INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Tailored Brands 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tailored Brands 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements (collectively, the financial statements).

Plan management (Management), having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (US GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect Management's responsibility for the financial statements.

In preparing the financial statements, Management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls of the Plan. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ability of the Plan to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental information in the accompanying Schedule of Assets (Held at End of Year) as of December 31, 2024, and Schedule of Delinquent Participant Contributions for the year then ended is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

McConnell Jones

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

TAILORED BRANDS 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2024, AND 2023

1. DESCRIPTION OF PLAN

The following description of Tailored Brands 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan and trust agreements for more information.

General — The Plan is a defined contribution plan that provides eligible employees with future retirement benefits through a tax-deferred savings program. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility — The Plan provides that certain employees of Tailored Brands Shared Services, LLC, a wholly owned subsidiary of Tailored Brands, Inc., and participating affiliates (the “Company”) are eligible to participate.

Full-time employees are eligible to participate in the Plan after completing two months of service and attaining age 21; however, part-time, temporary or seasonal employees are eligible after completing one year of service and attaining age 21. Full-time employees can enter the Plan on the first of the month upon completion of the eligibility period and part-time employees can enter the Plan on the first day of each Plan year quarter upon completion of the eligibility period.

Administration — The Plan is administered by an Advisory Committee made up of three employees. Investments of the Plan are held in trust by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (“the Trustees”).

Contributions — Effective January 1, 2023, the Plan became a safe harbor 401(k). All eligible employees will receive a matching contribution equal to 100% of each participant’s elective deferrals not exceeding 3% of the participant’s compensation plus 50% of each participant’s elective deferrals not exceeding 2% of the participant’s compensation. The Plan also provides for an additional discretionary matching contribution.

Eligible employees may make pre- and post-tax contributions up to 75% of compensation subject to the current-year statutory limitations (subject to cost-of-living adjustments). Effective December 1, 2016, Roth and Roth Catch-up Deferrals can be made to the Plan. Participants who will attain age 50 before the end of a Plan year are eligible to make catch-up contributions for that year.

The Company made employer matching contributions of \$7,094,145 for the plan year ended December 31, 2024.

Participant Accounts — Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution, and Plan earnings, and charged with withdrawals and an allocation of Plan losses and certain administrative expenses, such as participant loan fees, express mailing charges on requested distributions, and frequent trading fees. Allocations are based on participant earnings or account balances in accordance with the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investments — Employee contributions are deposited into a trust account, which is invested by the Trustees in various investment options as directed by each participant. The investment options available for 2024 and 2023 included mutual funds, and a guaranteed portfolio fund maintained by the Trustees.

Vesting — Participants are always 100% vested in their salary deferral contribution accounts, rollover

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2024, AND 2023 (continued)

contribution accounts, prior matching contribution accounts, and qualified non-elective employer contribution accounts. Eligible employees who enter the plan after January 1, 2017, are subject to a vesting schedule of 100% after two years of service for any employer contributions made to the Plan. Eligible employees who entered the plan prior to January 1, 2017, are immediately 100% vested for any employer contributions made to the Plan.

Distributions to Participants — Upon termination of service, a participant may elect to receive a lump-sum payment equal to the value of his or her account. The Plan also permits distributions to active participants if certain conditions are met.

Participant Loans — Plan loans are available to all active Plan participants on a nondiscriminatory basis. Amounts may not exceed the lesser of \$50,000 (reduced by the highest outstanding loan balance during the prior 12 months) or one-half of the current value of a participant's vested account balance. All loans are fully secured by the balance in the participant's account.

Forfeited Accounts — The Plan allows the forfeitures of nonvested Company-matching contributions from terminated participant accounts to be used to offset future Company-matching contributions, to pay certain administrative expenses, and to make account restorations.

For the years ended December 31, 2024, and 2023, forfeited nonvested amounts totaled \$326,828 and \$361,274, respectively. Forfeited amounts were used to pay certain administrative expenses and we utilized \$64,000 and \$150,000 in forfeitures to reduce employer-matching contributions in 2024 and 2023, respectively.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting — The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates — The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risk and Uncertainties — The Plan utilizes various investments, including common stock, mutual funds, and common collective investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition — The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a

liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year-end. Collective trust funds are valued at NAV as a practical expedient. The Great-West Guaranteed Fixed Fund (the "Fixed Fund") is stated at fair market value. The Fixed Fund is not traded on an active market but has observable market inputs readily available. The Fixed Fund is a Common Trust Fund offered and managed by the Trustees. The investment strategy employed for this fund seeks to achieve consistent returns to support a competitive credited rate. Investments include investment-grade bonds diversified across a range of fixed-income asset classes such as asset-backed securities, mortgage-

backed securities, commercial mortgage-backed securities, commercial mortgages and private equity.

