### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of World Wrestling Entertainment, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2024 Financial Statements.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about World Wrestling Entertainment, Inc. 401(k) Plan's ability to continue as a going concern for at least one year following the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of World Wrestling Entertainment, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about World Wrestling Entertainment, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - 2024 Supplemental Schedule Required by ERISA***

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### ***Other Matter - 2023 Financial Statement***

The 2023 financial statements of the Plan were audited by Marcum LLP. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 14, 2024 indicated that (a) the

amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the World Wrestling Entertainment, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

#### *GENERAL*

The Plan is a defined contribution plan established by World Wrestling Entertainment, Inc. (the "Company"), the Plan's sponsor, to provide a means for eligible employees to supplement their retirement income. The Plan was established effective November 1, 1997. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Fidelity Management Trust Company (the "Trustee" or "Fidelity") is the trustee and record keeper of the Plan.

#### *ELIGIBILITY*

An individual becomes eligible to contribute to the Plan on their first day of employment with the Company. The following individuals are not eligible to participate in the Plan: employees covered by collective bargaining agreements, non-salaried employees, employees that are non-resident aliens and former employees receiving severance pay.

#### *CONTRIBUTIONS*

Participants may contribute up to 30% of their compensation to the Plan through payroll deductions, subject to certain Internal Revenue Code ("IRC") limitations, for investment in the Plan's investment funds. The maximum annual pretax contribution was \$23,000 in 2024. Participants age 50 or over may elect to contribute an additional \$7,500 "catch-up contribution" over the base statutory limit.

The amount a participant chooses to contribute is paid directly to the Trustee. Because this amount is not paid directly to the participant, contributions are not subject to federal income tax until the participant receives payment from the Plan. A participant may increase, decrease or suspend Plan contributions at the beginning of each pay period.

In addition, the Company makes matching contributions each year equal to 50% of the first 6% of compensation contributed by the participant.

The Company may also make additional discretionary contributions to the Plan for each participant who made contributions to the Plan during the year. There were no discretionary contributions made by the Company for the year ended December 31, 2024. Participants may also contribute to the Plan amounts representing distributions from other qualified defined benefit or defined contribution plans.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

#### *PARTICIPANT ACCOUNTS*

The Trustee maintains an account for each participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, allocations of the Company's discretionary contributions and Plan earnings, and are charged with withdrawals, allocation of Plan losses and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### *INVESTMENTS*

Participants direct the investment of their contributions into various investment options offered by the Plan. Company contributions are automatically invested in a manner identical to that elected by the participant on a pro-rata basis.

#### *VESTING*

Participants are immediately vested in their contributions and earnings thereon, in addition to any discretionary contributions made by the Company. A participant becomes vested in the Company's matching contribution after the completion of one year of service.

#### *NOTES RECEIVABLE FROM PARTICIPANTS*

Loans to participants must be at least \$1,000 and may not exceed the lesser of \$50,000, reduced by the highest outstanding loan balance during the preceding 12 months, and the outstanding balance on the date of the loan, or 50% of the vested portion of a participant's account. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 9.50%, which are commensurate with local prevailing rates at the time funds are borrowed as determined at least annually by the Plan administrator. Principal and interest are paid ratably through payroll deductions. All loans to participants require repayment (principal and interest) over a period not to exceed five years, unless such loan is for the purchase of a participant's primary residence.

#### *PAYMENT OF BENEFITS*

At age 59-1/2 and thereafter, an active employee can withdraw funds from any portion of their balance at any time. Before age 59-1/2, withdrawals can be made only in the event of demonstrated financial hardship, as provided in the Plan document, according to the rules of the IRC.

