Independent Auditors' Report

To the Members of the Executive Retirement Committee
and the Administrator of the Retirement Savings Plan of Leviton Affiliated Employers:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the Retirement Savings Plan of Leviton Affiliated Employers (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audits"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from a Qualified Institution as of December 31, 2024, and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule(s) Required by ERISA

The supplemental schedule of Schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a Qualified Institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024, AND 2023 AND
FOR THE YEAR ENDED DECEMBER 31, 2024

1. **Description of the Plan**

The following is a brief description which is provided for general information purposes only of the Retirement Savings Plan of Leviton Affiliated Employers (the “Plan”). Participants should refer to the Plan document, related adoption agreement and individual statements provided for a more complete description of the Plan’s provisions.

General

The Plan is a qualified defined contribution plan sponsored by Leviton Manufacturing Co., Inc. for certain of its related affiliates (the “Company”). The Plan covers eligible employees of the Company. The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Bank of America, N.A. is the trustee and custodian of the Plan (the “Trustee”). The Trustee is a qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Merrill Lynch, Pierce, Fenner, & Smith, Inc. (“Merrill Lynch”), an affiliate of the Trustee, is the record-keeper of the Plan. The Plan administrator is responsible for overseeing and ensuring compliance with the Plan document. The Plan’s Trustee, record-keeper and administrator are appointed by the Company.

During 2024, there were transfers into the Plan amounting to \$7,474 and transfers out of the Plan amounting to \$185,779 between the Leviton Manufacturing Co. Inc. Retirement Savings Plan (“RSP”) and the Plan. These transfers were in conjunction with non-highly compensated participant accounts being transferred into the Plan’s Trust while highly compensated participant accounts were being transferred out of the Plan’s Trust.

Eligibility

The Plan covers all eligible employees as of the first day of the month following the date of hire. Eligibility for all Plan purposes have no age limit requirement. The Plan excludes those employees who are: employed in the capacity or designated as an intern or temporary employee, non-resident aliens, leased employees, collectively bargained and Highly Compensated Employees, as defined, and Key Employees, as defined.

Participant Contributions

The employees may make rollover contributions and voluntary contributions, to be placed into a trust fund for their benefit. Each participant may elect to defer, on a pre-tax or post-tax basis, up to 60% of his or her eligible compensation, as defined, up to the maximum contributions allowed under the Internal Revenue Code (“IRC”) as discussed below. Participants who do not affirmatively elect to have a specified amount contributed automatically have 4% of their eligible compensation, as defined, deferred, automatically escalating by 1% per year, up to a maximum of 10% unless they opt-out of the Plan or elect a different deferral percentage. If a participant does not make an election as to how the Plan should invest their directed account, then the

1. Description of the Plan

Participant Contributions

directed account will be invested in accordance with the default investment alternatives established under the Plan.

The maximum amount of compensation that may be considered for deferral purposes by participants and employer contributions is \$345,000 for 2024. Total participant contributions are limited to a maximum of \$23,000 for 2024. Additionally, individuals who are at least 50 years of age can make a “catch-up” contribution not to exceed \$7,500 for 2024. The maximum annual addition for 2024 that may be contributed or allocated to a participant’s account under the Plan shall not exceed the lesser of 100% of a participant’s compensation or \$69,000 for employees under age 50 and \$76,500 for employees over the age of 50.

Eligible compensation in relation to contributions means wages, tips and other compensation on Form W-2. Compensation is also adjusted to exclude reimbursements or other expense allowances, fringe benefits (cash or non-cash), moving expenses, deferred compensation (other than deferrals specified as being included in compensation) and welfare benefits.

Employer Contributions

Each participating employer will determine in its sole discretion how much, if any, it will make as a matching contribution under the Plan. Each participating employer can also make a profit-sharing contribution at its discretion. Participants are eligible to participate in the Company’s matching contributions after completing one year of service. Participants are eligible to participate in the Company’s profit-sharing contributions after completing one hour of service and effective the earlier of i) the first day of the Plan year coincident with or next following the date one hour of service has been completed, or ii) January 2 of the Plan Year if the first one hour of service is performed on such date. For 2024, Leviton NS Data Center, Inc. made a matching contribution in an amount equal to 25% of the first 5% of compensation for a maximum of 1.25% of total compensation. All other employees of the Company received a matching contribution in an amount equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation for a maximum of 4% of total compensation.

