override in our audit by designing procedures to test the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements; reviewing accounting estimates for biases and evaluating whether the circumstances producing the bias, if any, represent a risk of material misstatement due to fraud; evaluating, given the auditors' understanding of the entity and its environment and other information obtained during the audit, whether the business purpose (or lack thereof) of significant unusual transactions suggests that they may have been entered into to engage in fraudulent financial reporting or to conceal misappropriation of assets; and by incorporating an element of unpredictability in the selection of the nature, timing and extent of audit procedures.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2024. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

There were no significant estimates involved in the preparation of the financial statements.

Financial Statement Disclosures

No items were noted relating to the neutrality, consistency, and clarity of the disclosures in the financial statements that should be brought to your attention.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. No significant or unusual transactions were identified.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Identified or Suspected Fraud

We have not identified, nor have we obtained information that indicates that fraud may have occurred.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit. In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. There were no misstatements identified by us as a result of our audit procedures.

Circumstances that Affect the Form and Content of the Auditors' Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditors' report. No such circumstances were encountered.

Representations Requested from Management

We have requested certain written representations from management, which are included as Exhibit A.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Emphasis of Matter

We have included the following emphasis of matter paragraph in our auditors' report. As further discussed in Note 5 to the financial statements, the Board of Directors of LJT & Associates, made a decision to terminate the Plan and determined that liquidation is imminent. As a result, in accordance with accounting principles generally accepted in the United States of America, the Plan's financial statements are presented on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Other Matters

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Plan Trustees and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.