If the participant's employment ends, the participant's account balance and earnings may be paid in lump-sum or installment payments. In addition, participants or their designated beneficiary may receive the full value of their account balance resulting from retirement, disability, attainment of age 70-1/2 or death.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

#### *FORFEITURES*

Forfeitures, which consist of Company contributions applicable to participants who terminate from the Plan, are not vested. Forfeitures may be used by the Plan to reduce subsequent administrative expenses and the Company's matching contributions. During the Plan year ended December 31, 2024, forfeitures totaled \$52,419, including earnings. The forfeited balance was \$48,009 and \$17,117 at December 31, 2024 and 2023, respectively. During 2024, the Plan applied forfeitures of \$21,526 toward administrative expenses.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### *BASIS OF ACCOUNTING*

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

#### *USE OF ESTIMATES*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and when applicable, disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### *RISKS AND UNCERTAINTIES*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of the investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Users of the financial statements should be aware that the financial market's volatility may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2024 may not necessarily be indicative of amounts that could be realized in a current market exchange.

# WORLD WRESTLING ENTERTAINMENT, INC. 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### *NOTES RECEIVABLE FROM PARTICIPANTS*

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments, and the Plan administrator deems the participant loan to be in default based upon the terms of the Plan document, the participant loan balance is reduced and a benefit payment is recorded. There were \$123,590 of participant loans recorded as benefit payments during the Plan year ended December 31, 2024.

#### *INVESTMENT VALUATION AND INCOME RECOGNITION*

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Benefits and Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company (see Note 3 for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in the net change in fair value of investments for such investments.

#### *EXCESS CONTRIBUTIONS PAYABLE*

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no such amounts as of December 31, 2024 or 2023.

#### *ADMINISTRATIVE EXPENSES*

Professional and administrative expenses of the Plan, at the Company's election, may be paid out of the Plan or directly by the Company. Certain fees are assessed by the Trustee for the processing of participant loans and participant withdrawals, and are charged directly to the participant's account. In addition, personnel and facilities of the Company are used by the Plan for its accounting and other activities at no charge to the Plan.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### *CONTRIBUTIONS*

Contributions from plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

#### *PAYMENT OF BENEFITS*

Benefit payments to participants are recorded upon distribution. There were no benefit payments outstanding to participants as of December 31, 2024 or 2023.

#### *SUBSEQUENT EVENTS*

Effective March 1, 2025, the assets of the Plan were merged with the assets of the Ultimate Fighting Championship 401(k) Plan. The Plan was renamed to the TKO Group Holdings, Inc. 401(k) Plan (the "TKO Plan"). The plan considerations of the TKO Plan are essentially the same as the Plan.

The Plan's management evaluated subsequent events through October 10, 2025, the date on which these financial statements were available to be issued, and no additional disclosures are required.

### NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from, or corroborated by observable market data by correlation, or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

### NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**Mutual Funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Common Collective Trust:** The Plan uses the NAV per share of the Fidelity Managed Income Portfolio fund provided by the trustee as a practical expedient to estimate fair value. The practical expedient would not be used if it were determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions may occur daily. The fund's units are issued and redeemed daily.

The following table sets forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis.

	Fair Value Measurements at December 31, 2024 Using			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

<b>Investments at Fair Value</b>	<u>\$175,607,125</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$178,242,495</u>

(a) In accordance with ASC 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the fair value of the Plan's assets at the end of each respective year.

#### ***FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV***

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2024 and 2023, respectively.

### NOTE 4 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are shares of mutual funds and a common collective trust managed by the Trustee. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. The Plan allows for participants to take loans from their Plan accounts which qualifies as party-in-interest transactions.

### NOTE 5 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, each participant, who is then an employee and who is affected by such circumstance, will have a 100% non-forfeitable interest in the value of all amounts credited to their participant account.

### NOTE 6 - FEDERAL INCOME TAX STATUS

The Company, as the Plan's sponsor, adopted a pre-approved plan, which received an Internal Revenue Service ("IRS") opinion letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has subsequently been amended; however, the Plan's management and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC, and that the Plan continues to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2024, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any periods in progress.

