Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of MacElree Harvey, LTD. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MacElree Harvey, LTD. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

To the Plan Administrator  
MacElree Harvey, LTD. 401(k) Plan

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MacElree Harvey, LTD. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about MacElree Harvey, LTD. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Plan Administrator  
MacElree Harvey, LTD. 401(k) Plan

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MACELREE HARVEY, LTD. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024**

**NOTE 1: DESCRIPTION OF PLAN**

The following description of the MacElree Harvey, LTD. (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan established and effective April 1, 1981, and recently restated on January 1, 2021, to provide employees of MacElree Harvey, LTD. (Company) the opportunity to accumulate savings that provide benefits in the event of retirement, disability, or death. The Plan is structured to comply with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participation in the Plan is voluntary.

**Eligibility** - An employee becomes eligible to participate in the Plan immediately upon hire and can enter the Plan semi-annually, the first day of the 1st and 7th month of the plan year. Employees covered by a collective-bargaining agreement, leased employees, nonresident aliens, temporary and seasonal workers, interns, and employees of any employer acquired as part of a merger or acquisition are not eligible to participate in the Plan.

**Contributions** - Each year, participants may contribute up to 100% of annual eligible compensation, as defined in the plan document. Participants may elect to contribute a minimum of 2% of compensation to the Plan on a pretax basis or to contribute Roth elective deferrals on an after-tax basis. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan, including a variety of registered investment companies and a collective trust fund. The Plan includes an automatic enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. The default deferral rate for automatic enrollment is set at 3% of eligible compensation. The Company contributes a non-elective safe harbor match contribution equal to 3% of compensation to all non-highly compensated employees. For years ended December 31, 2024 and 2023, the Company contributed safe harbor contributions of \$173,851 and \$179,457, respectfully. Additionally, the Company may contribute, at its discretion, a profit-sharing contribution to the Plan. For profit-sharing contribution purposes, participants will be eligible to receive an allocation of the contributions if they are employed by the Company on the last day of the plan year and have completed at least 1,000 hours of service during the plan year. For the years ended December 31, 2024 and 2023, the Company contributed profit-sharing contributions of \$317,482 and \$289,701, respectively. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant Accounts** - Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of plan investment results, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**MACELREE HARVEY, LTD. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2024**

**NOTE 1: DESCRIPTION OF PLAN - CONTINUED**

***Vesting*** - Participants are immediately vested in their contributions and the safe harbor matching contribution plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution portion of their accounts is based on years of continuous service after the effective date of the Plan. A participant is 20% vested after two years of service. The vesting percentage increases 20% each subsequent year until a participant becomes 100% vested after six years of credited service. Participants become 100% vested upon death or disability while employed by the Company.

***Notes Receivable from Participants*** - Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participants may only have two outstanding loans at one time. The notes are secured by the balance in the participant's account. All loans pay a rate of interest based on the prime rate on the date the loan is requested. All loans are repaid through payroll deductions within a five-year period, or up to 30 years for the purchase of a primary residence. The plan administrator shall treat a loan as being in default upon termination of employment or upon the failure to make any payment when due. Upon termination, the entire outstanding principal and accrued interest shall be immediately due and payable, and the participant will be deemed to have received a taxable distribution from the Plan. The loan offset occurs no later than the first date the participant may receive a distribution under the terms of the Plan.

***Payment of Benefits*** - Upon termination of service due to death, disability, retirement (normal age 65), or separation from service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest. After separation of service, a participant may delay withdrawal until a future date, but Fulton Bank, N.A. will automatically distribute balances of terminated participants that do not exceed \$5,000. If the terminated participant's account balance is greater than \$1,000, but not exceeding \$5,000, and the participant does not make an affirmation election to request a distribution, the distribution will be paid in a direct rollover to an individual retirement account designated by the plan administrator. If a participant has an account balance of \$1,000 or less and the participant does not make an affirmative election to request a distribution, the vested account balance will automatically be paid in a lump-sum distribution. A participant who has reached age 59½ may elect to withdraw all or a portion of his or her elective deferral account while still employed.

