INDEPENDENT AUDITORS' REPORT

To the Board of Trustees

Stone Setters Annuity Fund Local 84

Opinion

We have audited the financial statements of Stone Setters Annuity Fund Local 84, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Stone Setters Annuity Fund Local 84 as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years ended then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Stone Setters Annuity Fund Local 84 and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stone Setters Annuity Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Stone Setters Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stone Setters Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held at end of year and reportable transactions attached to Schedule H of Form 5500 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Stone Setters Annuity Fund Local 84 (the “Plan”) provides only general information. Participants should refer to the Plan document and its Summary Plan Description for a more complete description of the Plan’s provisions.

General: The Plan is a collectively bargained multi-employer non-contributory defined contribution profit sharing plan established in 1959 that is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan operates as a trust to provide retirement benefits to participants who are covered employees of participating employers under collective bargaining agreements with the Bricklayers & Allied Craftworkers Local Union No. 1 (the “Union”).

Plan Administration: The administration of the Plan is the responsibility of a Board of Trustees comprised of Union and Employer Trustees. The Union Trustees and Employer Trustees have equal voting rights. The investments of the Plan are managed by investment advisers and maintained by separate Plan custodians.

Benefits: Account distributions are made upon retirement, death, and withdrawal from the industry or permanent disability.

Funding: Employers make contributions for covered participants based upon hours worked. Contribution rates are determined by the collective bargaining agreement in effect at the time.

The Plan also accepts contributions for eligible employees of the Union under a separate participation agreement.

Participant Accounts: Each participant’s account is credited with employer contributions made on their behalf plus an allocation for Plan earnings (losses) less benefits paid and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Vesting: Once an individual account has been established, all contributions are immediately vested in each participant’s account.

Loans: A participant may apply to the Plan for a loan of an amount not exceeding the lesser of (i) fifty percent (50%) of the participant account balance; or (ii) \$50,000.

Other: Although they have not expressed any intention to do so, the Plan’s Board of Trustees has the right under the Plan to modify benefits provided to participants and to terminate the Plan. The Plan may be terminated only by joint agreement between the contributing employers and the union, subject to the provisions set forth in ERISA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Payment of Benefits: Benefit payments to participants are recorded upon distribution.

Employer Contributions: The amounts of employer contributions receivable and employer contribution income do not include any estimates of amounts due from employers where remittance reports were not received by the Plan office nor any amounts due but unpaid as a result of payroll audits.

Participant Loans Receivable: Participant loans receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 9 on Fair Value Measurements.)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. Unrealized gains or losses are the differences between the fair value of the investments held at year-end and those held at the beginning of the year. Realized gains or losses on the sale of investments are based on the historical costs of the individual investments sold for financial reporting purposes, whereas the revalued cost (fair value at the beginning of the year) is used for determining the realized gain or loss for Form 5500 purposes.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 – PROCEDURE ON TERMINATION

In the event of termination of the Plan, the Trust Agreement requires that the trustees pay all obligations of the Plan and distribute and apply any remaining surplus in such a manner as will, in their opinion, best effectuate the purpose of the Plan. In no circumstances shall any funds revert or accrue to the benefit of any employer or the Union.

NOTE 4 – TAX STATUS

The Plan is a qualified Plan under Section 401 (a) of the Internal Revenue Code (IRC) and the Trust is exempt from federal income taxes under provisions of Section 501 (a) of the IRC. The Internal Revenue Service (the "IRS") has determined and informed the Plan by letter dated September 9, 2015, that the Plan is a tax qualified Plan under applicable sections of the IRC. The Plan's management believes that the Plan is currently designed and is being operated in compliance with the applicable requirement of the Code and, therefore, believes that the related trust is tax exempt. Consequently, no provision for income tax has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 7 – CONCENTRATION OF CREDIT RISK

Financial instruments that subject the Plan to concentration of credit risk include cash and short-term investments. While the Plan attempts to limit any financial exposure, its cash deposit balances may, at times, exceed federally insured limits. Short-term investments are not covered by the Federal Deposit Insurance Corporation.

NOTE 8 – EVALUATION OF SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2025, the date the financial statements were available to be issued.