To the Plan Administrator of the  
**World Wrestling Entertainment, Inc. 401(k) Plan**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audit of the financial statements of World Wrestling Entertainment, Inc. 401(k), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the World Wrestling Entertainment, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of World Wrestling Entertainment, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2024 Financial Statements.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about World Wrestling Entertainment, Inc. 401(k) Plan's ability to continue as a going concern for at least one year following the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of World Wrestling Entertainment, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about World Wrestling Entertainment, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - 2024 Supplemental Schedule Required by ERISA***

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### ***Other Matter - 2023 Financial Statement***

The 2023 financial statements of the Plan were audited by Marcum LLP. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 14, 2024 indicated that (a) the

amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the World Wrestling Entertainment, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

#### *GENERAL*

The Plan is a defined contribution plan established by World Wrestling Entertainment, Inc. (the "Company"), the Plan's sponsor, to provide a means for eligible employees to supplement their retirement income. The Plan was established effective November 1, 1997. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Fidelity Management Trust Company (the "Trustee" or "Fidelity") is the trustee and record keeper of the Plan.

#### *ELIGIBILITY*

An individual becomes eligible to contribute to the Plan on their first day of employment with the Company. The following individuals are not eligible to participate in the Plan: employees covered by collective bargaining agreements, non-salaried employees, employees that are non-resident aliens and former employees receiving severance pay.

#### *CONTRIBUTIONS*

Participants may contribute up to 30% of their compensation to the Plan through payroll deductions, subject to certain Internal Revenue Code ("IRC") limitations, for investment in the Plan's investment funds. The maximum annual pretax contribution was \$23,000 in 2024. Participants age 50 or over may elect to contribute an additional \$7,500 "catch-up contribution" over the base statutory limit.

The amount a participant chooses to contribute is paid directly to the Trustee. Because this amount is not paid directly to the participant, contributions are not subject to federal income tax until the participant receives payment from the Plan. A participant may increase, decrease or suspend Plan contributions at the beginning of each pay period.

In addition, the Company makes matching contributions each year equal to 50% of the first 6% of compensation contributed by the participant.

The Company may also make additional discretionary contributions to the Plan for each participant who made contributions to the Plan during the year. There were no discretionary contributions made by the Company for the year ended December 31, 2024. Participants may also contribute to the Plan amounts representing distributions from other qualified defined benefit or defined contribution plans.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

#### *PARTICIPANT ACCOUNTS*

The Trustee maintains an account for each participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, allocations of the Company's discretionary contributions and Plan earnings, and are charged with withdrawals, allocation of Plan losses and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### *INVESTMENTS*

Participants direct the investment of their contributions into various investment options offered by the Plan. Company contributions are automatically invested in a manner identical to that elected by the participant on a pro-rata basis.

#### *VESTING*

Participants are immediately vested in their contributions and earnings thereon, in addition to any discretionary contributions made by the Company. A participant becomes vested in the Company's matching contribution after the completion of one year of service.

#### *NOTES RECEIVABLE FROM PARTICIPANTS*

Loans to participants must be at least \$1,000 and may not exceed the lesser of \$50,000, reduced by the highest outstanding loan balance during the preceding 12 months, and the outstanding balance on the date of the loan, or 50% of the vested portion of a participant's account. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 9.50%, which are commensurate with local prevailing rates at the time funds are borrowed as determined at least annually by the Plan administrator. Principal and interest are paid ratably through payroll deductions. All loans to participants require repayment (principal and interest) over a period not to exceed five years, unless such loan is for the purchase of a participant's primary residence.

#### *PAYMENT OF BENEFITS*

At age 59-1/2 and thereafter, an active employee can withdraw funds from any portion of their balance at any time. Before age 59-1/2, withdrawals can be made only in the event of demonstrated financial hardship, as provided in the Plan document, according to the rules of the IRC.

If the participant's employment ends, the participant's account balance and earnings may be paid in lump-sum or installment payments. In addition, participants or their designated beneficiary may receive the full value of their account balance resulting from retirement, disability, attainment of age 70-1/2 or death.