RETIREMENT SAVINGS PLAN OF LEVITON AFFILIATED EMPLOYERS

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024, AND 2023 AND
FOR THE YEAR ENDED DECEMBER 31, 2024

1. Description of the Plan

Employer Profit Sharing Contributions

The Company provides at its sole discretion a profit-sharing contribution. The profit-sharing contribution, if any, will be allocated based on a point system, in which points are allocated based on an eligible employee's years of service with the Company and level of compensation. To share in the profit-sharing contribution, an eligible employee must have completed one year of service, be employed for the entire Plan year and was not eligible to receive a distribution from the Company's Long-Term Incentive Plan, as defined. Certain subsidiaries of the Company are not eligible for the profit-sharing contribution. The profit-sharing contribution, if any, is 100% vested immediately.

The Company elected to make a profit-sharing contribution of \$302,573 for 2024 which was recorded as Employer contribution receivable in the Statement of Net Assets Available for Benefits as of December 31, 2024. None of the participating employers elected a profit-sharing contribution for 2024 or 2023 Plan years.

Rollover Contributions

A Plan participant may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as a rollover even if they are not a Plan participant.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. Rollover contributions are invested at the election of the participant.

Vesting

Participants are immediately vested in their voluntary and rollover contributions, Company matching and profit-sharing contributions and Plan earnings thereon.

Participant Accounts

The Plan administrator establishes and maintains a separate account for each participant, who is credited for rollover and voluntary contributions the participants make, Company contributions, and Plan earnings. Income earned and net appreciation or depreciation on Plan investments, for a given investment, are allocated in proportion to the participant's account balances in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

RETIREMENT SAVINGS PLAN OF LEVITON AFFILIATED EMPLOYERS

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024, AND 2023 AND
FOR THE YEAR ENDED DECEMBER 31, 2024

1. Description of the Plan

Notes Receivable from Participants

Each participant may borrow up to the lesser of: (1) 50% of the present value of the participant's vested interest in the account or (2) \$50,000, less currently outstanding notes receivable. The notes are secured by the vested balance in the participant's account. No note shall be less than \$1,000 and only one note at a time is allowed. The notes shall bear a reasonable rate of interest as determined by the Plan administrator at the rate of prime plus 1% per annum. At December 31, 2024, the outstanding notes bear interest ranging from 4.25% to 9.50% per annum. An outstanding note is repayable, with interest, in full at any time or in monthly installments by means of a payroll deduction from the participant's salary over a term not to exceed five years. However, if the note is for the purchase of a principal residence, the Plan administrator may permit a longer repayment term not to exceed 20 years.

Forfeitures

When the benefit plan of employer Conservation Technology merged with the Plan, the attributes of the Conservation Technology plan were retained. In accordance with the forfeiture attributes of the merged plan, participants forfeit their non-vested balances upon termination. These accounts may be used to reduce future Company contributions or administrative expenses. No forfeitures were used to reduce Company contributions during the year ended December 31, 2024.

ERISA Budget Account

The Trustee, through its revenue sharing arrangements ("Shared Revenue") with investment companies, shares a portion of the Shared Revenue with retirement plans which it services. During the year ended December 31, 2024, the Plan earned \$6,869 of Shared Revenue from the Trustee. Such revenues have been recorded within Other income on the Statement of Changes in Net Assets Available for Benefits. The Shared Revenue can be used to either reduce Plan expenses or be reallocated to participant accounts. During 2024, Shared Revenue in the amount of \$6,107 was reallocated to participant accounts. At December 31, 2024, and 2023 the remaining portion of Shared Revenue received by the Plan but not yet reallocated to participant accounts was \$1,539 and \$1,455, respectively, and is included in the Investments, at fair value balance on the Statements of Net Assets Available for Benefits. At December 31, 2024, and 2023 the amount of Shared Revenue earned from the Trustee, but not yet received by the Plan, amounted to \$1,217 and \$455, respectively.

RETIREMENT SAVINGS PLAN OF LEVITON AFFILIATED EMPLOYERS

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024, AND 2023 AND
FOR THE YEAR ENDED DECEMBER 31, 2024

1. Description of the Plan

Retirement

The normal retirement age is defined as when the participant reaches the age of 65. At the normal retirement date, the participant is entitled to 100% of their account balance. The participant can elect late retirement after the age of 65. A participant who becomes disabled, as defined in the Plan document, is eligible for a disability retirement. There are no early retirement provisions.

Distribution of Benefits

An active participant, or a designated beneficiary, is entitled to withdraw the entire vested amount (or in some cases, a portion thereof) in the event of normal retirement, death, disability, termination of employment, termination of the Plan, attainment of age 59 ½, or under hardship circumstances, as defined in the Plan document. Distributions are made in the form of a lump sum distribution or installment payments. Terminated employees whose vested balance exceeds \$5,000 at termination may elect to leave their account balances in the Plan. Participants must begin receiving the required minimum distributions, under IRS guidelines, upon reaching the age of 73. Terminated employees whose vested balances are under \$5,000 will be subject to an involuntary distribution.