NOTE 9 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in inactive markets.
 - Inputs other than quoted prices that are observable for the asset or liability.
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Interest bearing cash: Valued at cost which approximates fair market value.

U.S. government securities: Valued using pricing models maximizing the use of observable inputs for similar securities.

STONE SETTERS ANNUITY FUND LOCAL 84

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 9 – FAIR VALUE MEASUREMENTS (continued)

Corporate and municipal debt instruments: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar bonds, the bond is valued under a discounted cash flows approach that maximizes observable inputs, such as current yields of similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks.

Common/collective trusts and real estate investment funds: Valued at net asset value (NAV) of units held (or its equivalent, such as member units or an ownership interest in partners' capital). The NAV or its equivalent is used as a practical expedient to estimate fair value. The NAV or its equivalent is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV or its equivalent.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024, and 2023:

Total Investments measured at NAV	<u>\$ 18,468,946</u>	<u>\$ 19,691,161</u>			

- **Redemption Frequency for Invesco Stable Value Trust:** There is the potential for a 24-month put to be enforced on any full liquidation.
- **Redemption Notice for Invesco Stable Value Trust:** For this fund, formal notice is required to be provided no sooner than 30 days prior to scheduled liquidation. At that time, it is determined if the fund is enforcing the put. If the put is not being enforced, then the liquidation is approved. If the put is being enforced, the account is placed into a queue to be paid out when MV-BV goes above 100% or after 24 months, whichever happens first.

The common/collective trusts and real estate investment funds are measured at fair value by using the NAV practical expedient and file U.S. Department of Labor Form 5500 as a direct filing entity (DFE). Accordingly, disclosure of the significant investment strategies for these entities is not required.

U.S. Real Estate Investment Fund, LLC (“US Real Estate”) is a limited liability company organized under the laws of the State of Delaware on July 31, 2006, pursuant to the Delaware Limited Liability Company Act (the “Act”).

US Real Estate’s investment objectives are to invest in a pool of real estate assets that are diversified by geography and property type, with a focus on yield-driven investments and, to a lesser extent, on value-added investments. The Manager of US Real Estate is Intercontinental Real Estate Corporation.

US Real Estate is an open-ended, commingled real estate investment fund. It is organized for the objective and purpose of enabling its operating subsidiaries, U.S. Real Estate Investment REIT Fund, Inc., Bay State REIT, LLC, and U.S. Real Estate Investment Fund Non-REIT, LLC, to make investments in real estate assets; owning, managing, supervising, and disposing of such investments through its subsidiaries; sharing the profits and losses there from and engaging in such activities necessary, incidental, or ancillary thereto; and engaging in any other lawful act or activity for which limited liability companies may be organized under the Act in furtherance of the foregoing; provided, however, that the Fund shall make all qualifying investments only through one or more subsidiaries.

NOTE 10 – RELATED PARTY TRANSACTIONS

All employer contributions are initially recorded and deposited into a clearance account and then transferred to the various Stone Setter Fringe Benefit Plans as well as unrelated entities. Amounts due from the clearance account at year-end represent contributions received from employers but not transferred as of December 31, 2024 and 2023, respectively, and are included in contributions receivable.

All common general and administrative expenses are initially paid by the Stone Setters Pension Fund Local 84 (the "Pension Fund"). The amounts are then allocated based upon various allocation methods to the Stone Setters Local 84 Annuity Fund, Apprenticeship and Training Fund, and Vacation Fund.

The Plan's related party transactions with the Pension Fund for the year ended December 31, 2024 are summarized as follows:

	Totals	Stone Setters	
		Vacation Fund	Pension Fund
Beginning balances	\$ (105,760)	\$ (8,700)	\$ (97,060)

NOTE 12 – UNALLOCATED NET ASSETS AVAILABLE FOR BENEFITS

The Plan posts contributions to participant's accounts on the cash basis of accounting, but the financial statements report contribution income using the accrual basis of accounting. As a result, the Plan had unallocated net assets at December 31, 2024 and 2023 as follows:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits	\$ 25,737,043	\$ 26,860,692
