INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Retirement Plan for Employees Represented by
Sheet Metal Workers Local Union 18

Opinion

We have audited the accompanying financial statements of the Retirement Plan for Employees Represented by Sheet Metal Workers Local Union 18 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The schedules of administrative expenses for the years ended December 31, 2024 and 2023 are provided for informational purposes only. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule of assets (held at end of year), including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content of the supplemental schedule of assets (held at end of year) are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. DESCRIPTION OF PLAN

The following description of Retirement Plan for Employees Represented by Sheet Metal Workers Local Union 18 (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan was established on October 1, 1968. The Plan is a noncontributory defined contribution plan, covering employees of participating employers represented for collective bargaining purposes by the International Association of Sheet Metal, Air, Rail and Transportation Workers Local #18 (the Union). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Board of Trustees (the Trustees), consisting of a union group and an employer group of representatives, each having equal voting power, is responsible for the oversight and administration of the Plan and determines the appropriateness of the Plan's investment offerings and monitors performance.

Plan Administration

The Trustees have engaged the services of BeneSys, Inc. as the third-party administrator to handle the daily administration of the Plan. The Trustees have overall responsibility for the operation and administration of the Plan. Under a custodial agreement, Matrix Trust Company was appointed custodian for the Plan. The custodian processes and maintains the records of participant data and holds the Plan's investment assets. The investment consultant determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Trustees.

Contributions

Employees of participating employers are immediately eligible upon employment to participate in the Plan in accordance with the terms of the participating employers' collective bargaining agreements. The employer contribution is an amount equal to the cents per hour determined pursuant to the bargaining agreement between the Union and the employer, multiplied by the number of hours of service worked by each participant. Participating employers contributed up to \$11.05 for the years ended December 31, 2024 and 2023. Participants may only contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Contributions are subject to certain limitations determined by the Internal Revenue Code (IRC).

**RETIREMENT PLAN FOR EMPLOYEES REPRESENTED BY
SHEET METAL WORKERS LOCAL UNION 18**
NOTES TO FINANCIAL STATEMENTS (Continued)

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Employer contributions and participant rollovers are received from employers and participants, respectively, for the operation of the Plan. Employer contributions are recognized in the period that coincides with the completion of the related work hours. Participant rollovers are recognized as revenue when received.

Participant Accounts

Each participant's account is credited with employer contributions, participant rollover contributions, if any, and allocations of plan earnings (losses) and charged with the participant's benefit payments and an allocation of administrative expenses. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance.

Investment Options

Participants may direct all their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan's provisions.

Vesting

Participants are immediately 100% vested in the balance of their account.

Payment of Benefits

Upon termination of employment due to retirement, death, or disability, a participant may elect to receive either a lump-sum, various fixed installments, or various annuity options. Retirement age is defined as 62 with early retirement permitted at age 55 as long as certain service requirements are met. Upon termination if no participant election has been made, benefit payments of \$1,000 or less are automatically paid in a lump-sum and benefit payments greater than \$1,000 and up to \$5,000 through December 31, 2023 are automatically paid into an individual retirement account in the participant's name. Effective January 1, 2024, payments greater than \$1,000 and up to \$7,000 are automatically paid into an individual retirement account in the participant's name. Terminated employees who have not yet reached retirement age are allowed a one-time distribution not to exceed the lesser of \$15,000 or 50% of their account balance.

Participant Loans

Loans are not permitted by the Plan.

**RETIREMENT PLAN FOR EMPLOYEES REPRESENTED BY
SHEET METAL WORKERS LOCAL UNION 18**
NOTES TO FINANCIAL STATEMENTS (Continued)

1. DESCRIPTION OF PLAN (Continued)

Unallocated Funds

The Plan maintains a cash account to pay for operating expenses and to temporarily hold contributions received by employers before remitting to the custodian. As of December 31, 2024 and 2023, the cash account held \$10,595 and \$10,878, respectively.

Forfeited Accounts

The Plan was amended effective January 1, 2024 such that forfeitures and other Plan assets unallocated to a participant account accumulated during a plan year must be appropriately allocated by December 31 of the calendar year following the year in which the amount was accrued. Such amounts must be allocated to fund any required contributions or, if none, be used to pay necessary administrative expenses of the Plan. As of December 31, 2024 and 2023, the Plan had no forfeited nonvested accounts. During the plan years 2024 and 2023, no forfeitures were available to reduce contributions or to pay administrative expenses of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Cash

Cash is defined as currency on hand, in demand deposit accounts.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Employer Contributions Concentration

Employers remit contributions to the Plan based on the number of hours worked by the members. Therefore, employer contributions are dependent upon the construction and working environment of the area serviced by the Union. No employers accounted for more than 10% of contributions for the year ended December 31, 2024. One employer accounted for approximately 11% of the Plan's employer contributions for the year ended December 31, 2023.

**RETIREMENT PLAN FOR EMPLOYEES REPRESENTED BY
SHEET METAL WORKERS LOCAL UNION 18**
NOTES TO FINANCIAL STATEMENTS (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies utilizing information provided by the custodian and investment consultant. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits paid to participants or beneficiaries are recorded when paid.