Administrative Expenses

Administrative expenses may be paid out of the Plan or by the Company. Administrative expenses that are to be paid from the Plan are allocated to all participants on a pro rata basis. The Company incurred certain administrative expenses relating to the Plan without charge to the Plan during 2024.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates and Assumptions

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

RETIREMENT SAVINGS PLAN OF LEVITON AFFILIATED EMPLOYERS

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024, AND 2023 AND
FOR THE YEAR ENDED DECEMBER 31, 2024

2. Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. Purchases and sales of securities are reflected on a trade date basis. Interest and dividend income are recorded when earned. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) of the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024, or 2023.

Payment of Benefits

Benefit payments to participants or beneficiaries are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks including, but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

Income Tax Status

The Plan is an adoption of a pre-approved plan that received an IRS opinion letter on June 30, 2020, stating that the pre-approved plan, as then designed, was then in compliance with the applicable requirements of the IRC. An employer adopting this pre-approved plan is considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the Plan is tax-exempt. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax.

RETIREMENT SAVINGS PLAN OF LEVITON AFFILIATED EMPLOYERS

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024, AND 2023 AND
FOR THE YEAR ENDED DECEMBER 31, 2024

2. Summary of Significant Accounting Policies

Income Tax Status

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and/or the DOL. The Plan administrator has analyzed the tax positions taken by the Plan and had concluded that as of December 31, 2024, and 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and/or the DOL. There are currently no other audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100 percent vested in their employer contributions.

4. Investments

For the year ended December 31, 2024, the Plan's investments appreciated (including gains and losses on investments bought and sold, as well as held during the year) in value by \$720,258.

5. Fair Value Measurements

Financial Accounting Standard Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

RETIREMENT SAVINGS PLAN OF LEVITON AFFILIATED EMPLOYERS

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024, AND 2023 AND
FOR THE YEAR ENDED DECEMBER 31, 2024

5. Fair Value Measurements

Level 2: Quoted prices for similar assets and liabilities; quoted prices for identically similar assets or liabilities in markets that are not active and models for which all significant inputs are observable either directly or indirectly.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024, and 2023:

Interest-bearing cash and mutual funds: Valued at the daily closing price as reported by the fund. Interest-bearing cash and mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The interest-bearing cash mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the NAV of the units of the respective trust company's common collective trusts. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the common collective trusts, the Trustee reserves the right to temporarily delay withdrawal from the trust in order to ensure that liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024, AND 2023 AND
FOR THE YEAR ENDED DECEMBER 31, 2024

5. Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024, and 2023:

	2024			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest-bearing cash	\$ 224,597	\$ -	\$ -	\$ 224,597

	2023			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest-bearing cash	\$ 381,015	\$ -	\$ -	\$ 381,015
Mutual funds	6,732,849	-	-	6,732,849
Total investments in the fair value hierarchy	<u>\$ 7,113,864</u>	<u>\$ -</u>	<u>\$ -</u>	7,113,864
Common collective trusts (a)				2,647,676
Investments, at fair value				<u>\$ 9,761,540</u>

(a) In accordance with ASC subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the year ended December 31, 2024, there were no purchases, issuances, transfers in, or transfers out of Level 3.

Fair Value of Investments in Entities that Use NAV

The following table summarizes common collective trusts investments and associated information for which fair value is measured using the NAV per share practical expedient as of December 31, 2024, and 2023:

6. Related Party and Party-in-Interest Transactions

As of December 31, 2024, certain of the Plan's investments were managed by the Trustee. Included within administrative expenses in 2024 are certain payments to the Trustee or its affiliates. Transactions with the Trustee and its affiliates qualify as parties-in-interest transactions. Loans to Plan participants also qualify as party-in-interest transactions. The above transactions are not, however, considered prohibited transactions under CFR 408 (b) of the ERISA regulations.

7. Unaudited Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, which was certified by the Trustee, as complete and accurate, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule:

As of December 31:	<u>2024</u>	<u>2023</u>
Investments, at fair value	\$ 11,446,037	\$ 9,761,540

Interest income	2,348
Other income	7,335
Total investment income	<u>\$ 1,077,826</u>
Interest income on notes receivable from participants	<u>\$ 14,394</u>

In addition, the information in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, has been certified by the Trustee to be complete and accurate.
