Confederated Tribes of the Umatilla Indian Reservation

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Confederated Tribes of the Umatilla Indian Reservation 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of fiduciary net position as of December 31, 2024 and 2023, and the related statement of changes in fiduciary net position for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Confederated Tribes of the Umatilla Indian Reservation 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Confederated Tribes of the Umatilla Indian Reservation 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Confederated Tribes of the Umatilla Indian Reservation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Confederated Tribes of the Umatilla Indian Reservation 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Confederated Tribes of the Umatilla Indian Reservation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Required Supplementary Information**

Management has omitted the Management's Discussion & Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

**Confederated Tribes of the Umatilla Indian Reservation  
401(k) Profit Sharing Plan and Trust  
Notes to Financial Statements  
For the Year Ended December 31, 2024**

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Confederated Tribes of the Umatilla Indian Reservation (CTUIR) 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan originally effective October 1, 1985. CTUIR Government, Yellowhawk, Wildhorse Resort & Casino, Arrowhead Travel Plaza, Native Hawaiian Veterans and the Cayuse entities are all participating employers in the Plan. The Plan has been amended throughout the years to comply with tax legislation. The Plan excludes leased employees, nonresident aliens, and employees covered by a collective bargaining agreement. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Trustees is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

**Eligibility**

Employees who are at least 18 years old shall be eligible to participate in the salary reduction arrangement in the Plan after completion of three months of service. Employees enter the Plan on the first day of the calendar quarter immediately following or coinciding with the completion of the eligibility requirements.

**Contributions**

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage of their compensation contributed as pre-tax 401(k) contributions to the Plan up to the maximum allowed by law. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant. Beginning January 1, 2017, the participant's deferral rate will increase by 1% of eligible compensation, not to exceed 6% of eligible compensation, on the first day of each calendar year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Notes to Financial Statements  
For the Year Ended December 31, 2024**

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

**Contributions (Continued)**

CTUIR will make a Safe Harbor match of 116.67% of an employee's deferral contributions up to 6% of eligible compensation. CTUIR may, at its discretion, elect to make a profit-sharing contribution to the Plan. There were no CTUIR profit sharing contributions for the years ended December 31, 2024 and 2023. To be eligible for the CTUIR profit sharing contribution, the participant must be employed on the last day of the year unless not employed due to death, permanent disability, or retirement.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans or conduit IRAs. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, CTUIR's matching contribution, an allocation of CTUIR's profit sharing contribution, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions, CTUIR matching contributions, plus actual earnings thereon. Vesting in the CTUIR profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant is 100% vested after six years of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms are up to five years, except for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years. The notes are secured by the balance in the participant's account and bear interest at a fixed rate that is determined at the time the note originates, and is equal to the prime rate as quoted by *The Wall Street Journal* plus 1%. Principal and interest is paid ratably through payroll deductions.

**Benefit Payments**

Upon termination of service, death, disability, or retirement a participant will receive the value of the vested interest in his/her account based on participant elections available within the Plan. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent.

**Forfeited Accounts**

Forfeited nonvested accounts may first be used to pay administrative expenses or be allocated to participants as a profit-sharing contribution. Forfeited nonvested accounts totaled \$-0- and \$814 as of December 31, 2024 and 2023, respectively. Forfeitures used to pay administrative expenses and fund contributions were \$1,787 and \$-0- for the years ended December 31, 2024 and 2023, respectively.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America. These statements have also been prepared in accordance with the reporting standards promulgated by the Governmental Accounting Standards Board, which designates accounting principles and financial reporting standards applicable to the Plan.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America as applied to governmental units requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

**Benefit Payments**

Benefits are recorded when paid.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Administrative Expenses**

As provided in the Plan document, administrative expenses may be paid either by the Plan or by CTUIR. The company has historically paid the operating expenses for the Plan.

**Subsequent Events**

The Company has evaluated subsequent events through October 13, 2025, which is the date the financial statements were available to be issued.