Purchases and sales of securities are recorded on a trade-date basis. The net appreciation in fair value of investment securities consists of the net change in unrealized appreciation in fair value and realized gains (losses) upon the sale of investments. The net change in unrealized appreciation and realized gains (losses) upon sale are determined using the fair values as of the beginning of the year or the purchase price if acquired since that date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants — Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024, or 2023.

Administrative Expenses — For 2024, all administrative fees charged by the Trustees are paid by the participants and are presented as administrative expenses in the statement of changes in net assets available for benefits.

Payment of Benefits — Benefits are recorded when distribution checks or wires are issued from the trust (the “Trust”) used to fund the Plan.

3. INVESTMENTS (CERTIFIED BY TRUSTEES) & FAIR VALUE MEASUREMENTS

Information related to the Plan’s investments and ERISA-required supplemental schedules related to investments and related income and losses as of December 31, 2024, and 2023, and for the year ended December 31, 2024, has been certified by the Trustees of the Plan as complete and accurate, as permitted by 29 CFR 2520.103-8 of the Department of Labor rules under ERISA.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The authoritative guidance for fair value measurements establishes a three-tier fair value hierarchy, categorizing the inputs used to measure fair value. The hierarchy can be described as follows: Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The following tables set forth by level within the fair value hierarchy a summary of the Plan’s investments measured at fair value on a recurring basis at December 31, 2024, and 2023.

Investments measured at fair value as of December 31, 2024:

	Fair Value Measurements		
	Level 1	Level 2	Total
Mutual funds	\$ 78,987,595	\$ -	\$ 78,987,595
Fixed annuities	-	13,924,275	13,924,275

Investments measured at fair value as of December 31, 2023:

	Fair Value Measurements		
	Level 1	Level 2	Total
Mutual funds	\$ 66,347,062	\$ -	\$ 66,347,062
Fixed annuities	-	16,463,829	16,463,829
	\$ 66,347,062	\$ 16,463,829	\$ 82,810,891
Investments measured at NAV:			
Collective trust funds			\$ 161,120,703
Total investments at fair value			\$ 243,931,594

The valuation methods as described in Note 2 may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

For the years ended December 31, 2024, and 2023, respectively, there were no transfers in or out of Level 1.

4. NAV PER SHARE

In accordance with ASC 820-10, Investments in Certain Entities That Calculate Net Asset Value per Share or Its Equivalent, entities are permitted, as a practical expedient, to estimate the fair value of investments within its scope using the NAV per share of the investment of the reporting entities' measurement dates.

Summary of the Plan's investments with a reported NAV as of December 31, 2024:

	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Collective trust funds	\$ 166,455,787	None	Immediate	None	None

Summary of the Plan's investments with a reported NAV as of December 31, 2023:

	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Collective trust funds	\$ 161,120,703	None	Immediate	None	None

5. PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

6. FEDERAL INCOME TAX STATUS

Effective December 1, 2016, the Plan utilizes a Non-Standardized Plan Document and Adoption

Agreement provided through Great-West Trust Company LLC. The advisory letter was issued by the Internal Revenue Service (“IRS”) to this Non-Standardized Plan on November 14, 2022, and the Company may rely on this advisory letter. The Plan’s administrator believes the Plan continues to maintain its tax-exempt status. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The respective Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, and 2023, respectively, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments, including the Portfolio Fund and Stable Value Fund are shares of a common collective investment fund managed by the Trustees. Transactions with the Trustees and the Company, as well as participant loans, qualify as exempt party-in-interest transactions.

8. DELINQUENT PARTICIPANT CONTRIBUTIONS AND LOAN REMITTANCES

During 2024, participant contributions totaling \$643,428, including \$61,976 in loan repayments, were not remitted to the Plan timely as required by Department of Labor (DOL) regulations under ERISA. These delinquent contributions from 2024, including the loan repayments, are currently undergoing correction in 2025 through the Voluntary Fiduciary Correction Program (VFCP), which includes the restoration of lost earnings.

Delinquent contributions from 2023, totaling \$1,894,064, were fully corrected in 2024 under the VFCP, including restoration of lost earnings.

9. SUBSEQUENT EVENTS

In preparing the accompanying financial statements, Plan management has reviewed and evaluated all known events that have occurred after December 31, 2024, and through October 7, 2025, which is the date these financial statements were available to be issued, for inclusion in these financial statements and related notes.

There were no additional subsequent events that would affect the financial statements or require additional disclosure.