As required under Section 401(a)(9) of the Internal Revenue Code (IRC), a participant must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of (i) the year in which the participant reaches age 73, or (ii) the year in which the participant retires.

***Hardship Withdrawals*** - Participants can withdraw all, or a portion of, their vested account balance in the form of a hardship withdrawal to satisfy an immediate and heavy financial need as defined by the Plan.

**MACELREE HARVEY, LTD. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2024**

**NOTE 1: DESCRIPTION OF PLAN - CONTINUED**

*Forfeitures* - As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$1,796 and \$4,318, respectively. Forfeited amounts, to the extent they are not used to pay plan expenses, are to be used to reduce any employer contributions. During 2024, \$4,267 of forfeitures were used.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting* - The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

*Use of Estimates* - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition* - Investments are reported at fair value. Fair value is the price that would be received for the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Employer Contributions Receivable* - As of December 31, 2024 and 2023, the Plan had \$491,333 and \$461,846, respectively, in employer contributions receivable from the employer.

*Notes Receivable from Participants* - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

*Contributions* - Contributions from plan participants and the related employer matching contributions, if any, are recorded in the year in which the participant contributions are withheld from compensation.

*Payment of Benefits* - Benefits are recorded when paid.

**MACELREE HARVEY, LTD. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2024**

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

*Administrative Expenses* - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Costs associated with participant-initiated transactions are paid by the respective participants' accounts. Some administrative expenses are paid from the annual operating expenses of the Plan's designated investment alternatives, which are netted against the investment earnings for the relevant participant-directed investments.

*Subsequent Events* - The Plan's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. Management has evaluated events and transactions through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

**NOTE 3: FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**MACELREE HARVEY, LTD. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2024**

**NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

**Registered Investment Companies (Mutual Funds)** - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Collective Trust** - Valued at the NAV of units of the trust. The NAV, as provided by the trust, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions may occur daily. Were the plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2024			Total
	Level 1	Level 2	Level 3

(a) In accordance with Subtopic 820-10, *Fair Value Measurements*, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**NOTE 4: INFORMATION CERTIFIED BY THE TRUSTEE**

The Plan's investments as of December 31, 2024 and 2023, were held by Fulton Bank, N.A. (Trustee). The Company elected the method of annual reporting compliance permitted by the Department of Labor (DOL) Regulations Section 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate.

Dividends	835,820
Net Investment Income	\$ 3,006,215
Interest on Notes Receivable from Participants	\$ 7,161

**NOTE 5: RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

The Plan has not considered normal plan operations such as participant and employer contributions or benefits accrued or paid by the Plan for participants as party-in-interest transactions that require separate disclosure. Participant loan origination fees and distribution fees are paid out of the relevant participants' accounts. The Company pays directly any other fees related to plan operations. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rule.

The Plan participates in an expense offset agreement whereby certain third party expenses are paid with rebates received by the Plan from investment managers. During the year ended December 31, 2024, the Plan received investment manager rebates, totaling \$16,460, which were offset against recordkeeper fees. The rebates are included as a reduction to administrative expenses in the statement of changes in net assets available for benefits.

**NOTE 6: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

**NOTE 7: TAX STATUS**

The underlying prototype non-standardized profit-sharing plan with Cash or Deferred Arrangement has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the Plan is qualified under the IRC and, therefore, the related trust is tax exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification.

**MACELREE HARVEY, LTD. 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2024**

**NOTE 7: TAX STATUS - CONTINUED**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or DOL. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process. The Plan's federal Form 5500 is subject to examination from regulatory authorities generally for the three years after it was filed.

**NOTE 8: RISKS AND UNCERTAINTIES**

The Plan invests in various registered investment companies and collective trusts, which are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

**NOTE 9: COMMITMENTS AND CONTINGENCIES**

In the normal course of business, there may be various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of plan management, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.