# WORLD WRESTLING ENTERTAINMENT, INC. 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

#### *FORFEITURES*

Forfeitures, which consist of Company contributions applicable to participants who terminate from the Plan, are not vested. Forfeitures may be used by the Plan to reduce subsequent administrative expenses and the Company's matching contributions. During the Plan year ended December 31, 2024, forfeitures totaled \$52,419, including earnings. The forfeited balance was \$48,009 and \$17,117 at December 31, 2024 and 2023, respectively. During 2024, the Plan applied forfeitures of \$21,526 toward administrative expenses.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### *BASIS OF ACCOUNTING*

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

#### *USE OF ESTIMATES*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and when applicable, disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### *RISKS AND UNCERTAINTIES*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of the investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Users of the financial statements should be aware that the financial market's volatility may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2024 may not necessarily be indicative of amounts that could be realized in a current market exchange.

# WORLD WRESTLING ENTERTAINMENT, INC. 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### *NOTES RECEIVABLE FROM PARTICIPANTS*

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments, and the Plan administrator deems the participant loan to be in default based upon the terms of the Plan document, the participant loan balance is reduced and a benefit payment is recorded. There were \$123,590 of participant loans recorded as benefit payments during the Plan year ended December 31, 2024.

#### *INVESTMENT VALUATION AND INCOME RECOGNITION*

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Benefits and Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company (see Note 3 for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in the net change in fair value of investments for such investments.

#### *EXCESS CONTRIBUTIONS PAYABLE*

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no such amounts as of December 31, 2024 or 2023.

#### *ADMINISTRATIVE EXPENSES*

Professional and administrative expenses of the Plan, at the Company's election, may be paid out of the Plan or directly by the Company. Certain fees are assessed by the Trustee for the processing of participant loans and participant withdrawals, and are charged directly to the participant's account. In addition, personnel and facilities of the Company are used by the Plan for its accounting and other activities at no charge to the Plan.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

---

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### *CONTRIBUTIONS*

Contributions from plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

#### *PAYMENT OF BENEFITS*

Benefit payments to participants are recorded upon distribution. There were no benefit payments outstanding to participants as of December 31, 2024 or 2023.

#### *SUBSEQUENT EVENTS*

Effective March 1, 2025, the assets of the Plan were merged with the assets of the Ultimate Fighting Championship 401(k) Plan. The Plan was renamed to the TKO Group Holdings, Inc. 401(k) Plan (the "TKO Plan"). The plan considerations of the TKO Plan are essentially the same as the Plan.

The Plan's management evaluated subsequent events through October 10, 2025, the date on which these financial statements were available to be issued, and no additional disclosures are required.

### NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from, or corroborated by observable market data by correlation, or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

### NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**Mutual Funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Common Collective Trust:** The Plan uses the NAV per share of the Fidelity Managed Income Portfolio fund provided by the trustee as a practical expedient to estimate fair value. The practical expedient would not be used if it were determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions may occur daily. The fund's units are issued and redeemed daily.

The following table sets forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis.

	Fair Value Measurements at December 31, 2024 Using			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

### NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

	Fair Value Measurements at December 31, 2023 Using			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Mutual Funds	<u>\$175,607,125</u>	\$ --	\$ --	<u>\$175,607,125</u>
Total Assets in the Fair Value Hierarchy	\$175,607,125	\$ --	\$ --	\$175,607,125

<b>Investments at Fair Value</b>	<u>\$175,607,125</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$178,242,495</u>

(a) In accordance with ASC 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the fair value of the Plan's assets at the end of each respective year.

#### ***FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV***

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2024 and 2023, respectively.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

### NOTE 4 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are shares of mutual funds and a common collective trust managed by the Trustee. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. The Plan allows for participants to take loans from their Plan accounts which qualifies as party-in-interest transactions.

### NOTE 5 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, each participant, who is then an employee and who is affected by such circumstance, will have a 100% non-forfeitable interest in the value of all amounts credited to their participant account.

### NOTE 6 - FEDERAL INCOME TAX STATUS

The Company, as the Plan's sponsor, adopted a pre-approved plan, which received an Internal Revenue Service ("IRS") opinion letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has subsequently been amended; however, the Plan's management and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC, and that the Plan continues to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2024, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any periods in progress.