Administration Expenses

Distributions fees are charged directly to the participant's account and are included in administrative expenses. Certain expenses of maintaining the Plan are paid from plan assets. These expenses include administration fees, recordkeeping fees, bank service charges, legal fees, auditing fees, insurance, office expenses, clearinghouse fees, trustee educational expense, and miscellaneous expense.

Recent Accounting and Regulatory Pronouncements

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the years ended December 31, 2024 and 2023. Plan management continues to evaluate the impact of the optional provisions of SECURE 2.0 and awaiting additional regulatory guidance from the Internal Revenue Service (IRS) and Department of Labor (DOL). The application of SECURE 2.0 Act did not have a material effect on the Plan's financial statements for the plan years ended December 31, 2024 and 2023. The Plan will be amended to reflect any changes made in response to SECURE 2.0 prior to the deadline set by law or applicable regulations.

**RETIREMENT PLAN FOR EMPLOYEES REPRESENTED BY
SHEET METAL WORKERS LOCAL UNION 18**
NOTES TO FINANCIAL STATEMENTS (Continued)

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- Level 2 Inputs to the valuation methodology other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- a. Quoted prices for similar assets or liabilities in active markets,
 - b. Quoted prices for identical or similar assets or liabilities in inactive markets,
 - c. Inputs other than quoted prices that are observable for the asset or liability,
 - d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**RETIREMENT PLAN FOR EMPLOYEES REPRESENTED BY
SHEET METAL WORKERS LOCAL UNION 18**
NOTES TO FINANCIAL STATEMENTS (Continued)

3. FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the US Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the stable value collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidations will be carried out in an orderly business manner.

Collective trust: Investments are valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV is a readily determinable fair value and is the basis for current transactions. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidations will be carried out in an orderly business manner.

Uninvested cash: Valued at the deposit account balances, payable on demand.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Description	Assets at Fair Value as of December 31, 2024			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 364,811,253	\$ -	\$ -	\$ 364,811,253

Investments measured at NAV (a)				<u>5,692,532</u>
TOTAL INVESTMENTS AT FAIR VALUE				<u><u>\$ 331,772,195</u></u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**RETIREMENT PLAN FOR EMPLOYEES REPRESENTED BY
SHEET METAL WORKERS LOCAL UNION 18**
NOTES TO FINANCIAL STATEMENTS (Continued)

3. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table presents the fair value, unfunded commitments, participant redemption frequency, and participant redemption notice period for plan investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023:

Investment	Fair Value		Unfunded Commitment		Participant Redemption Frequency	Participant Redemption Notice Period
	2024	2023	2024	2023		
Putnam Stable Value Fund	\$ 6,553,519	\$ 5,692,532	\$ -	\$ -	Daily	None

4. PLAN TERMINATION

Although they have not expressed any intent to do so, the Trustees have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in a manner as the Trustees may determine.

5. TAX STATUS

The IRS has determined and informed the Plan by a letter dated November 18, 2015 that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

**RETIREMENT PLAN FOR EMPLOYEES REPRESENTED BY
SHEET METAL WORKERS LOCAL UNION 18**
NOTES TO FINANCIAL STATEMENTS (Continued)

6. PARTY-IN-INTEREST TRANSACTIONS

Certain administrative expenses were paid by the Plan. These transactions qualify as party-in-interest.

In addition, the Plan receives revenue sharing amounts from the custodian. The revenue is used to offset certain expenses incurred from services provided by the custodian for the years ended December 31, 2024 and 2023. Revenue sharing for the years ended December 31, 2024 and 2023 totaled \$365,241 and \$482,075, respectively, and are netted with net appreciation in fair value of investments on the statements of changes in net assets available for benefits.

The Plan has entered into an administrative service sharing arrangement with Wisconsin Sheet Metal Workers Health and Benefit Fund (H&W Fund). Under the arrangement, the H&W Fund assumes primary responsibility for pursuing and collecting employer contributions and conducting employer payroll audits. The H&W Fund also assumes responsibility for preparing remittance reports, contribution payment processing and reconciliation, and other clearinghouse services. Although the H&W Fund may not qualify as a party-in-interest to the entities covered under this arrangement, the H&W Fund has structured the arrangement to comply with prohibited transaction class exemptions 76-1 and 77-10. The H&W Fund collects reimbursements from the entities covered by this arrangement for their share of the H&W Fund's costs incurred based on the methods adopted by the trustees of the H&W Fund.

The total expense incurred under this arrangement for the years ended December 31, 2024 and 2023 was \$29,139 and \$21,355, respectively, and are included in accounts payable on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

**RETIREMENT PLAN FOR EMPLOYEES REPRESENTED BY
SHEET METAL WORKERS LOCAL UNION 18**
NOTES TO FINANCIAL STATEMENTS (Continued)

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 18, 2025, which was the date that these financial statements were available for issuance and noted the following subsequent event:

The Plan was amended January 16, 2025, and as a result, the following plan provision changed:

- Effective January 1, 2024, a surviving spouse is able to delay required minimum distributions until the later of the spouse's required beginning date or the participant's required beginning date, consistent with SECURE 2.0.