**NOTE 3 - CERTIFICATION OF INVESTMENT INFORMATION**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information included in the accompanying financial statements and supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) was obtained from data that has been prepared and certified as complete and accurate by Newport Trust Company (January 1, 2024 through November 13, 2024) and Ascensus Trust Company (November 14, 2024 through December 31, 2024), the custodians of the Plan during the year:

	<u>2024</u>	<u>2023</u>
Investments, at fair value	\$ 144,202,195	\$ 122,265,092
Investment Income:		
Net appreciation in fair value of investments	\$ 10,908,760	
Dividends & Interest	\$ 5,762,687	

**NOTE 4 – INVESTMENTS**

Investment securities are exposed to various risks that can affect the value of the Plan's investments such as custodial risk, interest rate risk, credit risk, concentration risk, and foreign currency risk. The Plan invests in registered investment companies (mutual funds and a money market fund). Mutual funds and money market funds with holdings in equity securities respond to such factors as economic conditions, individual company earnings performance, and market liquidity, which holdings in debt securities are particularly sensitive to credit risk and changes in interest rates. Since all investments are participant directed, risks exist at the participant level.

*Custodial Credit Risk* – Custodial credit risk is the risk that in the event of a failure by the counterparty, the Plan will not be able to recover the value of its investments that are in the possession of an outside party. The Plan's policies do not specifically address custodial credit risk, but all the Plan's investments are held by the Plan or its agent in the Plan's name.

**For the Year Ended December 31, 2024**

**NOTE 4 – INVESTMENTS (CONTINUED)**

*Interest Rate Risk* – Interest rate risk arises from the likelihood that interest rates will rise or fall during the holding period of a fixed rate security and adversely affect the selling price of the security prior to maturity. The price of a debt security typically moves in the opposite direction of the change in interest rates. As of December 31, 2024, the Plan had the investments subject to interest rate risk with a collective effective duration in years:

<u>Fund</u>	<u>Effective Duration</u>
Fixed Income Funds	3.76

*Foreign Currency Risk* – Foreign currency risk is the risk that changes in exchange rates will adversely impact the fair value of an investment denominated in a foreign currency. The Plan’s foreign currency risk exposure resides within any international mutual fund holdings. The following funds are exposed to such risk:

<b>Investment Name</b>	<b>2024</b>	<b>2023</b>
Blackrock Latin America Institutional	1,727,482	-
Columbia Emerging Markets - I3	967,878	839,987

The Plan does not hold any direct investments or instruments denominated in foreign currency.

**NOTE 4 – INVESTMENTS (CONTINUED)**

*Credit Risk* – Credit risk exists when there is a possibility that the issuer or other counterparty to an investment may be unable to fulfill its payments on a security under the original term. As of December 31, 2024 and 2023, the Plan had the following credit quality mix in its fixed income mutual funds:

<u>Rating</u>	<u>Investment Type</u>	<u>2024</u>	<u>2023</u>
AAA	Mutual Funds	\$ 10,234,966	\$ 18,330,556

B	Mutual Funds	1,346,105	1,136,676
Below B	Mutual Funds	1,920,065	1,249,815

**NOTE 5 - FAIR VALUE MEASUREMENTS**

GASB 72, provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)**

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the current year:

Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The mutual funds are classified within Level 1 of the valuation hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 144,202,195	\$ -	\$ -	\$ 144,202,195
Total Assets at Fair Value	\$ 144,202,195	\$ -	\$ -	\$ 144,202,195

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 121,986,737	\$ -	\$ -	\$ 121,986,737
Total Assets at Fair Value	\$ 121,986,737	\$ -	\$ -	\$ 121,986,737

**NOTE 6 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of fiduciary net position.

**NOTE 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, CTUIR has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their CTUIR contributions.

**NOTE 8 - PLAN TAX STATUS**

The Plan is placing reliance on an opinion letter dated March 31, 2014, received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is, therefore, not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

**NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS**

For 2023, and January 1, 2024 through November 13, 2024, and, the Plan investments were managed by Newport Trust Company. From November 14, 2024, through December 31, 2024, the Plan investments were managed by Ascensus Trust Company. During these periods, Ascensus Trust Company and Newport Trust Company were the trustees as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions.

The plan also has notes receivable from participants which also qualify as party-in-interest transactions.
