INDEPENDENT AUDITORS' REPORT

To the Board of Directors of North Shore Animal League America, Inc.
as Plan Sponsor of the North Shore Animal League America 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of North Shore Animal League America 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (See Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NORTH SHORE ANIMAL LEAGUE AMERICA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 – DESCRIPTION OF PLAN

The following description of North Shore Animal League America 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. **General** – The Plan is a defined contribution plan covering all full-time employees of North Shore Animal League, Inc. (the "Organization"). The Plan was established in 2003 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). As of January 1, 2022, the Plan was amended and restated as required by Internal Revenue Service ("IRS") Notice 2017-37. The description of the Plan that follows has been updated to reflect any changes.
- B. **Eligibility** – Employees are eligible to participate in the Plan upon their employment commencement date.
- C. **Contributions** – Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, limited to the maximum of \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, respectively, as permitted by the Internal Revenue Code (the "IRC"). These amounts may be increased for inflation in future years, plus up to \$7,500 in both 2024 and 2023 for catch-up contributions for participants aged 50 or over. The Plan provisions allow for participants to make Roth 401(k) deferrals, as permitted by the IRC. Participants may also contribute amounts representing distributions from other qualified plans if certain requirements are met. All amounts contributed to the Plan are put into a trust fund, which is administered by the custodian. Participants may direct their investments by choosing from various investment funds offered by the custodian. Employer matching contributions may be contributed at the discretion of the employer. If matching contributions are made by the Plan sponsor, eligible employees include those over the age of age 21 and those that have completed one year of service.
- D. **Participant Accounts** – Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. **Vesting** – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. For the Organization's contribution and earnings thereon, participants are 20% vested after one year of service and an additional 20% for each subsequent year of service until the participant is 100% vested after completing their fifth year of service. Upon death or total and permanent disability, participants become fully vested.
- F. **Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate that is one percent over the prime interest rate, and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to ten years). Principal and interest are paid ratably through monthly payroll deductions. Participants may only have two loans outstanding at any time. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant. There were no distribution amounts deemed as defaulted loans for both years ended December 31, 2024 and 2023.
- G. **Payment of Benefits** – On termination of service due to death, disability or retirement, a participant (or participant beneficiary) is required to receive lump sum distributions. The Plan allows for hardship distributions to be made from participant accounts one time per year.
- H. **Forfeiture Accounts** – As of December 31, 2024 and 2023, there were no forfeited non-vested accounts.
- I. **Corrective Distributions** – Subsequent to December 31, 2024, certain participant contributions were deemed to be excess contributions under the IRC. Such contributions and the related investment earnings thereon were refunded to Plan participants. A liability for excess contributions of \$8,976 were recorded in the Plan's financial statements as of December 31, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** – The financial statements of the Plan are prepared on the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America (“U.S. GAAP”).
- B. **Use of Estimates** – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. **Investment Valuation and Income Recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

- D. **Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Interest rates on participant loans ranged from 4.25% to 9.50% as of December 31, 2024. If a participant ceases to make loan repayments and the Plan sponsor deems the participant loan to be in default, the participants’ loan balance is reduced, and a benefit payment is recorded.
- E. **Payment of Benefits** – Benefits are recorded when paid.
- F. **Expenses** – Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are also reported in administrative expenses, but reduce participants gains/losses in the period incurred.
- G. **Regulatory Compliance Affecting Retirement Plans** – The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) became law on December 20, 2019. The SECURE Act made major changes to the Required Minimum Distribution (“RMD”) rules, increasing the age from 70 ½ to 72 to participants over 72 after January 1, 2020. Plans were required to be formally amended for certain other changes if adopted on or before the last day of the 2023 plan year.

The SECURE Act 2.0 (SECURE 2.0 Act) was signed into law in December 2022, delivering dozens of new retirement-related provisions. These changes build on the original SECURE Act of 2019, which altered the rules around how employees can save and withdraw money from their retirement accounts. SECURE 2.0 further increased the age of RMDs, increased the catch-up contributions for older workers and required automatic enrollment for new plans. The SECURE 2.0 Act increased the age at which individuals must begin taking RMDs to 73 from 72, beginning January 1, 2023, as well as other increases starting in 2030.

**NORTH SHORE ANIMAL LEAGUE AMERICA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable years beginning after December 31, 2024. In addition, the SECURE 1.0 Act and further by the SECURE 2.0 Act lowered the eligibility requirements to enable part-time workers to participate in 401(k) plans. These rules for long-term, part-time workers are expanded to apply to ERISA 403(b) plans, as well. The SECURE 2.0 Act changes the eligibility requirements under 401(k) so that it is easier for part-time employees to participate in them. The enacted law, the SECURE 1.0 Act, allows plans to limit eligibility for participation of part-time employees who reach the later of: (1) age 21 or completion of one 12-month period in which the employee worked at least 1,000 hours (pre-SECURE 1.0 Act rule); or (2) three consecutive years of service with 500 or more hours in each year. Under the SECURE 2.0 Act, a plan must allow a part-time employee to participate if the employee has either satisfied the above rule #1, or if the employee has completed two consecutive 12-month periods in which the employee worked at least 500 hours in each one of the two periods and reached age 21 by the end of the second 12-month period.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE INVESTMENT CUSTODIANS AS COMPLETE AND ACCURATE

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts:

Common collective trusts are valued at NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. These common collective trusts are direct filing entities.

2024 Common Collective Trust:

<u>Investment</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period*</u>
MetLife Stable Value FD	\$ 2,316,707	N/A	Daily	12 months

2023 Common Collective Trust:

<u>Investment</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period*</u>
MetLife Stable Value FD	\$ 1,714,073	N/A	Daily	12 months

* The redemption notice period pertains to the Organization and not to the participant.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Participant-Directed Brokerage Accounts:

The Personal Choice Retirement Account (“PCRA”) is a self-directed program that allows participants to invest their account balances in any investment, as permitted by the Plan and in accordance with ERISA. Under this type of arrangement, participants can direct investments into the PCRA in addition to, or in lieu of, the various investment alternatives offered by the Plan. The value of the PCRA is measured at fair value. As of December 31, 2024 and 2023, the PCRA consisted of exchange traded funds, bond funds, and money market funds.

The following table sets forth, within the fair value hierarchy, the Plan’s assets at fair value as of December 31:

	2024	
	Level 1	Total Investments
Mutual funds	\$ 7,119,396	\$ 7,119,396
Participant-directed brokerage account	261,085	261,085
Total assets carried at fair value	7,380,481	7,380,481
Common collective trusts - NAV	-	2,316,707
	<u>\$ 7,380,481</u>	<u>\$ 9,697,188</u>

	2023	
	Level 1	Total Investments
Mutual funds	\$ 6,518,155	\$ 6,518,155
Participant-directed brokerage account	230,800	230,800
Total assets carried at fair value	6,748,955	6,748,955
Common collective trusts - NAV	-	1,714,073
	<u>\$ 6,748,955</u>	<u>\$ 8,463,028</u>

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan sponsor may determine.

NOTE 6 – TAX STATUS

The Plan sponsor has obtained a volume submitter profit-sharing plan issued to Pentegra Retirement Services (“Pentegra”) dated June 30, 2020, in which the IRS stated that the Plan followed applicable requirements of the IRC. The Plan administrator timely adopted the restated plan. Although the Plan has been amended since the date of the volume submitter letter, the Plan administrator believes that the Plan is designed and is currently being operated in accordance with the IRC, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

During 2025, the Plan Sponsor identified that certain eligible compensation was excluded in determining employee contributions to the Plan since inception. Corrective contributions to eligible participant accounts were paid out by the Plan Sponsor in October 2025 amounting to \$36,588. Lost earnings will be filed through the Voluntary Fiduciary Correction Program (“VFCP”) submission with the IRS in the amount of \$11,657. The Plan Sponsor does not expect the VFCP submission to affect the Plan’s tax status. The Plan Sponsor was unable to calculate the corrective contribution and lost earnings to the Plan since inception. The Plan Sponsor was only able to go back from 2017 due to the retention of documents and believes that the amounts that could not be calculated are trivial to the financial statements.

**NORTH SHORE ANIMAL LEAGUE AMERICA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 6 – TAX STATUS (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Pentegra and Empower Life & Annuity Insurance are the trustee as defined by the Plan and any transactions with Pentegra and Empower qualify as party-in-interest transactions. Pentegra and Empower are the Plan's trustee and custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the custodial services provided by the custodian are reflected within administrative expenses in the accompanying financial statements and amounted to \$27,710 and \$22,492 for the years ended December 31, 2024 and 2023, respectively.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS AND LOAN REPAYMENTS

Contributions and loan repayments for a certain payroll period in 2023 amounting to \$12,511 was not remitted by the Sponsor to the recordkeeper within the period prescribed by the Department of Labor regulations. The Sponsor corrected such late remittances and paid the lost earnings on March 12, 2025.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of net assets available for benefits through October 8, 2025, the date the financial statements were available to be issued.

Effective June 1, 2025, the Plan transitioned from Empower to Fidelity where the blackout period was lifted on June 27, 2025.
